

Europes Green Ring

Hilary Tovey, Perry Share

Europe's Green Ring:

Europe's Green Ring Leo Granberg, Imre Kovách, 2017-07-05 Around the fringe of Europe lies a green ring of countries which have followed different pathways into modernity from the industrial core of the continent and have until recently been characterized by a strong agrarian presence in their politics economy and culture This book brings together case studies from both the post socialist countries and EU member states which make up the green ring to compare experiences of rural and agricultural groups It provides a fascinating opportunity to identify similarities and contrasts in the ways in which these countries have managed their rural areas when faced with the challenges set by industrialization political integration and globalization The book focuses on agrarian transformation as de and sometimes re peasantization referring to the changing economic social cultural and political positions of farmers and food production workers It also problematizes the standard rural models and opens up discussion of the problems these models pose for the farmers of the green ring countries

Europe's Green Ring Leo Granberg, Imre Kovách, 2017-07-13 Around the fringe of Europe lies a green ring of countries which have followed different pathways into modernity from the industrial core of the continent and have until recently been characterized by a strong agrarian presence in their politics economy and culture This book brings together case studies from both the post socialist countries and EU member states which make up the green ring to compare experiences of rural and agricultural groups It provides a fascinating opportunity to identify similarities and contrasts in the ways in which these countries have managed their rural areas when faced with the challenges set by industrialization political integration and globalization The book focuses on agrarian transformation as de and sometimes re peasantization referring to the changing economic social cultural and political positions of farmers and food production workers It also problematizes the standard rural models and opens up discussion of the problems these models pose for the farmers of the green ring countries

The Routledge History Handbook of Central and Eastern Europe in the Twentieth Century Włodzimierz Borodziej, Stanislav Holubec, Joachim von Puttkamer, 2020-04-21 Challenges of Modernity offers a broad account

of the social and economic history of Central and Eastern Europe in the twentieth century and asks critical questions about the structure and experience of modernity in different contexts and periods This volume focuses on central questions such as How did the various aspects of modernity manifest themselves in the region and what were their limits How was the multifaceted transition from a mainly agrarian to an industrial and post industrial society experienced and perceived by historical subjects Did Central and Eastern Europe in fact approximate its dream of modernity in the twentieth century despite all the reversals detours and third way visions Structured chronologically and taking a comparative approach a range of international contributors combine a focus on the overarching problems of the region with a discussion of individual countries and societies offering the reader a comprehensive nuanced survey of the social and economic history of this complex region in the recent past The first in a four volume set on Central and Eastern Europe in the twentieth century it is the go to resource for those interested in the challenges of modernity faced by this dynamic region **Agriculture in**

Mediterranean Europe Dionisio Ortiz Miranda, Eladio Vicente Arnalte Alegre, Ana Maria Moragues Faus, 2013-06-25 This volume illustrates and deepens the understanding of current agrarian dynamics developing in Mediterranean countries in the light of recent theoretical contributions The book compiles and analyses a set of Mediterranean case studies that show the range of transformations shaping contemporary agriculture in Southern Europe **Young People in Rural Areas of**

Europe Birgit Jentsch, 2017-07-05 Based on a two year European research project on policies and young people in rural development this edited volume examines these issues and compares young people s experiences of rural life in the UK Ireland Finland France Germany Austria and Portugal It reviews relevant policies and highlights not only the pressures on young people in rural areas but also what might be done to address these issues **A Sociology of Ireland** Hilary

Tovey, Perry Share, 2003 Reflects recent social developments with new chapters on Civil Society Popular Culture and Everyday Life Has a strong central argument related to the nature of Irish society Looks at Ireland s positioning in a globalising world Considers a wide range of aspects of the social structure and culture Written in an accessible and interesting style Includes a comprehensive bibliography of Irish and overseas references Suitable for Sociology courses in Irish universities and Institutes of Technology at both undergraduate and postgraduate level including general arts programmes applied social studies social studies social work *The Evolution of European Identities* Graham Day, Robert

