Paul Anthony Rahe

Hellanikos Thukydides And The Era Of Kimon:

Hellanikos, Thukydides and the Era of Kimon Johan Henrik Schreiner, 1997 This study examines how in the dispute between Thukydides and Hellanikos scholars have long taken it for granted that the preserved historian was right and the lost one mistaken despite the fact that the Battle of Oinoe for example does not fit into the chronology of Thukydides By restoring the dates recorded by Hellanikos Schreiner asserts that a reliable chronology can be established The first historian to record the period from the Persian Wars to 431 BC was Hellanikos the author of the lost History of Athens from its mythical origins through the fifth century BC He reported there was one war between Athens and Sparta from 431 to 421 and another from 412 to 404 and that the first was caused by contemporary events of the 430s Thukydides writing a monograph on a war he sought to establish as the most disastrous to date criticised Hellanikos as chronologically inaccurate and lacking an appreciation of the impact of a stronger Athens Thukydides asserted that there was only one war beginning in 431 and ending in 404 caused by the growth of Athens following the Persian Wars and the fear that growth inspired in Sparta The book in reviving the text of Hellanikos should encourage scholars of antiquity and military history to re evaluate their interpretations of the era *Sparta's First Attic War* Paul Anthony Rahe, 2019-08-06 A provocative intriguing and cogently argued exploration of the collapse of the Spartan Athenian alliance David Stuttard Classics for All During the Persian Wars Sparta and Athens worked in tandem to defeat what was in terms of relative resources and power the greatest empire in human history For the decade and a half that followed they continued their collaboration until a rift opened and an intense strategic rivalry began In a continuation of his series on ancient Sparta noted historian Paul Rahe examines the grounds for their alliance the reasons for its eventual collapse and the first stage in an enduring conflict that would wreak havoc on Greece for six decades Throughout Rahe argues that the alliance between Sparta and Athens and their eventual rivalry were extensions of their domestic policy and that the grand strategy each articulated in the wake of the Persian Wars and the conflict that arose in due course grew out of the opposed material interests and moral imperatives inherent in their different regimes Praise for the series Persuasive New York Times Book Review Rahe has an excellent eye for military logistics Wall Street Journal **Early Greek Mythography** Robert L. Fowler, 2000 Volume 2 is a detailed commentary on the texts of Early Greek Mythography Volume 1 a critical edition of the twenty nine authors of this genre from the late 6th to early 4th centuries BC Volume 2 provides a mythological commentary of the original works as well as a philological commentary on separate authors **Brill's Companion to Thucydides** Antonis Tsakmakis, Antonios Rengakos, 2006-09-30 This volume on Thucydides the most important historian of the ancient world comprises articles by thirty leading international scholars The contributions cover a wide range of issues including Thucydides life intellectual milieu and predecessors Thucydides and the act of writing his rhetoric historical method and narrative techniques narrative unity in the History the speeches Thucydides reliability as a historian and his legacy through the centuries Other topics dealt with include warfare religion individuals

democracy and oligarchy the invention of political science Thucydides and Athens Sparta Macedonia Thrace Sicily South Italy Persia and the Argives The volume aims to provide a survey of current trends in Thucydidean studies which will be of interest to all students of ancient history Brill's Companion to Thucydides was awarded Choice Outstanding Academic Title 2007

A Tall Order. Writing the Social History of the Ancient World Jean-Jacques Aubert, Zsuzsanna Várhelyi, 2012-06-28 This volume commemorates the 65th birthday of William Vernon Harris on September 13 2003 when a group of his former students agreed to honor him with a collection of essays that would represent the wide variety of interests and influences of our advisor and friend The fifteen papers in fact range chronologically from the first Olympics to late antiquity and discuss various questions of imperialism law economy and religion in the ancient Mediterranean world The essays share a social historical perspective from which they challenge as many commonly accepted notions in ancient history The contributors acknowledge their intellectual debt to the formative scholarly acumen of William V Harris which adds up to the tall order of engaging with his work *The Discovery of Freedom in Ancient Greece* Kurt Raaflaub, 2004-02 Although there is constant conflict over its meanings and limits political freedom itself is considered a fundamental and universal value throughout the modern world For most of human history however this was not the case In this book Kurt Raaflaub asks the essential question when why and under what circumstances did the concept of freedom originate To find out Raaflaub analyses ancient Greek texts from Homer to Thucydides in their social and political contexts Archaic Greece he concludes had little use for the idea of political freedom the concept arose instead during the great confrontation between Greeks and Persians in the early fifth century BCE Raaflaub then examines the relationship of freedom with other concepts such as equality citizenship and law and pursues subsequent uses of the idea often paradoxically as a tool of domination propaganda and ideology Raaflaub's book thus illuminates both the history of ancient Greek society and the evolution of one of humankind's most important values and will be of great interest to anyone who wants to understand the conceptual fabric that still shapes our world views

