Bringing Elizabeth Home Ed Smart, Lois Smart, 2003-10-28 At 3 58 in the morning of June 5 2002 Ed and Lois Smart awoke to the sound of their nine year old daughter Mary Katherine s frightened voice She s gone Elizabeth is gone At first they thought she was having a bad dream about her older sister but Mary Katherine s seeming bad dream would quickly

become their worst nightmare Their daughter Elizabeth was gone They were not sure why the media picked up on Elizabeth's story but after their daughter was kidnapped she became the whole world's daughter After nine months of a strange hard sometimes rewarding but mostly painful journey Elizabeth was miraculously returned to them Just as millions throughout the world had grieved for her loss now they celebrated her safe return In Bringing Elizabeth Home Ed and Lois share the pain of every parent's worst fear What would I do if my child was taken from me They also share a story of great hope strong faith and trust in God The Smart family had always been devoted to their Mormon faith but through their terribly painful experience they gained a tremendous inner strength which became the key to their survival They write Having our daughter back home in our arms is nothing short of a miracle It is the ultimate proof that God answers prayers Granted sometimes the answer is not the one we pray for but still it remains an answer We feel truly blessed that He answered our prayers the way we had hoped for although we realize regretfully that this is not always the outcome in kidnapping cases We have met so many families with missing children and we've seen how deep their pain goes But what we hope to convey through our journey of faith and hope is that with a strong belief in God all things are possible Miracles do happen In the end the Smarts story brings one point poignantly home nothing is more important in this world than family Not money Not work Not a fancy new car or an expensive big house Family the prayers of so many friends and strangers and trust in God are what got them through this experience and having survived they have no doubt that they can persevere in any situation as long as those three things are in their lives Though their story is filled with many incredible twists and turns they never lost focus on what was important bringing Elizabeth home
