European Emergence Time Frame:

The European Emergence, 1989-01-01 Describes the growth of Europe during the sixteenth century **Time Frame AD 1500-1600: The European Emergence**, *The European Emergence* Time-Life Books, 1989 Describes the growth of Europe during the sixteenth century **Diagnosis-Related Groups In Europe: Moving Towards Transparency, Efficiency And Quality In Hospitals** Busse, Reinhard, Geissler, Alexander, Quentin, Wilm, 2011-11-01 Summary The volumes in the European Observatory on Health Systems and Policies series focus on key issues for health policy making in Europe This book is a joint venture between the WHO EO and the EuroDRG which addresses the challenges of using Diagnosis Related Group systems in Europe *Integrating Ecohydraulics in River Restoration* José Maria Santos, Isabel Boavida, 2020-03-16 Rivers have been intensively degraded due to increasing anthropogenic impacts from a growing population in a continuously developing world Accordingly most rivers suffer from pressures as a result of increasing dam and weir construction habitat degradation flow regulation water pollution abstraction and the spread of invasive species Science based knowledge regarding solutions to counteract the effects of river degradation and melding principles of aquatic ecology and engineering hydraulics is thus urgently needed to guide present and future river restoration actions This Special Issue gathers a coherent set of studies from different geographic contexts on fundamental and applied research regarding the integration of ecohydraulics in river restoration ranging from field studies to laboratory experiments that can be applied to real world challenges It contains 13 original papers covering ecohydraulic issues such as river restoration technologies sustainable hydropower fish passage designs and operational criteria and habitat modeling All papers were reviewed by international experts in ecology hydraulics aquatic biology engineering geomorphology and hydrology The papers herein well represent the wide applicability of ecohydraulics in river restoration and serve as a basis to improve current knowledge and management and to reduce arguments between different interests and opinions **EBOOK: Diagnosis-Related Groups in Europe: Moving towards transparency, efficiency and quality in hospitals** Reinhard Busse, Alexander Geissler, Wilm Quentin, Miriam Wiley, 2011-11-16 Diagnosis Related Group DRG systems were introduced in Europe to increase the transparency of services provided by hospitals and to incentivise greater efficiency in the use of resources invested in acute hospitals In many countries these systems were also designed to contribute to improving or at least protecting the quality of care After more than a decade of experience with using DRGs in Europe this book considers whether the extensive use of DRGs has contributed towards achieving these objectives Written by authors with extensive experience of these systems this book is a product of the EuroDRG project and constitutes an important resource for health policy makers and researchers from Europe and beyond The book is intended to contribute to the emergence of a common language that will facilitate communication between researchers and policy makers interested in improving the functioning and resourcing of the acute hospital sector The book includes A clearly structured introduction to the main building blocks of DRG systems An overview

of key issues related to DRGs including their impact on efficiency quality unintended effects and technological innovation in health care 12 country chapters Austria England Estonia Finland France Germany Ireland the Netherlands Poland Portugal Spain and Sweden Clearly structured and detailed information about the most important DRG system characteristics in each of these countries Useful insights for countries and regions in Europe and beyond interested in introducing extending and or optimising DRG systems within the hospital sector

The Emergence of EU Contract Law Lucinda Miller, 2011-09-22 The emergence of an EU contract law is one of the most significant legal developments in Europe today Exploring the origins and evolution of the discipline from the Sales Directive to the Common Frame of Reference the book advances a framework for the further harmonization of contract law that embraces diversity and pluralism

Ordering America William H. Young, 2010 Ordering America painting a felicitous portrait of Western civilization shows that its defining ideals rooted in man's common human nature a perception newly substantiated by modern evolutionary psychology were best fulfilled by realization of the American founding order Twentieth century progressivism and postmodern multiculturalism detoured America down the way of social constructionism human nature and equality are produced by culture and the state through groups The book sets a course to revive the Western ideals and return to an opportune center right American order applying latest scientific insights and restoring individual responsibility and reciprocity under more limited still energetic government befitting our century

