The Witness - A True Story david de Manbey,2018-03-04 It was in the middle of a snow storm in the dead of night when I threw my shovel into a large snow mound and lifted my fist up to God in defiance I was angry with him and tired of life That night he lifted the veil and showed me the reason for my torment a hoard of demons attacking me and my family The unseen was now the seen to me It would be two more years of attacks from these spirits until I was given authority over them by committing my life to Jesus Christ This is a true account of the unbelievable the suffering brought about by these spirits to me and my family and final redemption through Jesus Christ I stand not as a believer of Jesus Christ from reviewing the evidence but as a witness because of what I have seen and experienced that Jesus Christ is exactly who He said He was Blessed are they who believe but have not seen

Life in Christ William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have

Outrageous Truth... Robert Jeffress, 2013-07-24 SEVEN OUTRAGEOUS TRUTHS YOU CAN STILL BELIEVE AND WHY Every other religion is wrong God sends good people to Hell Homosexuality is a perversion Evolution is a myth God is ultimately responsible for suffering in the world Husbands are to lead their families America is a Christian nation In Hell Yes Dr Robert Jeffress issues a bold wakeup call to all believers from college students to grandparents to stop apologizing for and start proclaiming the tough but essential truths that Christians have historically embraced And he provides the finest biblical scientific and historical evidence needed to defend these core beliefs in a culture turned hostile to God s truth Dr Jeffress believes the secular spirit of political correctness is holding the church hostage And the tragic result is that the revolutionary life changing positive message of the Christian faith is being watered down If you are weary of a Christianity that waffles and wavers about controversial issues if you are ready to stand up and compassionately yet forcefully and intelligently say This is what I believe and here s why then this book is for you **Basic Baptist Beliefs**
