Ricky Fallon had decided not to kill himself after all moments before accidentally slipping off a bridge and plunging to his death. Now he's a Cupid in the afterlife helping high school students fall in love. The job would be cool if it weren't for the dorky pink bodysuits, his jerky boss, and attacks from joy-sucking shadowy entities called Suicides. When Fallon discovers a dangerous new Suicide in human form, a terrific battle erupts. Before the Suicide can become too powerful, Fallon has to convince his fellow Cupids of the extraordinary threat, protect the girl he's falling for, and foil the Suicides' evil scheme to spread despair to all humanity. Timothy Carter's *Evil* was named to ALA's 2010 Rainbow Project list for GLBTQ Books for Children and Teens. Praise: Full of funny scenes, humorous dialogue, an interesting cast of characters, and plenty of entertainment. Once again, Timothy Carter has penned a winner. CM CANADIAN REVIEW OF MATERIALS *Saving Grace* Ryan Phillips, 2011-07-28. As the only daughter of a successful businesswoman, Grace grew up with nothing but the best. Sheltered by her single mother and educated in an exclusive private school in Detroit, Grace was not ready for the harsh realities of an unforgiving world. Grace's naivete, coupled with her desire to experience life on her own terms, leads her down a path of emotional devastation and physical abuse. Through a chance encounter, Grace meets Mike, a successful design artist who introduces her to a relationship very different from her usual one-night stands and affairs with married men. Things take a turn for the worst, however, when Grace's roommate walks in on her and her married personal trainer in their apartment. This betrayal tears apart Mike and Grace's romance and shatters the trust and friendship between Grace and Trina. In the midst of torn relationships, Grace's mother dies in a tragic plane crash, leaving Grace with no one left to turn to except the God she thought had long since abandoned her. *Into the Maelstrom* David Drake, John Lamshead, 2015-02-16. ENTRY 2 IN CITIZEN SERIES. SEQUEL TO INTO THE HINTERLANDS. Science fiction adventure on the frontier realms of empire, written by biological scientist Dr. John Lamshead and nationally best-selling David Drake. THE RIGHT MAN FOR A VERY BAD JOB. The Cutter Stream colonies were at peace. If everybody behaved reasonably, that peace could last a thousand years. Allen Allenson had known war; it had made him peaceful and reasonable. He was far too experienced to believe the same was true of all his fellow colonists, however, let alone the government of the distant homeworld. Across the Bight War was coming, a war that the colonies had to win if they were ever to be more than prison camps and a dumping ground for incompetent noblemen. The experience that had caused Allenson to hate war made him the only man who could lead the colonial army. Allenson knew that he wasn't really a general, but he understood his fellow colonists better than any homeworld general could. He would free the Cutter Stream, or he would die trying. What Allen Allenson would not do, what he would never do, was quit. At the publisher's request, this title is sold without DRM. Digital
