**Hebrew Foundations of the Christian Faith** David Hamshire,2019-02-15 Christianity did not appear from nowhere It remains deeply rooted in the Hebrew traditions which it inherited This book contains a series of studies based on just a few of the Hebrew origins of the Christian faith Christians can only really understand their faith if they respect their faith's Hebrew background The Jewish scripture provides the key to understanding the Christian faith *Hebrews 6 Foundations* Tim Taylor,2018-03-21 This course provides a disciple with everything the writer of Hebrews says is required for a solid foundation in Jesus Christ as it covers repentance from dead works faith towards God the doctrine of baptisms the laying on of hands the resurrection from the dead and the eternal judgement An understanding of these eternal truths equips the new disciple to train and equip others These truths are essential It takes one from their new birth in Christ positions them for freedom and equips them to impact this world while positioning them for eternal rewards **Foundations of Faith Study Guide** Rick Renner,2021-03-01 Are You a Spiritual Infant a Teenager or an Adult Do you know your current level of spiritual maturity How do you know if you are mature a spiritual infant or something in between How can you determine your level of spiritual growth Many Christians remain spiritual infants and toddlers their entire lives but

*Foundations of Faith* Alton H. Howard,1993-04 From the origin of the Bible to the patriarchs of the Old Testament through the basic Christian doctrines this study of the Christian faith will bolster the faith of longtime believers and provide answers and understanding for new Christians **Christian Foundations** Keith Malcomson,2014-03-15 The believer's life is often compared in the Bible to the construction of a building The foundation of a building is the most important part as the size weight and height of a building will depend on the depth width and materials of the foundation Once a foundation is set then a dwelling can be erected and inhabited These Six Foundational Truths of Hebrews Chapter Six repentance faith baptisms laying on of hands resurrection of the dead and eternal judgment are the primary and vital spiritual foundations that must be laid solidly in a believer's life The cause for every problem in the Christian's life both for young and old believers goes right back to these foundational truths This book contains a vital call to Go on to Perfection Psalm 11:3 If the foundations be destroyed what can the righteous do **Foundations of our Faith** B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and

church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine     The Foundations of our faith ,     Five Foundations of Human Development Errol A. Gibbs, Philip A. Grey, 2011-06-08 Five Foundations of Human Development FFHD is a philosophical religious and practical discourse on human development based on the following five foundations Spiritual Moral Social Intellectual and Physical The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future Problems such as wars genocide greed and the exploitation of human beings begin within our destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that transcend a belief in an omnipotent all powerful omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial

social cultural environmental and economic challenges that lie ahead      The Power of Unlimited Faith Kynan Bridges,2014-11-18 Take The Limits Off Your Faith Do you ever hear people talk about getting more faith or increasing their faith When we buy into this idea we never have enough Though we constantly seek after greater faith it always feels just beyond our grasp The Truth is you already possess all of the faith you will ever need both to please God and to release His miraculous power in your everyday life You simply need to know how to activate it You ll learn how to See the invisible and discover God s supernatural solutions Operate key principles of faith and unleash God s unlimited power within you Activate the law of confession and agree with God s Word Expect the miraculous and watch impossibilities turn around Get ready to take the limits off of God and experience the power of unlimited faith today      *Foundations of the Faith* Dr. Paul G. Caram,2015-04-16 It has been said that our doctrine will determine our destiny In his study of the doctrines of the Bible Dr Caram will explore the main doctrines upon which the Christian church is founded giving us keys to recognizing right doctrine and how we can be transformed to be living epistles having the law of God written upon our hearts      Reckless Faith Jo Kadlec,2003-11-01 Holy Human He was impulsive arrogant and passionate to a fault Yet Jesus chose him to lead the early church Peter one of the most colorful of Jesus disciples paints the picture of a man who wants desperately to be holy but is hampered by being all too human Sound familiar Reckless Faith looks at this caustic cocky cowardly chosen man and what his life has to say to Christians today Through a study of his letters the book of Acts and the Gospels Peter springs off the page as one who held nothing back lived large and was used by God despite his most sinful nature This Fisherman Resource includes author commentary interactive questions and opportunities for reflection as you discover how God allows us to come to him as holy and human Great for individual study or in a group Reckless Faith will show you that being a follower of God doesn t necessarily mean having it all together      **Embracing God in the Right Perspective with the Right Foundation of Faith in Him** Chris Tham,2020-10-22 Knowledge without God is not the Truth Only Truth leads us to the meaning of life as the power of life is in God God is the everlasting Truth Faith without understanding of Faith is an unfinished work in Faith Each and everyone of us needs to discover our true identity of who we are before we could truly inherit the fullness of life as we desire to live a life filled with gifts in fullest measure of Peace Love and Joy in our hearts now and forevermore The objective of this Book is not to put down any religious beliefs teachings laws and practices we embrace Its intention is to discover who we are in the spiritual realm and how our identity relates to God who is our Creator and Master of this universe and how this Father and Child relationship gives us freedom of Peace which is the ultimate goal in humanity with an assured destiny of eternal life in the kingdom of God God loves you Jesus loves you Amen Each and every living soul in the history of mankind is a child of God You shall know the truth and the truth shall set you free Blood and flesh do not inherit the kingdom of God Conquering Jerusalem is likened to men s attempts to attain divinity and righteousness with the might and knowledge of the flesh Such repeated feats as recorded throughout the history of mankind would never

