Volume 1 Translations of the Bible take place in the midst of tension between politics ideology and power With the theological authority of the book as God s Word not focusing on the process of translating is stating the obvious Inclinations fluency and zeitgeist play as serious a role as translators person faith and worldview as do their vocabulary poetics and linguistic capacity History has seen countless retranslations of the Bible What are the considerations according to which Biblical retranslations are being produced in current 21st century contexts From retranslations of the Hebrew Bible to those of the Old and New Testaments to mutual influences of Christian and Jewish translational traditions the papers collected here all deal with the question of what is to be re gained with the production of a new translation where at times many a previous one has already existed Volume 2 Times are changing and with them the norms and notions of correctness Despite a wide spread belief that the Bible as a sacred original only allows one translation if any new translations are constantly produced and published for all kinds of audiences and purposes The various paradigms marked by the theological political and historical correctness of the time group and identity and bound to certain ethics and axiomatic norms are reflected in almost every current translation project Like its predecessor the current volume brings together scholars working at the intersection of Translation Studies Bible Studies and Theology all of which share a special point of interest concerning the status of the Scriptures as texts fundamentally based on the act of translation and its recurring character It aims to breathe new life into Bible translation studies unlock new perspectives and vistas of the field and present a bigger picture of how Bible re translation works in society today **Bent's Literary Advertiser and Register of Engravings, Works on the Fine Arts** ,1845 *The Beauty of Intimacy (Women of the Word Bible Study Series)* Jane Hansen Hoyt,Marie Powers,2011-05-03 The war between the sexes has gone on long enough God is moving to restore the relationship between women and men to His original design bringing peace and harmony where there has been for so long strife and misunderstanding The Beauty of Intimacy helps women open their eyes and hearts to this move of God s Spirit and challenges them to live according to the purpose God revealed for men and women at the beginning of time The Beauty of Intimacy features eight study sessions Topics include A Tale of Two Trees She Shall Be Called Woman Right Expectations Wrong Source Hidden Man of the Heart and more Each week s study examines an aspect of the relationship
