Evangelism A Reformed Debate:

Evangelism John Kennedy, Horatius Bonar, 1997 The Doctrines of Grace in an Unexpected Place Mark R. Stevenson, 2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by Do human beings possess free will to embrace or reject the gospel Did Christ die equally for all people or only for some These questions have long been debated in the history of the Christian church Answers typically fall into one of two main categories popularly known as Calvinism and Arminianism The focus of this book is to establish how one nineteenth century evangelical group the Brethren responded to these and other related questions The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world Although many critics have assumed the movement's theology was Arminian this book argues that the Brethren with few exceptions advocated Calvinistic positions Yet there were some twists along the way The movement's radical biblicism passionate evangelism and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism's soteriological principles the so called doctrines of grace **Evangelism and the Openness of God** Vaughn W. Baker, 2012-12-18 In *Evangelism and the Openness of God* Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God's kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God's genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism *Evangelical Calvinism* Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of *Evangelical Calvinism* further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike **Evangelism and Social Concern in the Theology of Carl F. H. Henry** Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially

since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic evangelical christendom ,1870 *Peter Martyr Vermigli and the European Reformations: Semper Reformanda* Frank A. James,2021-11-29 Peter Martyr Vermigli 1499 1562 was one of the early members of the abortive Italian reform movement as well as one of the formative shapers of Reformed Protestantism Through its focus on Vermigli these essays illuminate new dimensions to the various Reformations in sixteenth century Europe both Catholic and Protestant Vermigli s work is considered under three rubrics his relationship to other Reformers an analysis of his more provocative theological ideas and his contributions to church reform Particularly notable is the breadth of his interests which ranged from his view of women prophecy and papal power to the early church fathers and his revision of ecclesiastical laws in the Church of England Each of these depicts a vital aspect of Vermigli s contribution to the European Reformations Contributors are Scott Amos Emidio Campi John Patrick Donnelly John Farthing Don Fuller Richard Gamble John F Jackson Gary Jenkins Torrance Kirby Norman Klassen Peter A Lillback Joseph C McLelland Douglas H Shantz Dan Shute and John Thompson Survival and Resistance in Evangelical America Crawford Gribben,2021 Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society they anticipate This book examines the origins evolution and cultural reach of the migration and considers what it might tell us about the future of American evangelicalism

EVANGELICAL CHRISTENDOM WILLIAM JOHN JOHNSON,1867 **Theology and the Mirror of Scripture** Kevin J. Vanhoozer,Daniel J. Treier,2015-12-09 In this inaugural volume in the Studies in Christian Doctrine and Scripture Daniel J Treier and Kevin J Vanhoozer set forth a programmatic proposal for evangelical theology rooted in the claim that the church s vocation is to mirror the witness of Scripture in its doctrine and discipleship **Immanuel Evangelical Lutheran Church v. Karlberg,2003-09-18 This book sequel to Dr Karlberg s Covenant Theology in Reformed Perspective is written in the hope that an understanding of the dispute at Westminster Seminary will provide some insight into the origination and spread of false teaching in once orthodox centers of learning In this particular case as in most there is the exploitation of false notions and misformulations some of which are deeply imbedded within the theological tradition

Such misconceptions can be the seeds for heresy the fruit of further development and maturation of erroneous teaching sometimes appearing in succeeding generations Alongside the doctrinal substance of the current dispute are the machinations of once respected teachers in the Reformed churches **The Reform of the Church** Donald G.

Bloesch,1998-10-13 In his book Donald Bloesch points the way towards much needed reforms within Protestantism showing how Catholic thinking in this area can be of aid to Protestants He sounds the call for sacramental and spiritual renewal within the church today and gives a fresh interpretation of the sacraments of baptism and the Lord s Supper He also discusses such rites as confession and confirmation as well as spiritual healing and other charismatic gifts The book concludes with a call to Christian unity based upon the Gospel of free grace declared in Holy Scripture The Reform of the Church is both evangelical and ecumenical and can be recommended to anyone who is earnestly seeking the renewal of the church in our time evangelical review james nisbet,1877 *Evangelical Writing in a Secular Imaginary* Emily Murphy Cope,2024-02-13 Evangelical Writing in a Secular Imaginary addresses the question of how Christian undergraduates engage in academic writing and how best to teach them to participate in academic inquiry and prepare them for civic engagement Exploring how the secular both constrains and supports undergraduates academic writing the book pays special attention to how it shapes younger evangelicals social identities perceptions of academic genres and rhetorical practices The author draws on qualitative interviews with evangelical undergraduates at a public university and qualitative document analysis of their writing for college grounded in scholarship from social theory writing studies sociology of religion rhetorical theory and social psychology to describe the multiple ways these evangelicals participate in the secular imaginary that is the public university through their academic writing The conception of a secular imaginary provides an explanatory framework for examining the lived experiences and academic writing of religious students in American institutions of higher education By examining the power of the secular imaginary on academic writers this book offers rhetorical educators a more complex vocabulary that makes visible the complex social forces shaping our students experiences with writing This book will be of interest not just to scholars and educators in the area of rhetoric writing studies and communication but also those working on religious studies Christian discourse and sociology of religion **Themelios, Volume 40, Issue 1** D.
