Evangelizing The Hard To Reach:

The Art of Personal Evangelism Will McRaney, 2003 How to share your Christian Faith **You Are My Witnesses** Charles E. Van Engen, 2009-09-01 Eighty percent of all new church members become part of a local congregation because of a previous relationship or friendship with another member of that congregation Yet in spite of a number of excellent books written concerning relational evangelism little seems to happen in actually motivating training and mobilizing church members to evangelize their neighbors friends businesses associates and family members That is until **You Are My Witnesses** This new book is designed to be used by small groups in local churches as an action reflection training manual for those committed to be Christ's witnesses **Sharing Jesus Effectively in the Buddhist World** David S. Lim, Steve Spaulding, Paul H. De Neui, 2005 This is the third book in the **Sharing Jesus in the Buddhist World** series written by evangelical mission reflective practitioners who are committed to developing more effective ways to win the Buddhist peoples to the Lord Jesus Christ The opening chapter describes The Changing Demographic Context of Global Buddhism the next six describe some of the best models of mission approaches for reaching Buddhists and the last four depict some past and present people movements or church planting movements How to Evangelize on the College Campus William S. Crockett Jr., 2015-03-02 What would Jesus do if He visited your college campus Walk around Read books and drink coffee Or would He preach the Gospel As Christians we are called to bring the truth of God and everything the Lord has taught us to the people around us At times this may be difficult because of our lack of biblical teaching on evangelism This book is designed to show people how simple it is to fulfill the Great Commission even in their daily lives As an individual is led by the Holy Spirit power and deliverance are brought forth in mighty ways and the fire of God is displayed Evangelism does not have to be a burdensome act rather an enjoyable adventure with Jesus Whether you are a new believer or a world renowned evangelist the teachings in this book are simple yet profound Everything from tracts to open air preaching is discussed while referencing the scriptures A successful soldier has proven techniques for battle and so should we if we are to be successful evangelists Not only for college students this book can be used by anyone that so desires to spread the Good News of God's salvation By the grace of God may we all listen and obey the words of the apostle Paul and do the work of an evangelist Missiology, 1995 An international review Evangelizing the Hard-to-reach Robert D.
