Unis was the child that everyone loved That boy is so cute Where did he get all that wavy hair from You must have some Indian in your blood said all the women at the church Unis was gifted and could sing like he was on an album by the time he was two By the time he was five he could set a church on fire as he sang and shouted like an old deacon At this time Zonita believed that God had released power upon her son but she would be quickly discouraged when he would get home and carry on with his devilish ways Years pass and Unis grows into a teenager He has a mouth that is very loose He holds back nothing and has respect for no one This will be the time when he finds out that he was deceived by his parents All hell breaks loose and he puts everyone around him through hell He knows how to use his charm to get teachers girlfriends and anyone else on his side He has a plan and doesn't mind pulling others down to carry out the destruction of his mother After he feels that he has done enough to his mother he decides to leave her and make her hurt even more He is not quite grown but decides he was as he goes to stay with some family members that lives in Mississippi He convinces them that his mother never wanted him Being that most of them were lying in wait of juicy gossip about his mother they welcomed him with opened arms Unis has perfected the art of lying Lying was his life Many years would pass and after putting so many people through turmoil Unis tries to turn his life around but he can only see fire He tries to move up but gravity pulls him down He then begins to realize that he has done so much wrong he was headed straight to hell Can you imagine finally deciding that you are ready to change for the better but you have rehearsed being bad for so long you can't push through the fire When those around you kept trying to teach you that all that wrong would catch up with you but you continued to go in the opposite direction Unis was a lot like Zonita only worse being that he was born into a different time Zonita had Big Belle one of the last generations of women with faith of the unseen Although she was rebellious the Word of Life lived through Belle helped her come to her senses As you read this story I want you to think about the condition of the mind What is heaven and what is hell Are we all born into hell Therefore are we all hell bound This is a fiction story and I'm just a writer with a philosophy about life Please enjoy my sequel to I'd Rather Go to Hell Than the Heaven that You're In **The Man who Raised Hell** Richard Sale, 1971

that characterize novels to find a way of distinguishing novels from other discursive wholes and to discriminate different genres of the novel McKeon's arguments are supplemented by readings of a variety of texts including the novels and stories of Gunter Grass John Fowles Robert Coover and Flannery O'Connor A Novel Hope? Bernard Marcus Woodley,2025-06-13 Christians today are often struggling with many of the same theological problems that Victorians were especially regarding hell and the God of love One answer to these questions found in nineteenth century Britain was the seemingly surprising reappearance of the early Christian eschatological theory of universalism the belief that all of humanity will be saved Even though this re emergence has already been acknowledged by scholars of Victorianism its extent has been widely underestimated This book then aims to describe why universalism became an increasingly viable option in a time of growing religious doubt and especially how it established itself in and with the help of the century's fiction not only in the more overtly universalist novels of Gaskell and Anne Bront but also across works ranging from Dickens Gissing Linton and Oliphant all the way to Ward and Wells **Hell's Belles** Jackie Kessler,2008-09-01 This romance of a female demon and the lengths she goes to protect her lover will captivate fans of Sherrilyn Kenyon and Laurell K Hamilton Romantic Times Once upon a time Jezebel was a powerful succubus capable of seducing men and sucking out their souls But that was before Hell put a bounty on her head Now her only chance to escape a fate far worse than death is to live as a mortal losing herself in a sea of unfamiliar humanity in a place where sinners walk hand in hand with saints a place like New York City Working as an exotic dancer is a piece of cake for a former demon who once specialized in sex But she hadn't counted on meeting sexy Paul Hamilton a man haunted by his past Good bye succubus hello lovestruck But Hell hasn't stopped looking for her The secrets Jezebel holds are the most dangerous of all the kind every demon in the Underworld would do their worst to protect Demons are closing in which is enough to make Jezebel shiver in her G string But it's her love for Paul that's going to have deadly consequences Hell's Belles will enchant paranormal fans Romance Reviews Today Had me hooked from the first sentence I'll be reading this one again and again MaryJanice Davidson New York Times bestselling author of the Undead series
