Heirs Together Patricia Gundry, 1999-05-01 **Evangelical Identity and Gendered Family Life** Sally K.

Gallagher, 2003 *Evangelical Identity and Gendered Family Life* provides a sociological and historical analysis of gender family and work among evangelical Protestants In this innovative study Sally Gallagher traces two lines of gender ideals one of husbands authority and leadership the other of mutuality and partnership in marriage from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today Rather than simply reacting against or accommodating themselves to secular society Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender human nature and the person of God The author bases her arguments on an analysis of evangelical family advice literature data from a large national survey and personal interviews with over 300 evangelicals nationwide No other work in this area draws on such a range of data and methodological resources *Evangelical Identity and Gendered Family Life* establishes a standard for future research by locating the sources strategies and meaning of gender within evangelical Protestantism

God, The Devil and Divorce Linda M. Kurth, 2020-11-03 *God The Devil and Divorce* tells the story of a Christian woman s marriage and divorce recovery from her crazymaking spouse and how she learned to trust God along the way How could Linda Moore Kurth s marriage that once seemed so right become so wrong Put downs shaming and distancing grow into habitual emotional abuse Counseling provides glimmers of hope only for that hope to fade She is shocked when her latest Christian counselor tells her If you divorce Satan wins Linda receives a dichotomy of reactions from other Christians for her ultimate decision to leave her marriage Betrayal and heartache bring her to her knees but she clings to the belief that God loves her more than He loved her marriage That belief sustains her as she builds a life of abundant joy An inspirational read for Christians going through divorce and recovery **It's Not about You** Rebecca Florence Osaigbovo, 2010-05 It can hurt to hear someone tell it like it is But sometimes you need to get the truth straight up And the truth is that it s not about you it s about God Maybe you have relied on your own strength for far too long You haven t been able to count on other people so you just do your own thing But God has bigger plans for you God wants to use you to change the world Rebecca Osaigbovo conference speaker and author of *Chosen Vessels* shows how black women can stand up to Satan s lies and face tough problems not in your own strength but by finding God s strength in the midst of your weaknesses She says this to women who want to be the keys to change in their homes churches and communities If you want things to be different then stop going your own way and follow God s lead Lean not on your own understanding and he ll make your paths straight *The Bible Reading of Young Evangelicals* Ruth H. Perrin, 2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the

ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond

Breaking and Mending Mary Lou Redding, 1998 In struggling to make sense of her own painful divorce Mary Lou Redding looked to the Bible where she found guidance and hope Her intimate book weaves her personal story with those from scripture to help other Christians who are facing divorce find God s grace in the midst of pain Breaking and Mending looks at the spiritual issues of divorce rather than the sociological ones and allows the scriptures to illuminate and heal those who are facing this difficult transition For example chapter one deals with broken dreams and uses the story of Hosea and Gomer Later chapters focus on forgiveness breaking old patterns forging a new identity as a single person and searching for healthy relationships Honest and straightforward Redding has written a book which addresses the hard issues of divorce but always with hope in God s unfolding grace
