appeared in fashion magazines the fact remains that they are not your typical fashion photography Even when the women are wearing fashionable clothes the photos are more than mere fashion shots they possess a timeless quality that at first appears inexplicable The women in Newton s photos are mostly placed in settings that transcend the present its impermanence Newton s women also wear clothes undergarments shoes that cannot be assigned to any particular trend in fashion In fact the artist has little interest in fashion at all His chief interest is the female body more than just its curves angles but its language its drama its sexual energy its profundity The Best of Helmut Newton is a collection of his finest work Over 100 photos spanning Newton s career demonstrate his gift for creative poses daringly arranged scenery unique perspectives In this collection are intimate photographs of celebrities such as Jodie Foster Debra Winger Elizabeth Taylor Isabella Rossellini Daryl Hannah many more The Best of Helmut Newton also includes an overview of Newton s career exhibits two essays on his work **Helmut Newton** Helmut Newton,2003 In the 1950s Newton moved to Paris where he continued to astonish clients with his beautiful and provocatively erotic images of women His controversial White Women published in 1976 earned him the titles of King of Kink and Prince of Porn His distinctive visual vocabulary has been widely imitated BOOK JACKET
