Hegelian Ethics Hegel

Albert A Gayle

Hegelian Ethics Hegel:

The Ethics of Hegel Georg Wilhelm Friedrich Hegel, 1893 Hegelian Ethics William Henry Walsh, 1984 **Hegel's System of Ethical Life and First Philosophy of Spirit** G.W.F. Hegel, 1988-03-04 The first translation into English and the first detailed interpretation of Hegel's *System der Sittlichkeit* 1802/3 and of *Philosophie des Geistes* the two earliest surviving versions of Hegel's social theory Hegel's central concept of the spirit evolved in these two works An 87 page interpretation by Harris precedes the translations **Hegel's Ethical Thought** Allen W. Wood, 1990-11-30 Hegel's philosophy of society politics and history is exposed to ethical debate on human rights the justification of legal punishment criteria of moral responsibility and authority of individual conscience The Ethics of Hegel Georg Wilhelm Friedrich Hegel, 1976-08-01 **Hegel's Ethics of Recognition** Robert R. Williams, 1997 A comprehensive account of Hegel's conception of recognition as the general pattern of ethical life The author explores Hegel's intersubjective concept of spirit and shows how the idea of recognition illumines his understanding of crime morality the family and war *The Philosophy of Hegel* Allen Speight, 2008-01-01 *The Development, Significance, and Some Limitations of Hegel's Ethical Teaching* Wyszcie Shionyu Chang, I. Chang, 1926 **The Ethics of Democracy** Lucio Cortella, 2015-09-08 The legal regulations and formal rules of democracy alone are not enough to hold a society together and govern its processes Yet the irreducible ethical pluralism that characterizes contemporary society seems to make it impossible to impose a single system of values as a source of social cohesion and identity reference In this book Lucio Cortella argues that Hegel's theory of ethical life can provide such a grounding and makes the case through an analysis of Hegel's central political work the *Philosophy of Right* Although Hegel did not support democratic political ends and wrote in a historical and cultural context far removed from the current liberal democratic scene Cortella maintains that the Hegelian theory of ethical life with its emphasis on securing a framework conducive to human freedom nevertheless offers a convincing response to the problem of the ethical uprootedness of contemporary democracy **System of Ethical Life (1802/3) and First Philosophy of Spirit (part III of the System of Speculative Philosophy 1803/4)** Georg Wilhelm Friedrich Hegel, 1979 The first translation into English and the first detailed interpretation of Hegel's *System der Sittlichkeit* 1802/3 and of *Philosophie des Geistes* the two earliest surviving versions of Hegel's social theory Hegel's central concept of the spirit evolved in these two works An 87 page interpretation by Harris precedes the translations Freedom and Tradition in Hegel Thomas A. Lewis, 2005-05-12 *Freedom and Tradition in Hegel* stands at the intersection of three vital currents in contemporary ethics debates over philosophical anthropology and its significance for ethics reevaluations of tradition and modernity and a resurgence of interest in Hegel Thomas A Lewis engages these three streams of thought in light of Hegel's recently published *Vorlesungen ber die Philosophie des Geistes* Drawing extensively on these lectures Lewis addresses an important lacuna in Hegelian scholarship by first providing a systematic analysis of Hegel's philosophical anthropology and then examining its fundamental role in

Hegel's ethical and religious thought Lewis contends that Hegel's anthropology seeks to account for both the ongoing significance of the religious and philosophical traditions in which we are raised and our ability to transcend these traditions Pursuing the implications of the integral role of practice in Hegel's anthropology Lewis argues for a more progressive interpretation of Hegel's ethics and a Hegelian critique of Hegel's most problematic statements on political and social issues Lewis concludes that Hegel offers a powerful strategy for reconciling freedom and tradition This fresh interpretation of Hegel's work provides a challenging new perspective on his ethical and religious thought It will be of significant value to students and scholars in religious studies philosophy and political theory

An Ethical Modernity? ,2020-07-20 An Ethical Modernity investigates the relation between Hegel's doctrine of ethical life *Sittlichkeit* and modernity as a historical category and a philosophical concept In this collection of essays the authors analyze Hegel's theory of ethical life from various perspectives social ontology social practices and beliefs theory of judgment relations between Hegel's theory of ethical life and Kant's ethics Hegel's philosophy of family relation of the modern market to European values the ethos of state and of international relations and Hegel's metaphilosophical commitment to philosophy This volume is of importance to anyone interested in how Hegel's practical philosophy relates to us and our times

