Escape into Fantasies

Ericka Rogers,2022-08-31 The title is inspired by the author's experiences in life and how she wanted to escape into a world

of fantasy Fantasy in the opinion of the author is a highly functioning imagination which includes extremely vivid pictures In such a fantasy the imagination can run wild to the point where the mind believes the events are true The events in the short stories poems and or quotes are merely 99% imagination leaving 1% truth The title also reflects how the author has reflected on life experiences to the point of how things may have gone or could have occurred from a fantasy perspective Each collection of short stories may have an alternate ending in a future setting The words of the title resemble all our needs to leave the reality that we re living in and escape to our alternate world The fantasy world is one where one can control every aspect and event The book also represents an urban outlook into the world which transitions into a cultural shock of limitless possibilities Some of the limitless possibilities include finding love in taboo interest
