Haviaras,2021-05-17 Long ago when gods and heroes walked the earth in triumph and tragedy true love and epic deeds were set among the stars In the ancient land of Greece at a time when kings warred and the people suffered the Fates fixed their timeless eyes upon the son of a muse and his story inspired hope and beauty in a ravaged world Raised by the daughters of Zeus in the shadow of Mount Olympus Orpheus is filled with a love of the world of creation and of song Wherever he goes whatever he does he inspires mortals birds beasts and even the Gods with his music He is blessed with a humility and unmatched skill that make him the greatest musician of the age However when the god Apollo tells Orpheus that he has more to learn the young man leaves the safety of his home to wander the world in search of his destiny Having travelled alone into the vast northern forests of Thrace Orpheus discovers that elusive gift granted to few mortals or gods True Love In the love and friendship of the nymph Eurydice Orpheus comes to understand one of the greatest mysteries of the world He is inspired in all things and his music reaches unimagined heights of beauty But the Fates can be cruel the world barbarous and the greatest gifts given including love can be taken away When Eurydice s light is suddenly extinguished from Orpheus life the musician must make a choice He can live a life without his only love and let the world tear itself to pieces or he can make a journey that would terrify even the bravest of heroes to rescue his love and bring her back into the light Will Orpheus be able to cross the dark plains of the Underworld and bring Eurydice back Or will he lose his soul and his love for daring to challenge the Fates The only way he can succeed is to plumb the depths of his deepest emotions and play like he has never played before A Song for the Underworld is an epic retelling of the story of Orpheus and Eurydice from Greek mythology It is the third book in the Mythologia fantasy series by best selling and award winning author and historian Adam Alexander Haviaras If you enjoy books by Madeline Miller Stephen Fry Natalie Haynes or Jennifer Saint then you will love the Mythologia series Read A Song for the Underworld today and experience the greatest love story of the ancient world