Pindar and the Cult of Heroes Bruno Currie, 2010-04-29 Pindar and the Cult of Heroes combines a study of Greek culture and religion hero cult with a literary critical study of Pindar's epinician poetry It looks at hero cult generally but focuses especially on heroization in the 5th century BC There are individual chapters on the heroization of war dead of athletes and on the religious treatment of the living in the 5th century Hero cult Bruno Currie argues could be anticipated in different ways in a person's lifetime Epinician poetry too should be interpreted in the light of this cultural context fundamentally this genre explores the patron's religious status The book features extensive studies of Pindar's Pythians 2 3 5 Isthmian 7 and Nemean 7 *1998* Massimo Mastrogregori, 2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification

alphabetically The bibliography contains a geographical index and indexes of persons and authors

Diodorus Siculus, Books 11-12.37.1, 2010-01-01 2007 A Choice Magazine Outstanding Academic Book Sicilian historian Diodorus Siculus ca 100 30 BCE is our only surviving source for a continuous narrative of Greek history from Xerxes invasion to the Wars of the Successors following the death of Alexander the Great Yet this important historian has been consistently denigrated as a mere copyist who slavishly reproduced the works of earlier historians without understanding what he was writing By contrast in this iconoclastic work Peter Green builds a convincing case for Diodorus merits as a historian Through a fresh English translation of a key portion of his multi volume history the so called Bibliothekē or Library and a commentary and notes that refute earlier assessments of Diodorus Green offers a fairer better balanced estimate of this much maligned historian The portion of Diodorus history translated here covers the period 480 431 BCE from the Persian invasion of Greece to the outbreak of the Peloponnesian War This half century known as the Pentekontaetia was the Golden Age of Periclean Athens a time of unprecedented achievement in drama architecture philosophy historiography and the visual arts Green s accompanying notes and commentary revisit longstanding debates about historical inconsistencies in Diodorus work and offer thought provoking new interpretations and conclusions In his masterful introductory essay Green demolishes the traditional view of Diodorus and argues for a thorough critical reappraisal of this synthesizing historian who attempted nothing less than a universal history that begins with the gods of mythology and continues down to the eve of Julius Caesar s Gallic campaigns

Lords of the Sea John R. Hale, 2009-05-14 The epic true story of Themistocles and the Battle of Salamis and a rousing history of the world s first dominant navy and the towering empire it built The Athenian Navy was one of the finest fighting forces in the history of the world It engineered a civilization empowered the world s first democracy and led a band of ordinary citizens on a voyage of discovery that altered the course of history With *Lords of the Sea* renowned archaeologist John R Hale presents for the first time the definitive history of the epic battles the fearsome ships and the men from extraordinary leaders to seductive rogues that established Athens s supremacy With a scholar s insight and a storyteller s flair Hale takes us on an unforgettable voyage with these heroes their turbulent careers and far flung expeditions bringing back to light a forgotten maritime empire and its majestic legacy

Encyclopedia of the Ancient Greek World David Sacks, Oswyn Murray, Lisa R. Brody, 2014-05-14 Discusses the people places and events found in over 2 000 years of Greek civilization

States of Memory David C. Yates, 2019-05-29 The Persian War was one of the most significant events in ancient history It halted Persia s westward expansion inspired the Golden Age of Greece and propelled Athens to the heights of power From the end of the war almost to the end of antiquity the Greeks and later the Romans recalled the battles and heroes of this war with unabated zeal The resulting monuments and narratives have long been used to reconstruct the history of the war itself but they have only recently begun to be used to explore how the conflict was remembered over time *States of Memory* focuses on the initial recollection of the war in the classical period down to the Lamian War 480 322 BCE

Drawing together recent work on memory theory and a wide range of ancient evidence Yates argues that the Greek memory of the war was deeply divided from the outset Despite the panhellenic scope of the conflict the Greeks very rarely recalled the war as Greeks Instead they presented themselves as members of their respective city states What emerged was a tangled web of idiosyncratic stories about the Persian War that competed with each other fiercely throughout the classical period It was not until Philip of Macedonia and Alexander the Great dealt a devastating blow to the very notion of the independent city state at the battle of Chaeronea that anything like a unified memory of the Persian War came to dominate the tradition

Thukydides über die Vergangenheit Antonis Tsakmakis,1995 *Connecting a City to the Sea* David

