Help Im Surrounded By Idiots A Workplace Survival Guide:

Help! I'm Surrounded by Idiots Tom E. Jones, 2004 If you're struggling with personality conflicts, constant miscommunications, someone else's stubbornness or any of the other gremlins that can send a team or player into a tailspin, then this book is for you. From the very first page, Jones discusses sophisticated concepts and complex relationships with water-cooler simplicity that leaves a reader thinking, "yeah, that's what I have to put up with every day." *Help I'm Surrounded by Idiots* tells you in plain, non-consultant-speak English where to start, what to do, and how to continue to create the kind of rapport with colleagues that makes companies great and careers stellar. Gray Matters Bob Rosner, Allan Halcrow, John Lavin, 2004-04-26 An illustrated guide to surviving today's turbulent and challenging workplace from the authors of *The Wall Street Journal* bestseller *The Boss's Survival Guide*. Forget the Australian Outback or the Amazon jungle; today's toughest survival challenge is the minefield we call work. It's impossible to do more with less, especially with the looming threat of another reorganization, layoff, or other dramatic change. The good news is that you've got a new power tool for what ails you at work: *Gray Matters*. This inventive new book combines lively visuals, engaging characters, and impudent humor. But *Gray Matters* also offers hope and proven strategies to show you how to succeed at work today: how to sell successfully, how to survive a layoff, how to overcome the stress and pressure of today's frenetic workplace. Think Dilbert with a solution. Your tour guides are the employees of GlobalGadget: Gray Blanderson, a frazzled employee seeking a promotion; Rick Newman, Gray's nemesis; S.P. Chang, a Gen Xer and a wise soul; and Virginia Edgarly, Gray's boss who will do whatever is required to be the next CEO. A follow-up to the bestseller *The Boss's Survival Guide*, this new book is a must for all managers in this turbulent work environment. This funny guide will help managers navigate change, improve morale, and develop business strategies. WARNING: *Gray Matters* is addictive; get ready to laugh and learn.

Surrounded by Bad Bosses (And Lazy Employees) Thomas Erikson, 2021-08-17 Part of the bestselling *Surrounded by Idiots* series. Internationally bestselling author Thomas Erikson has helped change how the world thinks about behavior using a simple 4-color behavior analysis system. In *Surrounded by Bad Bosses*, he applies that same system to revolutionize the workplace. Everyone has had a bad boss. You might have one right now. You might even be one. Bad bosses are a fact of the workplace, whether they're short-tempered, unclear about expectations, or too disorganized to manage so much as a stapler. But how do you not only survive a difficult boss but help your career thrive despite them? By identifying your boss's behavior profile, you'll be better able to interact with them, no matter what the situation. Erikson offers example stories and concrete steps to help you thrive in any work situation. Of course, much as we love to blame our bosses, sometimes management isn't the problem at all. For every bad boss, there is also a lazy employee, so Erikson also looks at the issue from a completely different perspective: employees themselves. He explores why some colleagues frequently underachieve and what you can do to change this if you're the boss. Written with Erikson's signature humor and warmth, *Surrounded by Bad Bosses And Lazy Employees* will help you deal with
