Body or the Soul? Frank A. Abbott, 2016-05-01 In the two centuries before the Quiet Revolution the people of Quebec exercised a higher degree of independence from the Catholic Church than is often presumed Investigating rural Quebec from the mid eighteenth century to the turn of the twentieth Frank Abbott argues convincingly that the obligations and priorities of the Church did not unswervingly rule the lives of its parishioners *The Body or the Soul* is a history of religious and cultural life in the parish of St Joseph de Beauce Drawing from their pastors detailed annual reports to the archbishops of Quebec St Joseph s parish registers contemporary accounts government censuses and the largely unexplored oral testimony on rural life and culture found in the Archives de folklore et ethnologie at Universit Laval Abbott assesses the nature and degree of influence and control that the church exerted over the everyday lives of a rural Quebec community He examines the telling details found in church building projects the relationships between clergy and parishioners attendance at Sunday mass and catechism classes reception of communion the persistence of what the Church termed superstition traditional customs of sociability and the degree of control that the Church exerted over the community s social and sexual behaviour Rich with primary sources *The Body or the Soul* reveals the tensions between Catholicism s place in people s lives and the independent spirit of a vigorous popular culture

Marked Women Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in *Pretty Woman* So did Jodie Foster in *Taxi Driver* Jane Fonda in *Klute* Anna Karina in *Vivre sa vie* Greta Garbo in *Anna Christie* and Charlize Theron who won an Academy Award for *Monster* This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy *The Happy Hooker* for example is the liberated woman whose only goal is to give as much pleasure as she receives while *The Avenger* a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men *The Love Story* a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions
