## **Evangelism On The Cutting Edge:**

**Evangelism on the Cutting Edge** Robert E. Coleman,1986      **God's Secret Key to Hope and Love** Dick Reuben,2007-09 Do you have an unsaved loved one or know of someone that needs Jesus to change their life Now is the time to snatch them from the grip of the devil Do you love that person enough to help them escape the devil s torment If you read only one book this year then it is imperative that you read Dick Reuben s God s Secret Key to Hope and Love This book could be the most important book that you ll ever read Finally a simple easy to use God solution to winning the lost to Christ and one that really works      Evangelism Gordon Clinard,1973      **Larry Moyer's How-to Book on Personal Evangelism** Richard Larry Moyer,R. Larry Moyer,1998 Drawing upon over twenty five years of experience in evangelism Larry Moyer introduces readers to ways in which they can share the Gospel with others clearly and confidently      **Living Communion** , This official report of the thirteenth meeting of the Anglican Consultative Council held in June 2005 in Nottingham England includes texts of the Archbishop of Canterbury s presidential address the daily record of the Council s proceedings reports from throughout the Anglican Communion and presentations by the Episcopal Church USA and the Anglican Church of Canada providing a theological rationale for their consent to the election of a bishop living in a same gender relationship and the blessing of same gender relationships respectively It includes Texts of Archbishop Rowan Williams highly regarded daily Bible study presentations during the meeting Definitive record of proceedings without filtering from news organizations special interest groups or commentators Full text of ECUSA and Anglican Church of Canada presentations      **Prophetic Evangelism** Sean Smith,2011-07-28 You have been God ordained to be on a collision course with the destiny of the multitudes You are going to launch into a fresh empowerment becoming fiery agents of transformation The quest for truth is on summoning a new breed of marketplace prophetic evangelists to rise to the challenge Prophetic Evangelism issues an invitation to reinstate prophecy to its rightful place in evangelism This book reveals that God wants to speak through you directly into the conscience of unbelievers It s time to break free from futility and frustrations to experience a release that will see heaven freshly populated with souls that you ve impacted Get ready to see 21st Century evangelists fully restored to the original New Testament status You hold the key to the outcome of your generation      **The Master Plan of Evangelism, Second Edition, Abridged** Robert Coleman,2006-04 Few books have had as great an impact on the cause of world evangelization in our generation as Robert Coleman s The Master Plan of Evangelism Billy Graham It all started when Jesus called a few men to follow him and share God s message with their neighbors We are called to do the same But evangelism can be difficult even intimidating With all the evangelism resources available where should you turn to find advice on how to share the Good News with others Robert E Coleman says the answers aren t found in TV evangelism easy evangelism guidebooks or the latest marketing techniques Rather he looks to the Bible to the ultimate example found in Jesus Christ For more than forty years this classic biblical look at evangelism has challenged and instructed over three million

readers Now repackaged for a new generation The Master Plan of Evangelism is as fresh and relevant as ever Join the movement and discover how you can minister to the people God brings into your life      **Liberating Evangelism** Stephen K. Pickard,1999-06-01 Has the church abdicated its responsibility for and privilege of spreading the gospel Has this baptismal birthright been forgotten or denied out of ignorance poor example or even misinformation Stephen Pickard argues that the church is called to be a community of the evangel and thus a community that seeks to embody the glad tidings of God in all of its life He addresses two issues the relationship of evangelism to systematic theology and the relationship of evangelism to the church In the case of the former he calls for a recovery of the complementary nature of theology and evangelism the theory and practice of the gospel discussing what this might involve and how it may benefit the church s evangelistic task This evangelistic task is then developed further in terms of the dynamics of communication Regarding evangelism and its relation to the church Pickard contends that the locus for evangelism has to be the Christian community its life of worship and discipleship in the world But the church must be reconceived missiologically in terms of the Great Commission and as a community for the praise of God      **Models of Evangelism** Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model      **Evangelism and the Openness of God** Vaughn W. Baker,2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back

Larry Moyer,2019-03-21 Drawing upon over thirty five years of experience in evangelism Larry moyer introduces readers to the exciting reality that believers can learn how to share the Gospel with others clearly and confidently If someone introduced you to the most rewarding thing in life would you take it Of course And that s just what we have to offer to others Introducing Jesus Christ to someone is not only the most important thing you could do for them but also the most personally rewarding thing you could do for yourself Even if you think evangelism isn t for you this step by step resource shows you how to start and nurture an evangelistic life style      **Evangelism Today** Scott Dawson,Scott Lenning,2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to an ever changing audience Evangelism Today helps believers whether individually or in groups share their

**Examining Billy Graham's Theology of Evangelism** Thomas P. Johnston,2003-03-12 Examining Billy Graham s Theology of Evangelism was written to advance an unbiased understanding of Billy Graham s theology and practice Theological examination of Graham s sermons revealed four distinct eras in his theology and practice The Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham s theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ

EVANGELISM DISCIPLESHIP Benjamin Cocar,2014-12-27 After the apostle Paul had done some tent making in Corinth with Aquila and Priscilla Luke tells us at Acts 18 5 when Silas and Timothy came down from Macedonia Paul began devoting himself completely to the word solemnly testifying to the Jews that Jesus was the Christ We note Paul began devoting himself completely Why more so than before Verses 9 and 10 go on to say the Lord said to Paul in the night by a vision Do not be afraid any longer but go on speaking and do not be silent for I am with you and no man will attack you in order to harm you for I have many people in this city We too have similar reasons for devoting ourselves more completely to the Word of God Yes unquestionably God has many people in all the cities throughout the world including our community These ones need to be discovered and taught everything Jesus commanded The wait for Jesus second coming will not last forever so we need to be awakened to our responsibility of proclaiming biblical truths teaching and making disciples of those who have a receptive heart

**Real Evangelism** Bailey Smith,1999-10-08 Real Evangelism shows how aspects of church culture actually dampen the evangelistic task entrusted to it Smith exposes what he calls subtle substitutes to evangelism While there is nothing wrong with ministries that help established Christians Bailey Smith impresses upon the church that these types of ministries must not take place of reaching out to the lost

*The Unfolding Gospel* John P. Bowen,2021 Many congregations and their leaders are discouraged about the future of the church John Bowen s conviction is that the solution is to be found not in new programs or strategies but in a recovery of theological vision that of Jesus and his gospel which transforms every aspect of life This vision restores hope in the only way realistically possible \_ Words like mission discipleship church evangelism renewal and church planting are used like billiard balls all rolling around a single table unconnected and bouncing randomly off one another This book pulls these ideas together into a coherent and organic whole The gospel is the hermeneutical key for understanding each of these topics and what draws them

together Thus chapter 1 is an exposition of the gospel God's determination to make all things new through Jesus Christ Chapter 2 discusses discipleship we only understand discipleship in light of the gospel and chapter 3 covers church we only understand church if we understand discipleship Chapter 4 considers culture as the arena in which the gospel is lived and talked about and chapter 5 builds on that with a discussion of translation not only as a missional necessity but as a ministry which itself incarnates the nature of the gospel The remaining chapters on evangelism the future of inherited churches church planting and leadership demonstrate how the gospel is the integration point for all \_ The author's hope is that church leaders evangelical and mainline young and old emerging and traditional present and future will have a transformative Aha moment as this gospel hypothesis unfolds \_

The Church Between Gospel and Culture George R. Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices
