Heir to a Silent Song Barbara Nimri Aziz, 2001 On the lives and works of Yogam y 1860 1941 and Durga Devi 1918 1973 women social reformers from Nepal **Once upon a Silent Song** A.R. Summers, 2019-08-01 Fins to feet a silenced voice and a villain that must be stopped How much do you really know about The Little Mermaid fairytale As a Siren with a strong Voice Nimue has always looked forward to joining the Protectors and using her Voice to help others But not all is as it seems in the Siryian Sea Her father Varun hates the humans and will stop at nothing to see them destroyed When he orders Nimue to help the other Protectors sink any ship that crosses their borders Nimue puts all her strength into saving a ship and the humans on it despite the odds against her For her defiance Nimue s Voice is taken from her And now she has only two options of getting her Voice back finding True Love s Kiss or convincing her mother to reclaim the throne Not one to believe in true love Nimue puts her hope in her mother But before she makes it very far she is captured by humans sailing in the opposite direction of where she needs to go Forced to stay with them until they make it to land Nimue must rely on her outcast sister to find their mother and set things right Unwilling to give in to her frustrations she finds herself interacting with the humans and feeling drawn to the ship s handsome young captain Although True Love s Kiss starts to look like a valid option as the mutual attraction between Brandt and Nimue grows the strange cultural customs of these islanders clash with her own in a way that may make it impossible Can Nimue convince Brandt to kiss her and free her Voice And if she succeeds will she be willing to pay the price The Once upon a Story series consists of interconnected standalones that can be read in any order Echoes of a Silent Song Amanda Wen, 2025-10-21 A split time romance from an award winning author When a choral composer and conductor falls victim to creative block he resorts to his fallback plan of teaching high school choir Callum Knight s goal at Peterson High is simple rediscover his muse extract himself from teaching and get back to Boston as quickly as possible As the long suffering accompanist at the high school Peterson native Blair Emerson has watched the revolving door of choir directors and their negative impact on her choirs over the last few years She is less than impressed when a disheveled Callum stumbles in on his first day But then they discover an unsigned unfinished and handwritten choral composition by a clear musical genius Blair recalls rumors of Iris a Peterson student from the 1970s who composed music but was found dead during her senior year Blair and Callum work to determine if the piece is hers and the truth they uncover shakes both of them to the core With rhythm and flair Amanda Wen takes readers on an unexpected journey into the depths of a small town s history in this riveting first book in the Melodies and Memories duology **Dispatches From the People's War in Nepal** Li Onesto, 2004-11-20 A Maoist revolution has been raging in Nepal since 1996 In 1999 Li Onesto became the first foreign journalist to travel deep into the guerrilla zones Allowed unprecedented access she interviewed political leaders guerrilla fighters villagers in areas under Maoist control and relatives of those killed by government forces Millions in Nepal now live in areas under guerrilla control Peasants are running grass roots institutions exercising what they

call people's power. Li Onesto describes these transformations: the establishment of new governing committees and courts, the confiscation and re-division of land, new cultural and social practices, and the emergence of a new outlook. Increasingly, the UK and US have directly intervened to provide political and military support to the counter-insurgency efforts of the Nepalese regime. Onesto analyzes this in the context of the broader international situation and the war on terrorism. The Maoist Insurgency in Nepal Mahendra Lawoti, Anup Kumar Pahari, 2009-10-13. The book deals with the dynamics and growth of a violent 21st century communist rebellion initiated in Nepal by the Communist Party of Nepal Maoist (CPN M). It contextualizes and explains why and how a violent Maoist insurgency grew in Nepal after the end of the Cold War, in contrast to the decline of other radical communist movements in most parts of the world. Scholars from diverse disciplinary backgrounds employ a wide variety of approaches and methods to unravel different aspects of the rebellion. Individual chapters analyze the different causes of the insurgency, factors that contributed to its growth, the organization, agency, ideology, and strategies employed by the rebels and the state, and the consequences of the insurgency. New issues are analysed in conjunction with the insurgency, such as the role of the Maoist student organization, Maoist's cultural troupes, the organization and strategies of the People's Army, and the Royal Nepal Army indoctrination and recruitment of rebels, and international factors. Based on original field work and a thorough analysis of empirical data, this book fills an existing gap in academic analyses of the insurgency in Nepal.

Catherine Coulter: The Song Novels 1-6 Catherine Coulter, 2012-04-03. These six novels by the 1 New York Times bestselling author of *The Valcourt Heiress* are filled with all the romance and danger of medieval England and the timeless passions that play out between men and women. **WARRIOR S SONG FIRE SONG EARTH SONG SECRET SONG ROSEHAVEN THE PENWYTH CURSE** **Social Transformation in Post-conflict Nepal** Punam Yadav, 2016-04-28. The concept of social transformation has been increasingly used to study significant political, socio-economic, and cultural changes affected by individuals and groups. This book uses a novel approach from the gender perspective and from bottom up to analyse social transformation in Nepal, a country with a complex traditional structure of caste, class, ethnicity, religion, and regional locality, and the experience of the ten-year People's War (1996-2006). Through extensive interviews with women in post-conflict Nepal, this book analyses the intended and unintended impacts of conflict and traces the transformations in women's understandings of themselves and their positions in public life. It raises important questions for the international community about the inevitable victimization of women during mass violence, but it also identifies positive impacts of armed conflict. The book also discusses how the Maoist insurgency had empowering effects on women. The first study to provide empirical evidence on the relationship between armed conflict and social transformation from gender's perspectives, this book is a major contribution to the field of transitional justice and peacebuilding in post-armed conflict Nepal. It is of interest to academics researching South Asia, Gender, Peace, and Conflict Studies, and Development Studies. Silent Song Paula Lindsay, 1991. *Women, Peace and Security in Nepal* Åshild Kolås, 2017-07-06. This book sheds new light on the important

but diverse roles of women in the decade long civil war in Nepal 1996 2006 and the equally long post conflict reconstruction period 2006 16

Rehearsing for Life Monica Mottin, 2018-03-09 This work examines the production and performance of theatrical activities aimed at bringing about social change in both development and political intervention in Nepal If everyday social problems can be both represented and challenged through drama based performances then what differentiates street theatre performed in planned developments from street theatre performed within social and political movements This multi sited ethnography attempts to answer this question by following the works of Aarohan Theatre a Kathmandu based professional company performing both loktantrik natak theatre for democracy in the context of the 2005 06 popular movement and