Miller, 2012-06-29 The European project is in a state of perpetual crisis in which the root cause is a lack of identification by ordinary citizens with Europe and European institutions The Evolution of European Identities employs state of the art analysis of in depth interviews by renowned practitioners to give a unique bottoms up perspective on the development or its lack of a sense of European mental space Linking conceptual findings with case studies the book provides unique insights into groups that have been especially sensitized by their life experiences to question what it means to be European in the twenty first century The groups explored in this book include adults who experienced European education exchanges when

young transnational workers civil society organization activists persons involved in cross border intimate relationships
 farmers who are subject to European markets regulations and subsidies and migrants into fortress Europe *Naming Food After Places* Apostolos G. Papadopoulos, Maria Fonte, 2016-04-29 Bringing together a range of case studies from Ireland Scotland Sweden Germany Norway Poland Italy Portugal Spain and Greece this book compares and contrasts different models of food re localization The richness and complexity of the international case studies provide a broad understanding of the characteristics of the re localization movement while the analysis of knowledge forms and dynamics provides an innovative new theoretical approach Each of the national teams work on the basis of an agreed common framework resulting in a strongly coherent and comprehensive continental overview This shows how the actors involved are pursuing their objectives in different regional and national contexts re embedding socially and ecologically the relation between food production consumption and places **Handbook of Rural Studies** Paul Cloke, Terry Marsden, Patrick Mooney, 2006-01-26 This is a unique interpretation of rural issues that will become essential reference for students scholars politicians developers and rural activists Imre Kovach President European Society for Rural Sociology Research director Institute for Political Sciences Budapest **Peri-urban futures: Scenarios and models for land use change in Europe** Kjell Nilsson, Stephan Pauleit, Simon Bell, Carmen Aalbers, Thomas A. Sick Nielsen, 2013-02-05 Presently peri urbanisation is one of the most pervasive processes of land use change in Europe with strong impacts on both the environment and quality of life It is a matter of great urgency to determine strategies and tools in support of sustainable development The book synthesizes the results of PLUREL a large European Commission funded research project 2007 2010 Tools and strategies of PLUREL address main challenges of managing land use in peri urban areas These results are presented and illustrated by means of 7 case studies which are at the core of the book This volume presents a novel future oriented approach to the planning and management of peri urban areas with a main focus on scenarios and sustainability impact analysis The research is unique in that it focuses on the future by linking quantitative scenario modeling and sustainability impact analysis with qualitative and in depth analysis of regional strategies as well as including a study at European level with case study work also involving a Chinese case study *Europe's Living Landscapes* Bas Pedrolí, Anne van Doorn, Geert de Blust, 2014-12-22 This book is the result of three symposia of the Dutch Society for Landscape Ecology The first symposium in 2005 was about the National Ecological Network in the Netherlands The reason was that the implementation of the NEN decided upon in 1990 was halfway The second symposium in 2006 was about urban ecology and the third one to be held in 2007 will be about civil infrastructure This book does not cover the conferences completely and new contributions are added The three themes are important contexts in which landscape ecologists do their research and apply their knowledge and skills Of course there are many more subjects to hold conferences about for example climate change urbanisation agriculture landscape ecology itself etc The focus of the conferences is on the Netherlands with its urbanisation intensive land use and water management as

characteristic features Although many WLO members do their work abroad or in an international context these conferences offer a window on what happens in the Dutch context The experiences may be of value for other contexts and that is why we present the results in English The selected themes and the focus on the Dutch context are serious demarcations of what landscape ecology in the Netherlands is all about The book does not represent all research and applications of landscape ecology

Fertile Links? Connections Between Tourism Activities, Socioeconomic Contexts and Local Development Antonio Raschi, Elisabete Figueiredo, 2013 In many European regions rural areas are facing major challenges in economic and social terms consequence of transformations in the role and meaning of agriculture The loss of the productive character strongly contributed to the emergence of new roles and functions particularly related to leisure and tourism The book aims to discuss questions directly related to the connections between rural tourism and local socioeconomic contexts presenting diverse theoretical and methodological perspectives and different case studies from various European regions The book addresses the relationships among rural tourism and the complex interactions conflicts and innovative processes developing in rural territories as consequence of the implementation of tourism activities The book responds to some relevant and not yet comprehensively researched aspects within this topic especially in what extent tourism in its various forms and processes might give an important contribution to rural development

International Perspectives on Rural Homelessness Paul Cloke, Paul Milbourne, 2013-03-22 Drawing on recent academic studies in North America Europe Australia and New Zealand this book is the first international text on homelessness in rural areas Consisting of fifteen specially commissioned chapters International Perspectives on Rural Homelessness provides comparative material on the cultural political and policy contexts of rural homelessness examining the nature and scale of the issue and the complex local geographies of rural homelessness

Power and Gender in European Rural Development Henk de Haan, 2017-11-28 Since the early 1990s new public and private actors emphasizing issues such as landscape nature environment and food safety have challenged EU rural development policies This book looks at this innovative framework and in particular the impacts of the interactions between established interests and newcomers in local power relations Specific attention has been given to the gendered nature of these processes Case studies from throughout Western Europe analyze local rural power relations and present overviews of the significance of rural gender relations The book demonstrates that traditional and new forms of social organization in rural areas create new forms of political participation Changing forms of social capital and political participation not only influence the relation between state and civil society but also male female relationships The book argues that the dynamics of these gendered power relations produce competing discourses which can often hinder policy making and implementation

