**Preaching with Evangelistic Persuasion** Ben D Rogers D Th, Ben D. Rogers, 2012-12-31 Paul says For our gospel came not unto you in word only but also in power and in the Holy Ghost and in much assurance 1 Thess 1 5 Why are so many pulpits today void of effective evangelical gospel preaching preachers of power and much assurance Is the Holy Spirit totally at fault here We dare not think so Rather the purpose of this book is to be a clear guide for preachers today using the Scriptures to create a basis for persuasive evangelistic preaching One of the primary needs in the effort of evangelistic preaching is to establish the relative place of the mind the conscience the emotions and the will in one's appeal Many criticize proclamation evangelism as securing decisions by appeals largely emotional and generally void of any intellectual involvement It is therefore necessary to establish the truth that true evangelistic preaching involves each of the elements of man's soul and not just his emotions Through effective evangelism the Holy Spirit touches each aspect of man's makeup and

enables his decision for salvation as is expounded in the gospel of Jesus Christ The subject of this book is limited to one type of sermon the evangelistic sermon Four basic appeals in evangelistic preaching are expounded and organized in useful format Actual sermon structure and delivery of the sermon will be much more obvious after the very foundation of an effective sermon is dealt with as spelled out in this book Chapter One deals with Gospel preaching and its appeal to the intellect Chapter Two discusses Gospel preaching and its relationship to the conscience Chapter Three examines Gospel preaching s appeal to the emotions of man Chapter Four scrutinizes the appeal of Gospel preaching to the will of man In each chapter the writer gives a definition of the moral element dealt with in the study Then the design of the preacher in dealing with that element is stated Next the direction to be taken by the preacher is described Finally the writer demonstrates the use of appeals to man s moral elements by using examples of great evangelists of the past and present The conclusion includes general observations and pragmatic applications of the subject About the Author For sixty years this writer has preached as an international evangelistic preacher seeing thousands of souls persuaded to turn from sin and believe on the Lord Jesus Christ He has a lifetime of confirmation of these truths presented and calls upon all ministers to return to Peitkos persuasive preaching of the Gospel *Evangelistic Preaching* Charles Gresham,1991 **Biblical Preaching for Today's World** Lloyd Perry,1990-03-08 Biblical preaching has not outgrown its usefulness The methods may vary but the message remains the same God s challenge and call to the preacher still come through loud and clear Preach the Word Lloyd M Perry s *Biblical Preaching for Today s World* has been helping pastors and speakers preach the Word since 1973 Although the principles Perry originally established are timeless the needs and concerns of audiences are always changing To help pastors preach more effectively to today s congregations Perry has updated his original manuscript He offers pastors help in understanding and adjusting to the effects television has had on an audience s listening skills Historical references throughout each chapter will also help preachers learn from yesterday s teachers and styles *Biblical Preaching for Today s World* continues to offer sound time tested principles for preaching regardless of the preacher s style Filled with helpful suggestions annotated outlines and solid documentation it is invaluable reading for all who aspire to preach the Word

Shivers,2009-12 Junior Hill states *Evangelistic Praching 101* is A book every preacher should read *Evangelistic Preaching 101* is designed to enhance the preacher s content structure and delivery of the evangelistic sermon that he may be more effective in winning souls through preaching In this endeavor Frank Shivers has drawn not only from thirty six years of