Hegel's Philosophy of Right Thom Brooks,2011-12-05 Hegel's Philosophy of Right presents a collection of new essays by leading international philosophers and Hegel scholars that analyze and explore Hegel's key contributions in the areas of ethics politics and the law The most comprehensive collection on Hegel's Philosophy of Right available Features new essays by leading international Hegel interpreters divided in sections of ethics politics and law Presents significant new research on Hegel's Philosophy of Right that will set a new standard for future work on the topic

The Ethical Theory of Hegel Hugh Adam Reyburn,1921

Hegel on Ethics and Politics Robert B. Pippin,Otfried Höffe,2004-03-04 This series makes available in English some important work by German philosophers on major figures in the German philosophical tradition The volumes will provide critical perspectives on philosophers of great significance to the Anglo American philosophical community perspectives that have been largely ignored except by a handful of writers on German philosophy The dissemination of this work will be of enormous value to Anglophone students and scholars of the history of German philosophy This collection brings together in translation the finest post war German language scholarship on Hegel's social and political philosophy concentrating on the Elements of the Philosophy of Right Many of the essays appear in English here for the first time all are translated anew

Hegel's Ethics of Recognition Robert R. Williams,1998-02-10 In this significant contribution to Hegel scholarship Robert Williams develops the most comprehensive account to date of Hegel's concept of recognition *Anerkennung* Fichte introduced the concept of recognition as a presupposition of both Rousseau's social contract and Kant's ethics Williams shows that Hegel appropriated the concept of recognition as the general pattern of his concept of ethical life breaking with natural law theory yet incorporating the Aristotelian view that rights and virtues are possible only within a certain kind of

community He explores Hegel's intersubjective concept of spirit Geist as the product of affirmative mutual recognition and his conception of recognition as the right to have rights Examining Hegel's Jena manuscripts his Philosophy of Right the Phenomenology of Spirit and other works Williams shows how the concept of recognition shapes and illumines Hegel's understandings of crime and punishment morality the family the state sovereignty international relations and war A concluding chapter on the reception and reworking of the concept of recognition by contemporary thinkers including Derrida Levinas and Deleuze demonstrates Hegel's continuing centrality to the philosophical concerns of our age

Hegel: Elements of the Philosophy of Right Georg Wilhelm Friedrich Hegel, 1991-10-25 This book is a translation of a classic work of modern social and political thought Elements of the Philosophy of Right Hegel's last major published work is an attempt to systematize ethical theory natural right the philosophy of law political theory and the sociology of the modern state into the framework of Hegel's philosophy of history Hegel's work has been interpreted in radically different ways influencing many political movements from far right to far left and is widely perceived as central to the communication tradition in modern ethical social and political thought This edition includes extensive editorial material informing the reader of the historical background of Hegel's text and explaining his allusions to Roman law and other sources making use of lecture materials which have only recently become available The new translation is literal readable and consistent and will be informative and scholarly enough to serve the needs of students and specialists alike

Hegel's Conscience Dean Moyar, 2011-04-06 This book provides a new interpretation of the ethical theory of G W F Hegel The aim is not only to give a new interpretation for specialists in German Idealism but also to provide an analysis that makes Hegel's ethics accessible for all scholars working in ethical and political philosophy

Hegel's Political Philosophy Thom Brooks, Sebastian Stein, 2017-05-05 Hegel famously argues that his speculative method is a foundation for claims about socio political reality within a wider philosophical system This systematic approach is thought a superior alternative to all other ways of philosophical thinking Hegel's method and system have normative significance for understanding everything from ethics to the state Hegel's approach has attracted much debate among scholars about key philosophical questions and controversy about his proposed answers to them Is his method and system open to the charge of dogmatism Are his claims about the rationality of monarchy unequal gender relations an unelected second parliamentary chamber and a corporation based economy beyond revision This ground breaking collection of new essays by leading interpreters of Hegel's philosophy is dedicated to the questions that surround Hegel's philosophical method and its relationship to the conclusions of his political philosophy It contributes to the on going debate about the importance of a systematic context for political philosophy the relationship between theoretical and practical philosophy and engages with contemporary discussions about the shape of a rational social order

Modern Freedom Adriaan T Peperzak, 2012-12-06 This book the result of 40 years of Hegel research gives an integral interpretation of G W F Hegel's mature practical philosophy as contained in his textbook Grundlinien der Philosophie des Rechts published

in 1820 and the courses he gave on the same subject between 1817 and 1830