Conwell,2008-01-31 The Long Walls joining Athens with its harbors are universally recognized as symbols of naval imperialism and the lynchpin of a radical departure from traditional Greek military strategy during the later fifth century B C Nevertheless many important questions about the structures remain disputed or simply neglected As the first comprehensive history of the Long Walls the present study dates each construction phase examines the function of the structures from beginning to end and chronicles their fluctuating viability The analysis is driven by the proposition that the Athenians would not have relied on the walls to the sea when their navy did not control the sea lanes effectively This full consideration of the Long Walls development and strategic prominence over time will enable accurate assessment of their position in Greek military and political history from classical through early Hellenistic times Thukydides Holger Sonnabend,2021-09-30 Studenten der Geschichte am Anfang ihres Studiums der griechischen Sprache und Geschichte werden den gr ten Nutzen aus dieser Einf hrung ziehen k nnen Antonis Tsakmakis Gnomon 81 2009 Mit einem einzigen dazu noch unvollendet gebliebenen Werk hat der Athener Thukydides ca 460 396 v Chr historiographische Ma st be gesetzt Seine Darstellung des Peloponnesischen Krieges zwischen den griechischen Gro m chten Athen und Sparta gilt als Klassiker der wissenschaftlichen Geschichtsschreibung In bewusster Konzentration auf die politischen und milit rischen Ereignisse machte er sich auf die Suche nach Gesetzm igkeiten im Ablauf der Geschichte mit dem erkl rten Ziel der Nachwelt einen Besitz f r immer zu verschaffen Das vorliegende Buch bietet eine komprimierte Pr sentation und Analyse von Leben Werk und Wirkung des ber hmten Historikers Besondere Beachtung findet dabei die eingehende Interpretation einzelner Passagen die geeignet sind wesentliche Aspekte im historisch politischen Denken des Thukydides beispielhaft zu dokumentieren Holger Sonnabend lehrt Alte Geschichte an der Universit t Stuttgart In a single unfinished work the Athenian Thucydides ca 460 396 B C set standards for the writing of history His account of the Peloponnesian war between the Greek powers of Athens and Sparta is considered a classic of scholarly historiography Concentrating deliberately on political and military events he set out to find laws governing the course of history with the stated intention of creating a possession for ever for posterity This book offers a condensed presentation and analysis of the famous historian s life work and influence Particular attention is given to the detailed interpretation of individual passages which exemplify important aspects of Thucydides historical and political

thought Holger Sonnabend teaches Ancient History at the University of Stuttgart Sonnabend's aim in writing this book is to introduce Thucydides to undergraduate and graduate students of history He succeeds admirably and one can only regret the lack of a similar introduction to Thucydides in English Sonnabend's book is economical yet thorough and well informed Both in terms of his example as an interpreter and in terms of the information he chooses to impart Sonnabend provides the most useful introduction to the great historian available Edith Foster Bryn Mawr Classical Review 27 05 2005 **The Journal of Hellenic Studies**, 1999 Vols 1 8 1880 87 plates published separately and numbered I LXXXIII **Journal of Ancient Civilizations**, 1997 *Ancient Greece and Rome* Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally The Classical Review, 1999 Themes, Character, and Politics in Plutarch's Life of Lucullus Manuel Tröster, 2008 The modern image of the Roman aristocrat L Licinius Lucullus cos 74 B C is to a large extent the creation of the Greek biographer Plutarch whose narrative is structured around a number of themes and leitmotifs the protagonist's association with Hellenic culture his luxurious lifestyle and various issues related to his role as a political and military leader In all of these fields the depiction of Lucullus is conditioned not only by Plutarch's interests and emphases but also by the nature of the sources at his disposal Owing to Plutarch's biographical technique and due to the bias of the contrasting traditions underlying his account the protagonist's actions are frequently decontextualised from their contemporary setting Lucullus emerges from this book as an ambitious noble operating within the highly competitive system of Republican politics and seeking to accumulate and to display power and prestige

Adopting the Track of Expression: An Mental Symphony within **Hellanikos Thukydides And The Era Of Kimon**

In a global taken by screens and the ceaseless chatter of immediate interaction, the melodic beauty and mental symphony developed by the published word usually disappear into the back ground, eclipsed by the relentless sound and distractions that permeate our lives. Nevertheless, situated within the pages of **Hellanikos Thukydides And The Era Of Kimon** a stunning fictional treasure brimming with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts viewers on an emotional trip, skillfully unraveling the concealed tunes and profound influence resonating within each cautiously crafted phrase. Within the depths of this touching review, we shall examine the book is main harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Hellanikos Thukydides And The Era Of Kimon Introduction

In the digital age, access to information has become easier than ever before. The ability to download Hellanikos Thukydides And The Era Of Kimon has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hellanikos Thukydides And The Era Of Kimon has opened up a world of possibilities. Downloading Hellanikos Thukydides And The Era Of Kimon provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hellanikos Thukydides And The Era Of Kimon has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hellanikos Thukydides And The Era Of Kimon. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hellanikos Thukydides And The Era Of Kimon. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hellanikos Thukydides And The

Era Of Kimon, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Hellanikos Thukydides And The Era Of Kimon has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Hellanikos Thukydides And The Era Of Kimon Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hellanikos Thukydides And The Era Of Kimon is one of the best book in our library for free trial. We provide copy of Hellanikos Thukydides And The Era Of Kimon in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hellanikos Thukydides And The Era Of Kimon. Where to download Hellanikos Thukydides And The Era Of Kimon online for free? Are you looking for Hellanikos Thukydides And The Era Of Kimon PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Hellanikos Thukydides And The Era Of Kimon. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
