William Desmond

Hegel And Aesthetics Suny Series In Hegelian Studies:

Hegel and Aesthetics William Maker, 2000-05-11 Hegel's Lectures on Aesthetics present a systematic and historical overview of the nature and development of art in light of its meaning and philosophical significance. This book considers Hegel's aesthetics from a variety of perspectives. With a strong and clear introduction by William Maker, the individual essays address Hegel's treatment of music, painting, comedy, and architecture, as well as his earlier writings on art, his relations to Schiller, and to Schlegel, his treatment of romanticism, the place of aesthetics in the system, and his controversial claims about the overcoming of art. Several perspectives focus specifically on the contemporary relevance of Hegel's aesthetics in light of developments in art since his time, and especially in connection with modernism, postmodernism, and deconstruction. Contributors include William Desmond, Brian K. Etter, Andrew G. Fiala, Martin Gammon, Edward Halper, Stephen Houlgate, David Kolb, Stephen C. Law, Judith Norman, Carl Rapp, Jere Surber, and Richard D. Winfield. *Art and the Absolute* William Desmond, 1986-06-30 *Art and the Absolute* restores Hegel's aesthetics to a place of central importance in the Hegelian system. In so doing, it brings Hegel into direct relation with the central thrust of contemporary philosophy. The book draws on the astonishing scope and depths of Hegel's Lectures on Aesthetics, exploring the multifaceted issue of art and the absolute. Why does Hegel ascribe absoluteness to art? What can such absoluteness mean? How does it relate to religion and philosophy? How does Hegel's view of art illuminate the contemporary absence of the absolute? *Art and the Absolute* argues that these aesthetic questions are not mere theoretical conundrums for abstract analysis. It argues that Hegel's understanding of art can provide an indispensable hermeneutic relevant to current controversies. *Art and the Absolute* explores the intricacies of Hegel's aesthetic thought, communicating its contemporary relevance. It shows how, for Hegel, art illuminates the other areas of significant human experience, such as history, religion, politics, and literature. Against traditional, closed views, the result is a challenge to re-read Hegel's aesthetic philosophy. **Hegel and Aesthetics** William Maker, 2000-05-11 Hegel's Lectures on Aesthetics present a systematic and historical overview of the nature and development of art in light of its meaning and philosophical significance. This book considers Hegel's aesthetics from a variety of perspectives. With a strong and clear introduction by William Maker, the individual essays address Hegel's treatment of music, painting, comedy, and architecture, as well as his earlier writings on art, his relations to Schiller, and to Schlegel, his treatment of romanticism, the place of aesthetics in the system, and his controversial claims about the overcoming of art. Several perspectives focus specifically on the contemporary relevance of Hegel's aesthetics in light of developments in art since his time, and especially in connection with modernism, postmodernism, and deconstruction. **Hegel's Theory of Imagination** Jennifer Ann Bates, 2012-02-01 Filling an important gap in post-Kantian philosophy, Hegel's Theory of Imagination focuses on the role of the imagination and resolves the question of its apparent absence in Hegel's Phenomenology of Spirit. Jennifer Ann Bates discusses Hegel's theory of the imagination through the early and late Philosophy of Spirit lectures and reveals that a dialectic between the two sides

of the imagination the night of inwardizing consciousness and the light of externalizing material is essential to thought and community The complexity and depth of Hegel s insights make this book essential reading for anyone seriously interested in understanding how central the imagination is to our every thought *Tragedy and Comedy* Mark William Roche,1998-01-01

The first evaluation and critique of Hegel s theory of tragedy and comedy this book also develops an original theory of both genres **Hegel and His Critics** William Desmond,1989-01-01 This book deals with fundamental problems in Hegel and

with Hegel in relation to Kierkegaard Marx Nietzsche Russell Heidegger Husserl Derrida and Bataille It reveals Hegel s power to provoke both critical and creative thought across the complete spectrum of philosophical questions Between

Transcendence and Historicism Brian K. Etter,2006-06-01 Argues that the concept of the ethical is central to Hegel s philosophy of art **Between Transcendence and Historicism** Brian K. Etter,2006-06-01 Between Transcendence and

Historicism explores Hegel s aesthetics within the larger context of the tradition of theoretical reflection to emphasize its unique ability to account for traditional artistic practice Arguing that the concept of the ethical is central to Hegel s philosophy of art Brian K Etter examines the poverty of modernist aesthetic theories in contrast to the affirmation by Hegel of the necessity of art He focuses on the individual arts in greater detail than is normally done for Hegel s aesthetics and considers how the dual constitution of the ethical nature of art can be justified both within Hegel s own philosophical system and in terms of its relevance to the dilemmas of modern social life Etter concludes that the arts have a responsibility to represent the goodness of existence the ideal and the ethical life in dignifying the metaxological realm through their beauty

Hegel and the Symbolic Mediation of Spirit Kathleen Dow Magnus,2001-08-09 Employs Derrida s critique of Hegel as the impetus for a new understanding of Hegel s concept of spirit *The Moving Text* Garrick V. Allen ,Christopher R.

