Dragon's Crown Leah E. Welker,2024-09-20 Two crowns one reign Sarah Lind is now the Queen of Ice With the help she gave the dragon shifter dram as the Moondaughter of prophecy the man she loves and the Six Realms he protects have survived the Devourer s second invasion Yet all is still far from well In the battle s devastating aftermath she and her family are now in exile in the Seventh Realm with Earth cut off from them perhaps forever and the newly invested King of the Six Realms has shut them out Koriben Sunfilled is now the King of Flame Broken beyond measure by his father s ultimate sacrifice to save him he will not risk the one he loves most Sarah doing the same Yet his self imposed hell is slowly killing him even as troubles and dangers mount proving that he and his people need Sarah and her own now more than ever At both their Trees commands Ben and Sarah will have to mourn forgive and heal while learning to be the Monarchs their peoples need and soon For as history has taught them all too well it is one thing to repel a Devourer s invasion and it is quite another to survive the after

Dragon Heir Bundle Ann Gimpel,2021-02-14 Over 900 pages of dystopian fantasy Odin s realm and the Nine Worlds clash with the Celtic gods in an unforgettable trilogy Dragon s Call After her Celtic kin proved too big a bunch of bastards to bother with Rowan sought solace among witches After the Breaking not much was left I assumed it was a case of magic gone bad until I discovered my goddess mother had broken the world She didn t like it that I d turned my back on the pantheon My long tenure among witches rubbed salt into the wound After a confrontation where Mommy Dearest fessed up and lacked the decency to bat an eyelash about the widespread destruction she d caused I was digesting what to do next when a dragon showed up Yes A dragon I was grateful for the help And suspicious as hell Why a dragon Why here and why now More importantly why was he she helping me Part of me didn t want to know and another part was certain I d find out anyway Dragon s Blood After discovering she s half dragon Rowan figures it can t be any worse than being related to the Celts That s the thing about assumptions though They come round and bite you in the ass I d rather fight than study but I m stuck poring over dusty scrolls I promised I d learn about the dragon part of my magic but I m having a hell of a hard time believing there s some concealed strain of power just waiting for me to kindle it Meanwhile my friends the witches are playing fast and loose with remaining hidden My Celtic kin won t bother them anymore at least I don t think they will But far worse things rove Earth than the Celtic gods The Breaking has developed an energy all its own The longer it runs wild the harder it will be to contain Soon very soon no magic in the Nine Worlds will be enough to counteract it Once that happens the few remaining mortals will go first but the rest of us won t be far behind them Dragon s Heir Rowan hasn t made a dent in coming to terms with her black to his bones dragon father when she gets pregnant The dragon child isn t even here yet but everyone s already fighting over his future I m being pulled nine ways at once Brand new mating Brand new pregnancy

Stronger magic than I'm used to. The Nine Worlds are failing. Rot that began on Earth has spread to Vanaheim. Odin knows more than he's telling us and no one has any interest in working together. The only thing everybody has in common is a sudden weird fascination with my baby. The dragons want him raised on Fire Mountain. The Celts want us in Inverloch Castle with them. Hel hasn't weighed in but I bet she'd like to see her grandson in Niflheim where she can dandle him on her knees every day. If it weren't for the catastrophe looming over our heads, Bjorn and I would escape to a distant borderworld and never look back. It's always an option. Good to preserve as many of those as possible. Keep your fingers crossed for me. And my son. See you on the other side.

Dragon's Child Leah E. Welker, 2024-11-20

Two children, one birthright. Nineteen years after the Tree of Ice died to trap the dark Devourer in a time freeze on Earth, Earth has begun to thaw and now Sarah and Ben's grown children must find their destined consorts to help them defeat the Devourer once and for all. Korrien Moontouched is the Heir of Light. As if the pressures of helping his mother and Queen lead their growing clan weren't enough, he and his twin sister have grown up knowing they are the keys to the Devourer's final defeat. To concluding the Battle for Earth which has been frozen in time since before he was born along with the rest of Earth. Yet nineteen years after the battle, Earth's time thaw begins, throwing Rien into the Seven Realms' efforts to secretly protect humanity from their common enemy. The thaw also offers Rien his sole opportunity to find his consort because Rien has to marry a pure human of Ice. But so far, the only young woman to have escaped the time freeze of Earth is nothing like what the logical perfectionist prince had so carefully planned for himself. As feisty and unpredictable as she is pretty and petite, Sierra Knight encapsulates everything Rien finds aggravating and irresistible. Serona Sunfilled is the Heir of Flame. Even so, the bright and bubbling young woman has only three goals in life: One, keep her oh-so-serious twin brother sane. Two, make her beloved papa and King proud. And three, find the mate the Tree of Flame promised her and live happily ever after. Yet things aren't quite that simple. When the Tree of Flame sends Rona to an unknown world in search of her consort, the dragon who awaits her is nothing like she had expected and belongs to the rarest of Powers, one that can only be born from the dying embers of calamity. Suddenly, nothing is as perfect as the sunny princess believed it would be. Though Drevior is as tantalizingly handsome as he is scarred, he returns with her carrying secrets and sorrows and he brings a dire warning of an entirely new threat to the Seven Realms, which he will risk everything, even his life, to deliver. For there are other dark powers besides the Devourer and as the Devourer weakens and its defeat approaches, one of them turns its thirst on the Seven Realms. If the Realms and Earth are to survive the coming days, both Rien and Rona will have to claim their birthright and at last unite all four Powers of Life: Flame, Ice, Light, and Ember in one.
