Return Like a Goddess A.M. Canavan, 2019-11-22 It's a tale as old as time finding that a goddess can change Evangeline Lewis walked away from life as a goddess but that doesn't mean her powers are gone Far from it Her life on the road has been filled with chaos adventure and every bit of freedom she didn't have in Surprise She's perfectly content or so she tells herself Until she finds out that someone is abducting those who can't protect themselves Suddenly the life she left behind is standing in front of her and Eva doesn't have a choice but to return Her investigation brings back those she abandoned and the mistakes she made by leaving Faced with her past the future and everything in between has never been more difficult A world she's never seen and monsters she didn't know existed stand in her way While Olympus is still reeling from her return an invisible monster is creating terror in Surprise Eva must find her place in a world where she no longer belongs rescue those who have been taken and somehow manage not to fall apart

Shine Like a Goddess A.M. Canavan, 2020-01-24 Mirror Mirror on the wall which way will this goddess fall Life is almost back to normal for Evangeline Lewis She's finally found out who she is where she comes from and she's got a plan to solve the mysteries left behind by the Titans When they least expect it a body turns up pointing straight at the Olympians Eva is the only one who can solve it before the mortals do Snarky gods monsters that won't cooperate and the seedy underbelly of Olympus are all pieces of Eva's investigation With a murder to solve and visions that aren't giving her the entire picture problems keep popping up without solutions Eva is left between a rock and an impossible situation with nowhere to go Murder mayhem and new enemies that she can't face alone all come together in the perfect storm One wrong move and Eva will lose her chance to save Olympus once and for all

Literary Digest, 1920 Blink Like a Goddess A.M. Canavan, 2021-01-07 Fate can be fickle or just downright stubborn When Evangeline Lewis discovered she was a goddess her life was turned upside down in an instant Now she's got a handle on her powers her place in the world and can solve anything the gods of Olympus throw her way Business is good maybe a little bit too good Eva's latest client presents a problem unlike any she's ever faced before Not only does she have an investigation to undertake but she has to do it without her powers The stars are out of whack and the only way to fix it is for Eva to step up to the plate Fate Luck and Chance are all on the fritz and everything falls on Eva's shoulders It's a dance she's undertaken before but never quite like this Can this Surprise goddess find her way and save the day or will she lose everything she's worked so hard for *The Ladies' Home Journal*, 1921 **Gods Galore** Rupert Stanbury, 2021-11-28 The Olympian Gods have made it to the 21st century AD We may not have heard much about them in the last two thousand years but they're still controlling what we humans are up to or at least they think they are The reality is that the Gods are like us they've got problems Zeus is still Top God on Mount Olympus but he's got issues with many of the younger gods His brothers

Hades and Poseidon have issues with themselves they re getting too set in their ways ruling the Underworld and the Seas they probably need a job change But help is at hand from an unexpected source we humans It s surprising what a dose of good common sense can do for even the most powerful of the gods especially when it comes from a couple of teenagers