The Time of European Governance Magnus Ekengren, 2002 A study of the impact of European governance on the time of national policymakers and institutions A theoretical approach to the changing demands of policy planning as the focus shifts to the present and new demands and rhythms influence European decision making

Sir Walter Raleigh Hal Marcovitz, 2013-10 Sir Walter Raleigh was a man of action

The Antitrust Revolution in Europe Lee McGowan, 2010-01-01 Lee McGowan's authoritative book is a very welcome addition to the literature on developments in European antitrust It focuses primarily on EU supranational cartel policy providing a fascinating critical account of why policy developed as it has and of its effectiveness in detecting punishing and deterring cartelists to the present With its emphasis on institutional structures and decision making processes and its use of examples the book will be an invaluable reference for political scientists and should also attract a wide readership among economists and lawyers Eleanor J Morgan University of Bath UK

European Homeland Security Christian Kaunert, Sarah Léonard, Patryk Pawlak, 2012-05-04 This book examines the processes and factors shaping the development of homeland security policies in the European Union EU within the wider context of European integration The EU functions in a complex security environment with perceived security threats from Islamist terrorists migration and border security issues and environmental problems In order to deal with these the EU has undertaken a number of actions including the adoption of the European Security Strategy in 2003 the Information Management Strategy of 2009 and the Internal Security Strategy of 2010 However despite such efforts to achieve a more concerted European action in the field of security there are still many questions to be answered about whether the European

approach is really a strategic one European Homeland Security addresses two major debates in relation to the development of homeland security in Europe First it reflects on the absence of homeland security in European political debate and its potential consequences Second it examines the significant policy developments in the EU that suggest the influence of homeland security ideas notably through policy transfer from the United States The book will be of great interest to students of European security and EU politics terrorism and counter terrorism security studies and IR Security and Strategy in the New Europe Colin McInnes, 2002-09-11 The thawing of the Cold War has brought new concerns over the nature of European security to the fore and uncovered major differences in the approaches of individual states to changed circumstances This book clarifies the options for a new European security order and contribute to the growing debate It adopts a medium term analytical approach and uses a three tier format covering the nature and structure of security and the security implications of Europe's resurgent nationalism security strategy with particular reference to the NATO perspective and to the European Community and the distinctive security concerns of individual states It looks at both Eastern and Western Europe and at the Soviet Union and it analyses the role of the United States in European security The thawing of the Cold War has brought new concerns over the nature of European security to the fore and uncovered major differences in the approaches of individual states to changed circumstances *Reparations and the Human* David L. Eng, 2025-03-21 The Holocaust and the atomic bombings of Hiroshima and Nagasaki invoked in graphic terms the specter of total human destruction In response a new international order of reparations and human rights arose from the ashes of World War II This legal regime sought to subrogate the sovereignty of the nation state in order to defend the sovereignty of the human being While the Holocaust's history is settled Nazis were perpetrators and Jews were victims there remains little historical consensus as to the victims and perpetrators of the atomic bombings In *Reparations and the Human* David L Eng investigates a history of reparations across the Transpacific He analyzes how concepts of reparation established during colonial settlement and the European Enlightenment shape contemporary configurations of the human and human rights determining who can be recognized as victims who must be seen as perpetrators and who deserves repair As demands for reparations now occupy center stage in debates concerning unresolved legacies of dispossession and Transatlantic slavery Eng considers how the Cold War Transpacific provides a limit case for the politics of repair and definitions of the human **Early Modern Religious Communities in East-Central Europe** István Keul, 2009 Conceived as another chapter in the European history of religions *Europäische Religionsgeschichte* this book deals with the intense dynamics of the overlapping political ethnic and denominational constellations in Reformation and post Reformation Transylvania Navigating along multiple narrative tracks and attempting to treat the religious history of an entire region over a limited time period in a differentiated polyfocal way the book represents a departure from the master narratives of any singularly oriented religious history At the same time the present work seeks to contribute to laying the groundwork at the micro and meso contextual level of East Central European

