Reading the Bible in Australia Deborah R. Storie, Barbara Deutschmann, Michelle Eastwood, 2024-01-03 Reading the Bible in Australia invites reflection about how the Bible matters to Australia Contributors probe intersections between vital debates about Australian identity who we have been and aspire to become and the Bible bringing a range of perspectives to critical themes indigeneity colonization and migration landscape biodiversity and climate gender and marginality economics ideology and rhetoric Each chapter explores the past and present influence of a biblical text or theme Some offer fresh

contextually and ethically informed readings All interrogate the wider outcomes of reading the Bible in different ways Given the tragic consequences of how it has been used historically and sometimes still is some Australians would exclude the Bible and its interpreters from public debate Yet as Meredith Lake s *The Bible in Australia* demonstrates a degree of biblical literacy along with critical skill in evaluating how the Bible has been taken up and interpreted in our history can only help Australians grapple well with the choices Australia faces Love it or hate it there is no getting around the reality that the Bible and how it is read still matters

Daring, Disreputable and Devout Dan W. Clanton, Jr., 2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own view s of the stories Ironically these later renderings usually serve as the basis for the generally accepted view s of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women s stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains

The Fall Reconsidered Igal German,2016-05-27 The sin narratives of Genesis 3 and 4 have been scrutinized by biblical interpreters throughout the centuries Some exegetical traditions have separated the story of Cain Abel from the preceding Edenic narrative thus undermining the unity of the Primeval History The book synthesizes the sin narratives of Adam Eve and Cain Abel and examines a wide range of premodern biblical interpretations attesting to their literary and theological unity This study makes a case for reading these primordial narratives as one familial saga that conveys to the reader the origins of human defiance against God

The Forgotten Creed Stephen J. Patterson, 2018-09-03 Long before the followers of Jesus declared him to be the Son of God Jesus taught his followers that they too were the children of God This ancient creed now all but forgotten is recorded still within the folds of a letter of Paul the Apostle Paul did not create this creed nor did he fully embrace it but he quoted it and thus preserved it for a time when it might become important once again This ancient creed said nothing about God or Christ or salvation Its claims were about the whole human race there is no race there is no class there is no gender This is the story of that first forgotten creed and the world of its begetting a world in which foreigners were feared slaves were human chattel and men questioned whether women were really human after all Into this world the followers of Jesus proclaimed You are all children of God There is no Jew or Greek no slave or free no male and female for you are all one Where did this remarkable statement of human solidarity come from and what finally happened to it How did Christianity become a Gentile religion that despised Jews condoned slavery as the will of God and championed patriarchy Christian theologians would one day argue about the nature of Christ the being of God and the mechanics of salvation But before this in the days when Jesus was still fresh in the memory of those who knew him the argument was a different one how can human beings overcome the ways by which we divide ourselves one from another Is solidarity possible beyond race class and gender