Rural Sustainable Development in the Knowledge Society Hilary Tovey, 2016-04-08 Based on the EU funded CORASON research project this volume brings together and compares studies into rural and sustainable development processes in 12 European countries In doing so it identifies key trends and reveals the changing nature of development processes on the way

towards a knowledge society The book examines the differences between the preconditions and contexts relevant to rural development strategies and those relevant to sustainable development strategies It explores whether the concept goals and nature of rural development is better understood and adopted by rural actors than those of sustainable development Finally by focusing on the ideas and practices of sustainable resource management a component in both rural and sustainable development objectives it links with knowledge used by actors involved in rural development

Mapping the Rural Problem in the Baltic Countryside Ilkka Alanen, 2017-11-30 The agricultural privatization strategy adopted in Estonia Latvia and Lithuania was based on the premise that family farms are the most effective alternative to socialist large scale agriculture In addition international organizations particularly the World Bank made recommendations concerning reform speed synchronization and ownership rights that would facilitate transferring resources from large scale producers to family farmers This book provides a critical and comparative analysis of the implementation of this policy and in particular the strategy promoted by the World Bank The preservation of large scale production is the key to Estonia s success while its eradication from Latvia and Lithuania did not produce a family farm system Work productivity and the extent of plot farming are the indicators of success or failure Research findings on deindustrialization the hardships faced by new enterprises rural tourism increasing poverty and problems in the civil society as presented in this book shed new light on these and other key issues in transition strategy

Entrepreneurial Opportunities in Disadvantaged Rural Communities Apostolopoulos, Sotiris, Paunovic, Ivan, Macaulay, Bobby, Kakouris, Alexandros, 2025-04-22 Entrepreneurial opportunities in disadvantaged rural communities offer a path to economic development reduced poverty and sustainable growth in areas often overlooked by traditional industries These communities though facing challenges such as limited access to resources and infrastructure have untapped potential By fostering innovative solutions entrepreneurs can address pressing issues such as food security employment and education while creating values that benefit both the community and the economy Supporting rural entrepreneurship through tailored policies technology access and capacity building can empower individuals to take ownership of their future and create resilient self sustaining enterprises Further research may highlight areas overlooked by current support programs Entrepreneurial Opportunities in Disadvantaged Rural Communities explores the economic social and environmental sustainability of enterprises in disadvantaged rural contexts It focuses on identifying and cultivating entrepreneurial opportunities that are economically viable and socially and environmentally responsible offering a path towards a more inclusive and equitable rural economy

Real-World Tools and Scenarios for Entrepreneurship Exploration Masouras, Andreas, Anastasiadou, Sofia, Constantelou, Anastasia, Apostolopoulos, Sotiris, 2024-10-25 Entrepreneurship a dynamic force driving economic growth and innovation faces multifaceted challenges in today s global landscape Small firms vital for economic diversity and innovation need more resources and technological capabilities to compete with larger enterprises Moreover the rapid pace of technological advancement while offering growth opportunities

also presents complexities in adoption and integration Cultural regulatory and institutional differences further compound these challenges hindering entrepreneurial success and regional development Real World Tools and Scenarios for Entrepreneurship Exploration offers a comprehensive solution to the complexity entrepreneurs and small businesses face The book equips readers with the latest trends and insights into entrepreneurial practices worldwide by presenting real world scenarios Through comparative analyses it provides a deep understanding of the institutional frameworks impacting entrepreneurship and offers strategies for overcoming technological burdens The book also delves into the psychology of successful entrepreneurs fostering an entrepreneurial mindset crucial for navigating challenges and seizing opportunities

Diversity, Innovation and Clusters Irène Bernhard,Urban Gråsjö,Charlie Karlsson,2020-05-29 Increased emphasis on the links between regional diversity and regional knowledge innovation and entrepreneurship highlights the need for a focus on the spatial aspects of these multifaceted dynamic relationships in order to improve our understanding By means of a conceptual approach this timely book illustrates the links between innovation and economic development through the role of space This thought provoking book addresses the questions regarding diversity innovation and clusters that require further investigation and analysis

Europes Green Ring Introduction

In todays digital age, the availability of Europes Green Ring books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Europes Green Ring books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Europes Green Ring books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Europes Green Ring versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Europes Green Ring books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Europes Green Ring books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Europes Green Ring books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Europes Green Ring books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Europes Green Ring books and manuals for download and embark on your journey of knowledge?

FAQs About Europes Green Ring Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
