Evangelization From A Liberation Perspective American University Studies:

Evangelization from a Liberation Perspective Priscilla Pope-Levison, 1991 In this pioneering work Dr Pope Levison marshalls an enormous amount of material on the topic of evangelization in Latin American liberation theology By analyzing the writings of ten theologians she demonstrates convincingly that evangelization serves uniquely as a bridge between theology and praxis This study is indispensable for students of contextual theology and evangelization In addition the introductory discussion of evangelization in recent documents from the Roman Catholic Church and the World Council of Churches renders this an invaluable tool for ecumenical studies as well

Evangelical Theologies of Liberation and Justice

Mae Elise Cannon, Andrea Smith, 2019-09-10 Despite the current evangelical focus on justice work evangelical theologians have not adequately developed a theological foundation for this activism In this insightful resource evangelical academics activists and pastors come together to survey the history and outlines of liberation theology opening a conversation for developing a specifically evangelical view of liberation that speaks to the critical justice issues of our time

Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model

The Hermeneutical Spirit

Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close

readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context **AAR/SBL Annual Meeting Program** American Academy of Religion.

Evangelism and Social Concern in the Theology of Carl F. H. Henry Jerry M. Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic **An Interpretation of Evangelization** Eileen M.

Fagan,1998-04 This is the first study to present Jon Sobrino s theology of evangelization The work shows Sobrino s theological method in action in his christology and ecclesiology Dr Fagan provides a comprehensive historical picture of the Latin American church s journey to evangelization and Sobrino s place in that journey **Subject Guide to Books in Print**

,1997 **Bibliographic Index** ,1991 **The Poor in Liberation Theology** Tim Noble,2014-10-14 Liberation theology has since its beginnings over forty years ago placed the poor at the heart of theology and revealed the ideologies underlying both society and church Meanwhile over this period the progressive church appears to have stagnated and the poor of Latin America have turned increasingly to neo Pentecostalism The Poor in Liberation Theology questions whether the effect of liberation theology is to provide a pathway to God or really to construct idols out of the poor Combining the conceptual language of the philosophers Jean Luc Marion and Emmanuel Levinas with the methodology of the liberation theologian Clodovis Boff the volume outlines how liberation theology can work to ensure the poor do not become an ideological

construct but remain icons of God Drawing on a wealth of material from Latin American and Europe the book demonstrates the continuing validity and importance of liberation theology and its further potential when engaged with contemporary philosophy Forthcoming Books Rose Army,1991 **Graceful Evangelism** Frances S.
