Angl. Am*, 2007 Even Greater Faith Reinhard Bonnke, 2022-07-05 Reinhard Bonnke was motivated by a single compelling goal to reach as many people as possible with the love and saving grace of God Through his ministry millions of people connected or reconnected with their heavenly Father In this book we meet twelve distinct individuals to whom Reinhard ministered with remarkable results Even Greater Faith presents dramatic and heartwarming true stories about ordinary people from around the world through whom God did extraordinary works despite their broken dreams failures and weaknesses While they watched their dreams evaporate God was still working in their lives He had even greater plans prepared for them as He has even greater plans for you You will find it hard to put this book down and you may even read it in one sitting You will be moved you will be inspired and you will be challenged to do even greater works for God through His extraordinary grace as you see healings and other miracles unfold in your life and in the lives of others My Stories of Faith Eric Elder, 2020-05-25 From the Introduction The Gift of Faith When I first put my faith in Christ He gave me a gift of faith I thought every Christian received the same gift In that moment I suddenly believed God could do anything

absolutely anything I believed the whole Bible was true from cover to cover I believed anything God did in the past He could do again And I believed He could do even greater things than these even through me As Jesus said Truly I tell you whoever believes in Me will do the works I have been doing and they will do even greater things than these John 14 12 It wasn't until several years later when I took a spiritual gifts inventory that I realized God had given me a gift of faith a supernatural gift to believe God can do supernatural things And it was then that I realized God wanted me to use this gift as He wanted all of us to use our gifts for building up others in their faith Or as the Apostle Paul says to equip His people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ Ephesians 4 12 13 But I wondered how to do this As I asked others they said that whenever I would tell them my stories of faith how God had worked in my life they were encouraged in their faith to believe that God could work in their lives too Yes That made sense When people needed a boost in their faith I could give them some of mine Isn't that the way with all of our gifts When people need wisdom or money or healing or help or encouragement we share with them whatever wisdom or money or healing or help or encouragement we have been given see 1 Corinthians 12 14 So I began that day sharing my stories of faith in a more intentional way writing them down sending them out and telling them to others when they needed a lift And that's what I'm doing with this book for you If you need a boost in your faith if you need to believe that God can do something impossible for you if you need to know that God is real that He loves you that He is FOR you and has a purpose for your life then this book is for you Because along with hope and love faith is one of the top three things we all need in life see 1 Corinthians 13 13 With that as an introduction I'd like to begin telling you a few of my stories of faith starting with the day I was born Well not that far back I'll start with the day I was born again at age 23 the day I put my faith in Christ and He put His gift of faith in me Eric Elder *Even Greater* PG Reinhard Bonnke, 2005-01-01 Our dreams are like a child's by nature are very fragile beautiful to contemplate but easily fractured But God is bigger than our dreams stronger than our fears and higher than our expectations Faith, Family, Friends, At the Cross Richard H. Allen, 2013-08-29 The cross of Christ represents the spiritual physical and metaphoric reasons for our existence Old Testament scripture foreshadows Christ and his sacrifice at the cross New Testament scripture reiterates that Old Testament vision as we are led to the singularly most significant event in the history of mankind At the Cross is a line by line examination of the Gospels of Matthew Mark Luke and John as these apostles describe events from the Garden of Gethsemane to the resurrection and ascension of Jesus Christ This book is written for both new and seasoned believers so they may find direction for their commitment and the ramifications of that commitment At the Cross is written for non-believers so they can see why believers from the martyrdom of Christ to the most recent Chinese Christian jailed and tortured for his faith would forfeit their lives and liberty rather than deny their Savior *Even Greater* -HC Reinhard Bonnke, 2005-01-01 Presents twelve real life stories about people just like you whom God used despite

their weakness and failure It s true God uses ordinary people to do extraordinary works This book presents the stories to prove this aspect
