A Guide to Biblical Commentaries and Reference Works John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years evangelical christendom: a montly chronicle of the churches Members of the Evangelical Alliance, 1864 **Unsettled Minds** Christopher G. White, 2009 Christopher White s *Unsettled Minds* makes clear how important new psychologies of religion were for those Protestants navigating their way out of Calvinism and evangelical revivalism Just as his religious liberals remapped mind and spirit White has remapped the historical terrain of religion and psychology in American culture He spotlights not a cultural world absorbed with ecstasy altered states or mythic depths but instead one riveted on measured stages of spiritual growth and effective habits of self discipline Leigh Eric Schmidt Princeton University An important contribution to the growing literature on the history of religious experience and of the distinctive dynamics of Christian interiority in the modern U S Robert Orsi Northwestern University Today when brain researchers and psychologists are again attempting to explain religion this remarkable study suggests that we should not be surprised to see religious believers creatively embracing new scientific findings and making use of them for religious purposes unexpected by scientists Ann Taves author of *Fits Trances and Visions* **The Publishers' Trade List Annual** ,1985 **Karl Barth** Eberhard Busch, 2005-06-21 Karl Barth is an unparalleled accomplishment An authentic church father of the Post Reformation era the Basel professor s contributions to theology the life of the church and the world of culture and politics have been frequently noted This work however presents extraordinary new information and insight based on his own correspondence and notes What one finds in this work is Barth s own running commentary on events and people from 1886 to 1968 Everything is depicted from his perspective and chiefly in his own words and this is precisely what makes the volume so fascinating and valuable The brilliance wit and humanity of Barth shine through everywhere as he is seen as son brother student editor friend pastor husband father soldier teacher

theologian church leader political critic polemicist ecumenist author preacher music lover senior citizen The gigantic theologian is here but even more the man shines through An abundance of pictures accompanies the text most of them to be seen for the first time The contents of this book are new and of utmost interest and importance Readers not familiar with the accomplishment of Karl Barth will learn to know both the man and his thought Specialists will for the first time discern the figure behind the intellect All who propose to understand the story of the twentieth century will be illumined by this book
