tell six year old children that they are too little to do this or that But it is Miriam who approaches Pharaoh s daughter after she pulls baby Moses from the river to ask Shall I go and get you a Hebrew woman to nurse the child for you How dare any slave especially a child speak to Pharaoh s daughter and tell her what to do Miriam dares and by highlighting her bravery this book challenges young readers to think about what they can accomplish by speaking up With this Curious Student s Guide in hand your children will discover similarly important life lessons they can apply to their own lives School Library Journal ,2000