bring down the kingdom of God from heaven to earth Our Heavenly Father is a God of Peace Love and Harmony He is not a God of War Hatred and Division Misguided beliefs and biblical misinterpretations through religious laws of men in the flesh had inflicted countless and senseless innocent bloodsheds upon mankind Walking with faith in the flesh is knowledge Walking with faith in the spirit is truth All men shall be born again of the Word of God which is full of truth and grace to fully embrace God and live eternally in His divine Truth and Spirit The Word of God is embedded in all men as each man is born with a given measure of faith in the Word of God I humbly express this Book as the priceless companion guide in studying the Word of God that shall bring forth healing to all souls throughout the nations on earth All glory be unto our Father God This Book shall serve as good text material for interfaith dialogue It is the preordained duty of believers in Christ to share the Gospel of Light to members of other beliefs with understanding and love This Book contains end times prophecy The future middle eastern war is coming soon The return of Chris is a certainty Amen Hope this Book would bring forth abundance of insightful revelations and joyful enlightenment in your heart and soul Be very blessed within His presence of gracious embrace and enjoy reading it In Christ and through Christ we all live again God bless Jesus loves all of you Amen     **FAITH AND FOUNDATION** Robin Dinnanauth,2015-04-07 This book will help you grow in God strengthen your faith and build a sure foundation as a believer in Christ The Bible compares the life of a believer to the construction of a building For we are labourers together with God ye are God s husbandry ye are God s building 1 Corinthians 3 9 Each believer is united in Christ with other Christians from the Church The Bible also compares the Church to a building In whom ye also are builded together for an habitation of God through the Spirit Ephesians 2 22 So to build you need a good foundation A foundation is a natural or prepared ground or base on which some structure rests It sthe beginnings or first principle of a system of truth Luke 6 46 49 When you come to Jesus Christ and hear and does what he says you build a foundation on a rock so when trouble comes your life will not be shaken So lay a foundation on the rock and dig deeply into the things of God which is normally hidden and above man s scrutiny     **Foundations** Dr. James Ross,2010-07-10 FOUNDATIONS takes an in depth approach to the design and function of ministry and discipleship We find in the modern Church a great need for discipleship and spiritual training Many believers who know to do good struggle in their daily spiritual life as they long for an expression of overcoming faith FOUNDATIONS leads the reader into a meaningful recognition of their place in Christ He is our righteousness and God s grace and goodness leads every saint into a repentant and firm faith There are two kinds of knowledge spoken of in the Bible which are information and application Information is knowledge that puffs up 1 Corinthians 8 1 due to the potential it has to lure people into believing that the more information they have about the Bible the more mature they are Hosea speaks about the second type of knowledge when he wrote My people are destroyed for lack of knowledge He was expressing our need for the application of God s word that is necessary for the salvation of our souls and the impartation of Christ likeness every Christ needs The application of spiritual truth is the key to an overcoming faith and a

renewed mind Because of this FOUNDATIONS offers a functional approach to Discipleship and spiritual training which develops the believer s ability to stand firm in the faith they profess With this in mind Solomon asked God for an understanding heart i e a hearing heart 1 Kings 3 9 because he understood that in order for anyone to be inclined toward wisdom they had to first hear God FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart so they can learn to hear the Holy Spirit in a clarifying way Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit and this is more readily accomplished through the discipleship process and through spiritual growth FOUNDATIONS is an exegetical study that was compiled over twenty eight years of pastoral and ministry experience It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles practices and doctrines found in the Scriptures FOUNDATIONS is a practical tool for the serious disciple and an aid for every Church leader      **UNDERSTANDING**
