Wandering Poets and Other Essays on Late Greek Literature and Philosophy Alan Cameron, 2016 This book presents radically revised and updated versions of the most important and innovative articles published by Alan Cameron in the field of late antique Greek poetry and philosophy attempting to define pagan and Christian elements in early Byzantine literary culture The longest chapter presents a new account of the closing of the Academy of Athens and a new article discusses recent theories on the date of the epigrammatist Palladas

Iconoclasm from Antiquity to Modernity Kristine Kolrud, Marina Prusac, 2016-12-05 The phenomenon of iconoclasm expressed through hostile actions towards images has occurred in many different cultures throughout history The destruction and mutilation of images is often motivated by a blend of political and religious ideas and beliefs and the distinction between various kinds of iconoclasms is not absolute In order to explore further the long and varied history of iconoclasm the contributors to this volume consider iconoclastic reactions to various types of objects both in the very recent and distant past The majority focus on historical periods but also on history as a backdrop for image troubles of our own day Development over time is a central question in the volume and cross cultural influences are also taken into consideration This broad approach provides a useful comparative perspective both on earlier controversies over images and relevant issues today In the multimedia era increased awareness of the possible consequences of the use of images is of utmost importance

Iconoclasm from Antiquity to Modernity

approaches some of the problems related to the display of particular kinds of images in conflicted societies and the power to decide on the use of visual means of expression It provides a deeper understanding of the mechanisms of the phenomenon of iconoclasm Of interest to a wide group of scholars the contributors draw upon various sources and disciplines including art history cultural history religion and archaeology as well as making use of recent research from within social and political sciences and contemporary events Whilst the texts are addressed primarily to those researching the Western world the volume contains material which will also be of interest to students of the Middle East

The Monastic Landscape of Late Antique Egypt Darlene L. Brooks Hedstrom, 2017-11-27 Darlene L Brooks Hedstrom offers a new history of the field of Egyptian monastic archaeology It is the first study in English to trace how scholars identified a space or site as monastic within the Egyptian landscape and how such identifications impacted perceptions of monasticism Brooks Hedstrom then provides an ecohistory of Egypt's tripartite landscape to offer a reorientation of the perception of the physical landscape She analyzes late antique documentary evidence early monastic literature and ecclesiastical history before turning to the extensive archaeological evidence of Christian monastic settlements In doing so she illustrates the stark differences between idealized monastic landscape and the actual monastic landscape that was urbanized through monastic constructions Drawing upon critical theories in landscape studies materiality and phenomenology Brooks Hedstrom looks at domestic settlements of non monastic and monastic settlements to posit what features makes monastic settlements unique thus offering a new history of monasticism in Egypt

Sacred Games Bernhard Lang, 1997-01-01

Social and Political Life in Late Antiquity - Volume 3.1 William Bowden, Adam Gutteridge, Carlos Machado, 2006-12-31 This book examines a number of themes relating to social and political life in Late Antiquity The first part of the book considers how the powers of the emperor state and civic authorities were expressed in the physical environment and how coinage and material culture were caught up in the political life of the period The second part investigates the middle classes and the poor who are often less visible in archaeological textual and epigraphic records Other articles consider such topics as long term social evolution and the definition of time in Late Antiquity Two extensive bibliographic essays provide an overview of published literature relating to social and political life

Identities in Antiquity Joseph Skinner, Vicky Manolopoulou, Christina Tsouparopoulou, 2025-06-30 Identities in Antiquity is a multi disciplinary platform for the synthetic study of ancient identities set in a more rounded and inclusive notion of antiquity The volume showcases methodological and theoretical approaches to the study of ancient identities by scholars from different disciplinary backgrounds and career stages In doing so it promotes a more holistic approach to the study of ancient identities facilitating comparisons between different periods and disciplines and generating new knowledge in the process Chapters illustrating the intersecting multifaceted and mutable or else highly immutable nature of ancient identities address themes such as ethnicity race gender mobility religion and elite and sub elite identities most notably that of the enslaved in case studies spanning the ancient Mediterranean world and beyond from the third millennium BCE until

the early Middle Ages The volume is suitable for students and scholars working on the Ancient Near East the Graeco Roman Worlds Late Antiquity and Byzantium offering a valuable contribution to the study of past identities and the internal workings of ancient societies *The Archaeology of Byzantine Anatolia* Philipp Niewohner, 2017-03-17 The volume propounds a new understanding of the hitherto enigmatic medievalization of the Roman empire provides English presentations of foreign language research and promises to serve as an essential compendium that may help to establish Anatolian archaeology more widely in academic curricula worldwide **The Quest for a Common Humanity** Katell Berthelot, Matthias Morgenstern, 2011-04-11 This volume explores the development of the idea of a common humanity for all human beings from Antiquity to the present time focussing on the other as neighbour enemy and infidel on the interpretation of the Biblical story of Abraham's sacrifice and on ancient and modern ethical and legal implications of the concept of human dignity *F. C. Baur's Synthesis of Böhme and Hegel* Corneliu Simut, 2014-10-16 In this book Professor Simu shows how Christian theology started to be understood as a Gnostic philosophy of religion in the thought of the 19th century scholar F C Baur Although Baur was seen traditionally as a theologian and biblical exegete Simu argues that he was in fact a philosopher of religion and it was his philosophical reading of Christian theology that informed his biblical preoccupations Specifically Baur's perspective on Christian theology was heavily influenced by Jakob Böhme's esoteric theosophy and Hegel's religious philosophy in some key issues such as creation Lucifer dualism and the connection between spirit and matter coupled with that between philosophy and religion **Recent Research on the Late Antique Countryside** William Bowden, Luke Lavan, Carlos Machado, 2004 A complex picture of differing regional trajectories emerges whilst cultural change is everywhere apparent in phenomena such as Christianisation settlement nucleation and fortification **BOOK JACKET** [The Oxford Handbook of Early Christian Studies](#) Susan Ashbrook Harvey, David G. Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this interdisciplinary field over recent decades As a one volume reference work it provides an introduction to the academic study of early Christianity c 100 600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up to date surveys of current thinking and research in the various sub specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30 50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and post graduate students as well as to specialists in any area who wish to consult a brief review of the state of the question in a particular area or sub specialty of early Christian studies especially one different from their own *Readings in Late Antiquity* Michael Maas, 2000 This

volume seeks to make accessible to students a multiplicity of texts which illuminate the history culture medicine philosophy religion and peoples of late antiquity
