With The naturalist's calendar and miscellaneous observations** Gilbert White,1837      **Country Walks of a Naturalist with his children ... Illustrated, etc** William HOUGHTON (M.A., F.L.S.),1869      In Nature's Name Barbara T. Gates,2002-04 From the late eighteenth to the early twentieth century hundreds of British women wrote about and drew from nature Some like the beloved children s author Beatrix Potter who produced natural history about hedgehogs as well as fiction about rabbits are still familiar today But others have all but disappeared from view Barbara Gates recovers these lost works and prints them alongside little known pieces by more famous authors like Potter s field notes on hedgehogs reminding us of better known stories that help set the others in context The works contained in this volume are as varied as the women who produced them They include passionate essays on the protection of animals vivid accounts of travel and adventure from the English seashore to the Indian Alps poetry and fiction and marvelous tales of nature for children Special features of the book include a detailed chronology placing each selection in its historical and literary context biographical sketches of each author s life and works a comprehensive bibliography of primary and secondary literature and over sixty illustrations An ideal introduction to women s powerful and diverse responses to the natural world In Nature s Name will be treasured by anyone interested in natural history women or Victorian and Edwardian Britain      **Transactions of the Edinburgh Field Naturalists' and Microscopical Society** Edinburgh Field Naturalists' and Microscopical Society,1907      Country-side ,1908 Science gossip and Country queries and notes are incorporated with this      *Naturalist* ,1927      **Transactions of the Yorkshire Naturalists' Union** Yorkshire Naturalists' Union,1892      Country Walks of A Naturalist and His Children W. Houghton,2020-07-17 Reproduction of the original Country Walks of A Naturalist and His Children by W Houghton      *The Midland Naturalist* ,1882      The Midland Naturalist Edward W. Badger,William Hillhouse,1882      **Chris Packham's Back Garden Nature Reserve** Chris Packham,2015-02-26 Written by the renowned TV presenter Chris Packham this is a readable practical guide to attracting wildlife to your garden Many of Britain s plants and animals have come to rely upon gardens as an essential lifeline as their natural habitats come under increasing pressure from human activity and global warming This comprehensive book explains the best ways to attract wildlife to gardens and encourage it to stay there Written in a light hearted yet passionate and authoritative style the guide challenges popular notions of weeds and pests and invites gardeners to think again about the choices they make Chris Packham s informative and lively text is complemented by attractive photographs and illustrations that will encourage an interest in the natural world on your doorstep whether your garden is a

rural idyll or an urban window box Chris argues that we have become so spellbound by nature s celebrities tigers pandas and their ilk that we are in danger of overlooking the most exciting species of all those that we can touch smell and observe in our own backyard     *The Irish Naturalist* ,1900     **Second Nature** Susie White,2024-04-11 In a hidden valley tucked into an unspoiled corner of England lies a naturalist s garden that was developed from scratch by award winning gardener and author Susie White with the help of her husband and friends This is the story of how they created a remarkable oasis a place as alive as it is beautiful Susie s vision and passion unfold as she transforms a patch of untended ground into a wildlife friendly haven planted with flowering perennials trees herbs vegetables and a wildflower meadow The spaces teem with life owls and blackbirds bats and mice butterflies and bees all drawn by pollen rich flowers ponds and nesting sites Susie takes us through the planning and construction and how she designed the garden to blend harmoniously with the surrounding environment From the plantings to the structures that provide shelter and habitat every element reflects Susie s commitment to sustainability Her account is filled with inspiration and practical advice for gardeners to learn from as well as her deep appreciation for the natural world and the transformative power of building an outdoor sanctuary for all species to thrive in and enjoy     **Naturalists' Journal and Naturalists' Guide** ,1899     **The Natural History and Antiquities of Selborne** Gilbert White,1853     **The Naturalist** ,1905
