**The Strangely Beautiful Saga** Leanna Renee Hieber,2020-09-01 This discounted ebundle includes Strangely Beautiful Perilous Prophecy and Miss Violet and the Great War Tells a love story with exquisite detail TrueBlood net on Perilous Prophecy Award winning author Leanna Renee Hieber brings to life an exciting romantic gaslamp fantasy in the groundbreaking critically acclaimed Strangely Beautiful saga Set in the Victorian era Strangely Beautiful chronicles the adventures of the Guard ordinary people blessed with the ability to see ghosts heal illness dispel demons and more Despite their weighty tasks they are still human and their lives and loves are inevitably intertwined even as they stand between humanity and all the horrors of the underworld Strangely Beautiful Miss Persephone Parker known as Percy is different with her lustrous snow white hair pearlescent pale skin and uncanny ability to see and communicate with ghosts Seeking to continue her education

Percy has come to the Athens Academy in Queen Victoria's London not knowing that it is the citadel of The Guard. The Victorian Guard, latest incarnation of an ancient order that battles evil in all its forms, is led by Athens professor Alexi Rychman. Percy's lifelong habit of concealment combined with Alexi's fevered search for the Guard's missing seventh member nearly prove disastrous as ancient Greek myths begin playing out in modern gaslit Victorian London. Percy and her new friends and allies must overcome their preconceptions about each other and their own histories before they can set the world to rights.

**Perilous Prophecy** In this enchanting prequel to *Strangely Beautiful*, Cairo in the 1860s is a bustling metropolis where people from all walks of life mix and mingle in complex harmony. When evil ghosts and unquiet spirits stalk the city's streets, the Guard are summoned: six young men and women of different cultures, backgrounds, and faiths, gifted by their Goddess with great powers. While others of the Guard embrace their duties, their leader, British-born Beatrice, is gripped by doubt. What right has she, a bookish, sheltered eighteen-year-old, to lead others into battle? Why isn't dark-eyed, compelling Ibrahim, the one in charge? As ghosts maraud through Cairo's streets heralding a terrible darkness, Beatrice and her Guard have little time to master their powers: a great battle looms as an ancient prophecy roars toward its final, deadly conclusion.

**Miss Violet and the Great War** An adventure full of passion and power. From childhood, Violet Rychman, daughter of Percy and Alexi, has dreamed of a coming war of death and battle on an unimaginable scale. Like her mother, she has seen and heard ghosts who have loved and guided her. Now the future Violet dreamed is coming to pass as World War I rages across Europe. Millions of people are dying, entire villages are disappearing. Violet is nearly overcome when the Muses of antiquity offer her powers greater even than those of her parents or the Guard. The ability to impact people's memories even shape their thoughts. To guide their souls. To pass between the world of the living and that of the dead and to bring others through that passage. Violet must use these gifts in an attempt to stop death itself lest the whole world be destroyed.

*One Unfolding Story* Michael Perham, 2018-06-07 Michael Perham was an influential liturgist and priest who shaped the worship of the Church of England as we know it today This collection brings together the very best of his unpublished writings to offer inspiring reflections on the seasons of the Christian year From Advent to Christ

the King Michael Perham shares his passion for the worship and its ability to draw us into God's presence. He explores how celebrating the life, death, and resurrection of Jesus opens us to growth and to change. This collection includes the last address Michael Perham gave on Ash Wednesday shortly before his death. Rachel Treweek, the succeeding Bishop of Gloucester, provides an introduction. The Water Ball J. David Butler, 2010-10-18. A keen observer of those about him in *The Water Ball*, David captures some of the flavor of the times and places in which he has lived, observed, and experienced life's realities: the good and evil that each person inevitably must face as they travel life's road. **Josh** Ian Smith, 2010-12-04. A series of radio scripts that provide an alternative retelling of the Jesus story with a contemporary storyline that avoids everything familiar. The story of Josh Davidson and his unlikely companions, threatened by a hostile state and corrupt church, has all the essentials but might be unrecognisable as a version of the Gospel narratives. But it's still a ripping yarn in its own right. Copious notes explain the historical and theological background to the plays and how they were written. **The Sphere**, 1922. *Black Snow* Malcolm Stacey, 2017-11-27. When Richard Black and his two children move to Wales, a storm of concentrated evil is unleashed on the seaside town of Tenby. Brutal killings lead to even worse outrages. While an impossibly difficult woman with a mysterious past is also working on it. But Black is no ordinary villain, and his unearthly followers are even stranger. It will take a miracle to save the town. Set against the eerie background of a secret in a Victorian poem, a forbidding mansion, a dark museum, a forgotten crypt, secret passages, hidden treasure, a sinister graveyard, wild woods, an uncanny mist, and violent death, *Black Snow* is a towering tale of relentless suspense you will never forget.