Brewer,Dennis F. Kinlaw III ,2018-06-30 Drawing upon the pioneering work of the British theologian David Brown who argues for a non static moving text that reaches beyond the biblical canon this volume brings together twelve interdisciplinary essays as well as a response from Brown With essays ranging from New Testament textual criticism to the fiction of David Foster Wallace *The Moving Text* provides an introduction to Brown and the Bible that will be of interest to undergraduate and postgraduate students as well as specialists in a wide range of fields Contributions include Ian Boxall The Catholic University of America From the Magi to Pilate s Wife David Brown Tradition and the Reception of Matthew s Text Robert MacSwain The University of the South David Brown and Eleonore Stump on Biblical Interpretation Aaron Rosen Rocky Mountain College Revisions of Sacrifice Abraham in Art and Interfaith Dialogue Dennis F Kinlaw III Houston Baptist University The Forms of Faith in Contemporary American Fiction **Hip Hop, Hegel, and the Art of Emancipation** Jim

Vernon,2018-07-04 This book argues that Hip Hop s early history in the South Bronx charts a course remarkably similar to the conceptual history of artistic creation presented in Hegel s Lectures on Aesthetics It contends that the resonances between Hegel s account of the trajectory of art in general and the historical shifts in the particular culture of Hip Hop are

both numerous and substantial enough to make us re think not only the nature and import of Hegel's philosophy of art but the origin essence and lesson of Hip Hop As a result the book articulates and defends a unique reading of Hegel's Aesthetics as well as providing a philosophical explanation of the Hip Hop community's transition from total social abandonment to some limited form of social inclusion via the specific mediation of an artistic culture grounded in novel forms of sensible expression Thus the fundamental thesis of this book is that Hegel and Hip Hop are mutually illuminating and when considered in tandem each helps to clarify and reinforce the validity and power of the other

A London Bibliography of the Social Sciences, 1931 Vols 1-4 include material to June 1 1929 Hegel's Theory of Imagination Jennifer Ann Bates, 2004-10-27 A comprehensive account of the role of the imagination in Hegel's philosophy **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles **Eating Beauty** Ann W. Astell, 2016-02-09 The enigmatic link between the natural and artistic beauty that is to be contemplated but not eaten on the one hand and the eucharistic beauty that is both seen with the eyes of faith and eaten on the other intrigues me and inspires this book One cannot ask theological aesthetic questions about the Eucharist without engaging fundamental questions about the relationship between beauty art broadly defined and eating from Eating Beauty In a remarkable book that is at once learned startlingly original and highly personal Ann W Astell explores the ambiguity of the phrase eating beauty The phrase evokes the destruction of beauty the devouring mouth of the grave the mouth of hell To eat beauty is to destroy it Yet in the case of the Eucharist the person of faith who eats the Host is transformed into beauty itself literally incorporated into Christ In this sense Astell explains the Eucharist was productive of an entire way of life a virtuous life form an artwork with Christ himself as the principal artist The Eucharist established for the people of the Middle Ages distinctive schools of sanctity Cistercian Franciscan Dominican and Ignatian whose members were united by the eucharistic sacrament that they received Reading the lives of the saints not primarily as historical documents but as iconic expressions of original artworks fashioned by the eucharistic Christ Astell puts the faceless Host in a dynamic relationship with these icons With the advent of each new spirituality the Christian idea of beauty expanded to include first the marred beauty of the saint and finally that of the church torn by division an anti aesthetic beauty embracing process suffering deformity and disappearance as well as the radiant lightness of the resurrected body This astonishing work of intellectual and religious history is illustrated with telling artistic examples ranging from medieval manuscript illuminations to sculptures by Michelangelo and paintings by Salvador Dalí Astell puts the lives of medieval saints in conversation with modern philosophers as disparate as Simone Weil and G W F Hegel

1994 Massimo Mastrogregori, 2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical

index and indexes of persons and authors American Book Publishing Record ,2005 **Thinking Theologically about the Divine Ideas** Benjamin R. DeSpain,2022-05-16 Thinking Theologically traces Aquinas s subtle grammatical and thematic engagements with the doctrine of the divine ideas throughout the Summa Theologiae This study offers new insights into the contributions of Aquinas s doctrine to debates about eschatology christology providence natural law virtue and creation s participation in the trinitarian life of God It argues that Aquinas adapts the doctrine to support his pedagogical goal of guiding readers from the confession of faith to the wisdom of sacra doctrina In turn this demonstrates that Aquinas s reading of the divine ideas reinforces his understanding of the dynamic exchange between philosophical reasoning and theological inquiry *Stylistics* Richard Dien Winfield,1996-01-01 Presents a systematic theory of the artforms symbolic classical and romantic providing a way of addressing contemporary art and sketching a theory of the individual arts **Being and the Between** William Desmond,1995-01-01 This is the culmination of a systematic metaphysics written by a world class philosopher demonstrating the need for a renewal of metaphysics
