

Heavens Gate

Didier Musso

Heavens Gate:

Heaven's Gate George D. Chryssides, 2016-12-05 On March 26 1997 the bodies of 39 men and women were found in an opulent mansion outside San Diego all victims of a mass suicide Messages left by the Heaven s Gate group indicate that they believed they were stepping out of their physical containers in order to ascend to a UFO that was arriving in the wake of the Hale Bopp comet The Heaven s Gate suicides were part of a series of major incidents involving New Religions in the 1990s as the new millennium approached Despite the major attention that Heaven s Gate attracted at the time of the suicides there have been relatively few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heaven s Gate documents All the material is expertly brought together under the editorship of George D Chryssides **Heaven's Gate** Benjamin E Zeller, Robert W Balch, 2014-10-31 The captivating story of the religious group focused on transcending humanity and the Earth and seeking salvation in the literal heavens on board a UFO 2015 Best Book Award from the Communal Studies Association In March 1997 thirty nine people in Rancho Santa Fe California ritually terminated their lives To outsiders it was a mass suicide To insiders it was a graduation This act was the culmination of over two decades of spiritual and social development for the members of Heaven s Gate In this fascinating overview Benjamin Zeller not only explores the question of why the members of Heaven s Gate committed ritual suicides but interrogates the origin and evolution of the religion its appeal and its practices By tracking the development of the history social structure and worldview of Heaven s Gate Zeller draws out the ways in which the movement was both a reflection and a microcosm of larger American culture The group emerged out of engagement with Evangelical Christianity the New Age movement science fiction and UFOs and conspiracy theories and it evolved in response to the religious quests of baby boomers new religions of the counterculture and the narcissistic pessimism of the 1990s Thus Heaven s Gate not only reflects the context of its environment but also reveals how those forces interacted in the form of a single religious body In the only book length study of Heaven s Gate Zeller traces the roots of the movement examines its beliefs and practices and tells the captivating story of its people The most thorough work on the cult of Heaven s Gate that is presently available Choice Heaven's Gate Erin Yorke, 1992 Heaven s Gate by Erin Yorke released on Mar 25 1992 is available now for purchase **Ti & Do the Father & "Jesus" Heaven'S Gate Ufo Two Witnesses** Sawyer, 2017-01-18 This book provides detailed evidence from everything Jesus prophesied often broken down to the root definitions of terms from the Greek and Aramaic Hebrew languages which manuscripts were written in to show in context by numerous Bible records how and why those called Ti Tee and Do Doe were the new incarnations of the One referred to as the Father and before then Jehovah and Elohim with the One who was incarnate in the vehicle body named Jesus and before then Elijah Moses Enoch and Adam who with Their Crew of Student Saints were on earth again to fulfill the promised return of Their Kingdom during these End Times through Their task recorded as the Two Witnesses in the Book of

Revelations that was completed when they exited their incarnations in March of 1997 seen in the world's news as Heaven's Gate. Ti and Do left extensive records of everything they came to awaken to know over their combined 25 years incarnate. As I spent 19 fully dedicated years with them I drew upon their records and my experience to describe many new translations of terms and new interpretations of most all Book of Revelations records. Finally I studied world history and current events that can be shown to be valid reference points in many prophecies. This includes many unusual events NASA has photographed in outer space as Jesus prophesied a cityscape of Lights on dwarf planet Ceres earth like qualities to dwarf planet Pluto hexagon shaped top on Saturn spire like towers on the Moon complicated objects that resemble Star Trek's star ship enterprise in the sun's corona comets that are comprised of several to seven objects flying in V formation or having companion objects with them and parts of UFO and Luciferian space alien reports holograms like Fatima and Spirits TI DO The Father and Jesus Heaven's Gate UFO Two Witnesses Who Returned Incarnate With Their Saints From 1972 to 1997 Prophesied in the Book of Revelations Termed by Christians as The Second Coming From The Physical Evolutionary Level Above Human The Kingdom of God in Heaven Whose Membership Wear Physical Vehicles Bodies Grown on a Vine That Human bodies are Designed to Resemble To Work Within planet Sized Spacecrafts Like Pluto and Ceres That Serve as Laboratories for Their Earth Soul Growing Garden Experiments That Incorporate the Negative Influence of The Luciferian Space Aliens aka The Fallen Angels So Prospective New Members Directed By Incarnate Older members May Overcome the Human Evolutionary Kingdom To Graduate Into the Next Level Kingdom In the Literal Heavens *Twisted Scriptures* Mary Alice Chrnalogar, 2000 Chrnalogar an expert in the field who has helped rescue victims from abusive cult like churches alerts readers to the tactics of manipulative controlling church leaders Each chapter ends with a practical checklist for selfanalysis a tool to help readers assess the situation in their own church groups **Violence and New Religious Movements** James R. Lewis, 2011-04-06 Violence involving alternative religions has long been a topic of intense public interest This volume examines the famous incidents of murder and suicide concerning Jonestown Heaven's Gate AUM Shinrikyo the Branch Davidians and the Solar Temple and other less prominent new religions This collection of essays represents the culmination of decades of reflection by specialists in the field Lost Illusions David A. Cook, 2002-03-15 This volume examines the development of film and the film industry during the 1970s and the political and economic background that influenced it New York Magazine , 1981-05-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Cults, Religion, and Violence* David G. Bromley, J. Gordon Melton, 2002-05-13 This explores the question of when and why violence by and against new religious cults erupts and whether and how such dramatic conflicts can be

