Hebrews, James and Jude R. J. Rushdoony, 2009-11-23 There is a resounding call in

Hebrews which we cannot forget without going astray Let us go forth therefore unto him without the camp bearing his reproach 13 13 This is a summons to serve Christ the Redeemer King fully and faithfully without compromise In our time it calls for a break not only with the prevailing culture of humanistic statism and its messianic claims and pretensions but also a wayward church that has made itself the handmaiden to Christ s enemies When James in his epistle says that faith without works is dead he tells us that faith is not a mere matter of words but it is of necessity a matter of life We are dead men if we no longer can breathe and we are spiritually dead if our faith is unaccompanied by works Too many churches are like graveyards because too many members have no living faith Pure religion and undefiled requires Christian charity and action Anything short of this is a self delusion James s letter is a corrective the church needs badly Jude similarly recalls us to Jesus Christ s apostolic commission Remember ye the words which have been spoken before by the apostles of our Lord Jesus Christ v 17 Jude s letter is usually classified as an apocalyptic tract but we cannot forget that all the Bible speaks of a division between fallen and redeemed humanity between the saved and the lost of the necessity for a new creation beginning with us and of the inescapable triumph of the Kingdom of God *Will's Commentary on the New Testament, Volume 10: Hebrews - James* Harold E. McKnight, Christopher Lee Church, 2004-01-01 In his commentary on the Letter to the Hebrews New Testament scholar Edgar McKnight explores the two aspects of Hebrews as covenant the appeal to the perfection and finality of Jesus Christ and the exhortation to faithfulness based on that appeal He also highlights the interpretative strategies of the author strategies that are often strange to modern readers By bringing the ancient text into the world of present readers and to take readers back to the world of Hebrews we are able to frame the author's treatment of the problems of our spiritual ancestors from the perspective of our modern world and problems presented in our pilgrimage In his accompanying commentary on the Letter of James New Testament scholar Christopher Church presents the letter as something of a biblical and historical fossil a surviving representative of a once flourishing Jewish Christianity The Letter of James exposes a form of early Christianity distinct from the Pauline line that later predominated *The New Testament Epistles* Doremus Almy Hayes, 1921 **Hebrews. claim that the Bible cannot be true because it has contradictions. Other critics hear this claim and repeat it. But few bother to check to see if it is really true. A popular list of 439 alleged Bible contradictions has been circulating on the Internet for years. Many critics refer to this list as the definitive proof that the Bible is flawed. But apparently none of them bothered to actually check. Interestingly, not one of these 439 claims is a genuine contradiction. This shows that critics generally do not perform careful scholarship. When critics allege that the Bible has contradictions, Christians should be ready and able to provide an intelligent answer. The idea that people reject the Bible for good intellectual reasons is a myth and it needs to be exposed as such. In the process of researching the biblical text, we learn more about God and His sovereignty throughout human history. The Bible really is supremely accurate and self-consistent. Critics of the Bible are not. Although there are a handful of Christian resources for answering alleged Bible contradictions, none are so expansive in so short a volume. Each answer is as concise as possible so that the book is not overly cumbersome. Many Christians have heard the claim that the Bible has contradictions and they would like to be better equipped to answer the critic. This book is for them.
