Pragmatics Dawn Archer, Karin Aijmer, Anne Wichmann, 2012. Routledge Applied Linguistics is a series of comprehensive textbooks providing students and researchers with the support they need for advanced study in the core areas of English language and applied linguistics. Each book in the series guides readers through three main sections enabling them to explore and develop major themes within the discipline. Section A Introduction establishes the key terms and concepts and extends readers techniques of analysis through practical application. Section B Extension brings together influential articles sets them in context and discusses their contribution to the field. Section C Exploration builds on knowledge gained in the first two sections setting thoughtful tasks around further illustrative material. This enables readers to engage more actively with the subject matter and encourages them to develop their own research responses. Throughout the book topics are revisited extended interwoven and deconstructed with the reader's understanding strengthened by tasks and follow up questions. Pragmatics provides a broad view of pragmatics from a range of perspectives gathering readings from key names in the discipline including Geoffrey Leech Michael McCarthy Thomas Kohnen Joan Manes and Nessa Wolfson covers a wide variety of topics including speech acts pragmatic markers implicature research methods in pragmatics facework and politeness and prosody examines the social and cultural contexts in which pragmatics occurs such as in cross cultural pragmatics silence indirectness forms of address cultural scripts and pragmatics and power the courtroom police interaction political interviews and doctor patient communication uses a wide range of corpora to provide both illustrative examples and exploratory tasks is supported by a companion website at www.routledge.com/cw/archer featuring extra activities and additional data for analysis guidance on undertaking corpus analysis and research including how to create your own corpus with CMC and suggestions for further reading.