foreseen managed and averted The authors leading international experts on religious movements and violent behavior focus on the four major episodes of cult violence during the last decade the tragic conflagration that engulfed the Branch Davidians in Waco Texas the deadly sarin gas attack by the Aum Shinrikyo in Tokyo the murder suicides by the Solar Temple in Switzerland and Canada and the collective suicide by the members of Heaven s Gate They explore the dynamics leading to these dramatic episodes in North America Europe and Asia and offer insights into the general relationship between violence and religious cults in contemporary society The authors conclude that these events usually involve some combination of internal and external dynamics through which a new religious movement and society become polarized *Prophets and*

Photons Benjamin E Zeller,2010-03-01 This in depth study shows how new religious movements offer a variety of strategies for reconciling science and religious faith By the twentieth century established religious traditions were forced to grapple with the challenges presented by scientific knowledge and innovation But emerging religions still led by a living founder to guide them found new ways to respond to science The Hare Krishnas the Unification Church and Heaven s Gate each found distinct ways to incorporate major findings of modern American science understanding it as central to their wider theological and social agendas In *Prophets and Photons* Benjamin Zeller examines how these New Religious Movements NRMs crafted their views on science during their founding period and how those views evolved over time These NRMs shed light on how religious groups new old alternative or mainstream could respond to the tremendous growth of power and prestige of science in late twentieth century America In this engrossing book Zeller carefully shows that religious groups had several methods of creatively responding to science and that the often assumed conflict based model of science vs religion must be replaced by a more nuanced understanding of how religions operate in our modern scientific world *End of Days* Wendell G.

Johnson,2017-07-14 Covering religious traditions ranging from Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Aum Shinrikyo and the Branch Davidians this book addresses prophesied end of days from a breadth of perspectives and includes material on often neglected themes and genres *End of Days* An Encyclopedia of the Apocalypse in World Religions describes apocalyptic writings in the world s major religious traditions including Judaism Christianity Islam Hinduism and Buddhism The cross referenced entries address ancient traditions Zoroastrianism as one example as well as modern apocalyptic movements such as Aum Shinrikyo the Branch Davidians and the Order of the Solar Temple This book s broad scope offers coverage of overlooked traditions such as Mayan Apocalyptic Norse Apocalyptic Native American eschatological literatures and the Tibetan Book of the Dead Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as Harold Camping Jerry Falwell David Koresh of the Branch Davidians and James Jones and the People s Temple This single volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment the Great Awakening periods of religious revival Joachim of Flora the Maccabean Revolt and the Plymouth Brethren The influence of

apocalyptic ideas far outside the realm of religion itself is documented through entries on film including well known modern movies such as The Hunger Games and Apocalypse Now literature by writers such as Dante and works of fine art like Wagner's Götterdämmerung The inclusion of entries related to literature film and other art forms further attests to the wide ranging social influence of belief in the end of days [Histories of the Future](#) Susan Harding, Daniel Rosenberg, 2005-07-21 An anthropologically based interdisciplinary collection on sites and projections of imagined futures from conspiracy theorists to technological dystopias