confessionalization processes and to developing interpretive models for these processes in the region **Differentiation and Dominance in Europe's Poly-Crises** Jozef Bátora, John Erik Fossum, 2024-05-15 Against the backdrop of a more differentiated European Union this book discusses the relationship between differentiation and domination in the EU in relation to how it has been transformed through the financial and refugee crises the COVID 19 pandemic the Russian invasion of Ukraine and in general a more volatile and less rule bound global context In doing so it assesses to what extent these adaptations represent significant change generating new problems and challenges or on the other hand providing an opportunity for new solutions or even signalling a new approach to governance that can mitigate problems associated with domination Differentiation is discussed not only from a legal perspective but with special attention to structural and institutional arrangements which includes patterns of path dependence and built in biases This book will be of key interest to scholars and students of public sector crisis management international organisations and EU politics and studies **Astrological Crosses in Relationships** Pauline Edward, 2002 For the first time ever here is an astrology book that focuses on astrological crosses the cardinal fixed and mutable aspects of the signs of the zodiac and their impact on people's lives behavior actions and motivations Crosses are so important to truly understanding a chart that you will wonder how you ever completed an astrological analysis without this essential component Astrological Crosses in Relationships explores the strengths and challenges of each cross using many real life stories taken from the author's consulting practice Crosses revealed in the birth chart provide the best clue to personal energy style Cardinal energy dreams and initiates Fixed energy desires and creates Mutable energy communicates and analyzes With this innovative guide you can learn to identify crosses in everyday life experiences mend star crossed relationships and balance a lack or overemphasis of crosses in your birth chart This is a Print on Demand title Please allow an additional 2-3 days for delivery **Contemporary Family Lifestyles in Central and Western Europe** Blahoslav Kraus, Leona Stašová, Iva Junová, 2020-12-14 This open access book brings together a unique set of comparative data from Western and Central Europe on how contemporary families live and discusses the similarities and differences in family lifestyles in this region The empirical data comes from the authors' original research derived from adult representatives of families with children in the Czech Republic Germany Latvia Poland Slovakia and Ukraine The authors compare and interpret information on the social and economic situation of families expressed satisfaction in their lifestyles and leisure and media in the everyday life of families Overall the authors bring into the discussion both current knowledge and original empirical data on families and contribute to literature on the sociology of the family particularly in Europe This book is useful to researchers and students interested in family issues along with professionals in the field of family care and social policy **The Europeanization of Europe: Europe's Cultural Identity in the Context of the Integration Processes** Piotr Mazurkiewicz, 2025-09-11 A Bolivian working in Warsaw for many years decided to apply for Polish citizenship He was asked only one question at the migration office whether he ate sauerkraut hunters stew and fermented

dill cucumbers in brine You know he said later for many years I was not able to swallow it but recently I forced myself and was able to honestly answer yes Cuisine no doubt is one of the elements of national culture The question however was not just about cuisine but about belonging to a national community that this man found worthy of such a sacrifice Europe is called the continent of culture In the book Piotr Mazurkiewicz engages in a reflection on what constitutes the hard core of this culture which allows us to call ourselves Europeans Europeanisation and the Transformation of EU Security Policy Petros Violakis, 2018-05-15 The aim of this study is to examine the extent to which the end of the Cold War led to Europeanisation in the Common Security and Defence Policy CSDP The analysis takes into consideration previous studies on Europeanisation and its impact on the transformation of national security and defence and attempts to account for the development of Europeanisation and related mechanisms These mechanisms which have been described as framing mechanisms and negative integration incorporate all the major relevant factors identified here i e a common Strategic Culture new security identity domestic political decision making industrial base and defence spending decline that contributed to the realisation of the CSDP The relevance of these factors for CSDP Europeanisation is examined through an historical and empirical analysis and the relationship between the CSDP and North Atlantic Treaty Organization NATO is also explored This approach facilitates analysis of the debate concerning the emergence of the CSDP and throws light on the political shift that led European Union EU leaders to support the CSDP Another aspect of this study is the empirical examination of the dynamics and limitations of the European defence sector The changes which took place in this sector facilitated the emergence of the CSDP and are therefore analysed in the light of globalisation issues economies of scale economic crises military autonomy new security strategy and Research and Development R D impact This book will be of interest to students of European security EU politics defence studies and International Relations