The Evolution of the Western Martin Kich, 2024-09-05 Explore the enduring influence of the Western the quintessential American film genre and its essential role in US and world culture Follow the entire history of the Western from its roots in the pulp novels of the early 20th century through the serials of the silent era and the mid century classics of John Ford and John Wayne to the recent award winning revisionist works like Unforgiven and No Country for Old Men that provide a more complex and nuanced take on history of the West Perhaps more than any other pop culture genre the Western allows us to view how Americans have seen themselves over the last 150 years Build a foundational understanding of the genre with 5 introductory essays exploring the development of the Western Mythos in the traditional Western the heyday of the traditional Western in the post WWII period revisionist Westerns and the counterculture race and identify and the Western outside of the USA Close to 100 encyclopedia entries examine one or more movies or television programs and show how their creation and plots demonstrate the overall evolution of the genre Easily compare films and TV programs from early genre favorites such as Gunsmoke to more recent releases like Django Unchained with essential facts boxes accompanying each entry with information on the director studio key actors and box office receipts

A Reader's Guide to Wallace Stevens Eleanor Cook, 2007 Publisher description

Forensics II Harry A. Milman PhD, 2022-07-24 George Washington the former first president of the United States lay in his bed suffering from a high fever a raw throat and labored breathing His three physicians milled around his bed treating Washington with blisters of cantharides tartar emetic and bloodletting removing nearly 40 percent of his total blood volume and causing excruciating pain When Washington finally was relieved of his misery and died the three doctors could not agree what caused his death Forensics II The Science Behind the Deaths of Famous and Infamous People reads like a mystery novel presenting biographical and scientific information that helps readers understand how medical examiners coroners utilized forensic analysis to determine the causes and manners of death of thirty six famous and infamous people including Napoleon Bonaparte a French military leader and politician Charles Whitman the University of Texas tower shooter Bruce Lee an actor and martial artist Kurt Cobain the lead singer of Nirvana Jim Jones a key figure in the Jonestown massacre Aretha Franklin a singer songwriter Alexander Litvinenko a former officer of the Russian Federal Security Service Jeffrey Epstein a financier and convicted sex offender and many more The book is based on a review of publicly available autopsy and toxicology reports published lay articles and the scientific literature Of the deaths reviewed 39 percent were due to natural causes 19 percent were accidental and 6 17

percent were suicides The remaining deaths comprise three cases each of homicide and justifiable homicide by police one case of court mandated execution and three cases in which the manner of death was undetermined

Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

How and when "heaven's Gate" (the Door to the Physical Kingdom Level Above Human) May be Entered ,1998 *Martyrdom, Self-Sacrifice, and Self-Immolation* Margo Kitts, 2018-05-01 The essays

in Martyrdom Self Sacrifice and Self Immolation address the delicate subject of those elective deaths which can be categorized as religiously sanctioned suicides Broadly condemned as cowardice across the world s moral codes suicide under certain circumstances such as martyrdom self sacrifice or self immolation historically carries a dynamic importance in religious legends some tragic and others uplifting

Sacred Suicide Carole M. Cusack,2016-04-08 The label Suicide Cults has been applied to a wide variety of different alternative religions from Jonestown to the Solar Temple to Heaven s Gate Additionally observers have asked if such group suicides are in any way comparable to Islamist suicide terrorism or to historical incidents of mass suicide such as the mass suicide of the ancient community of Masada Organizationally and ideologically diverse it turns out that the primary shared trait of these various groups is a common stereotype of religion as an irrational force that pushes fanatics to undertake acts of suicidal violence Offering a valuable perspective on New Religious Movements and on religion and violence Sacred Suicide brings together contributions from a diverse range of international scholars of sociology religious studies and criminology

Handbook of Hyper-real Religions Adam Possamai,2012-03-28 Hyper real religions are innovative religions and spirituality that mix elements of religious tradition with popular culture Through various case studies this book studies the on and off line religious spiritual consumption of these narratives through a social scientific approach
