Even The Children Of Strangers

Debbie C. Olson, Andrew Scahill

Even The Children Of Strangers:

Raising God's Children Ada C. Conway, 2016-12-08 I've often heard it said Children don't come with an instruction manual I beg to differ Children do come with an instruction manual it's called The Holy Bible *Raising God's Children* is a manual of sorts based on standard traditional and contemporary Christian values and is loaded with both natural and spiritual wisdom offering insight into what has been learned from every available resource including the wisdom of people who have raised

Missing Children Matthew Schafer, 2012-11-04 This book is a must for parents grandparents care givers and anyone else that is responsible for children whether they are kids preteen or teenagers In this book you will learn how to keep your kids safe from both predators and bullies Here is some of what you will learn How to talk to your children and teens about danger and strangers without scaring them How to get your children to understand the concept of strangers and use it effectively An easy way to let your children know EXACTLY who is and isn't a stranger What to teach your children to do when confronted or grabbed by a stranger Who is most likely to sexually abuse your child and how you can tell if your child is being abused An easy way your kids can know if an adult is trying to lure them into a potentially dangerous situation The age that your child is most likely to be abducted Who the most common child abductors are What to do if your child is abducted How to use a child's ID kit How to tell if your child is old enough for privileges such as playing outside by themselves walking to school by themselves etc Whether or not your child should fight back against a bully What to do when your child has a bully problem What to do if your child is a bully Steps to take to make sure that your child doesn't become a bully How you can get your children to start thinking about their own safety Simple self defense techniques that you can show your children to keep them safe

Sharing Child Care in Early Parenthood Malcolm Hill, 2023-02-13 Originally published in 1987 Malcolm Hill examines the different ways in which parents share responsibility for looking after their pre school children with other people whether members of their social networks formal groups or paid carers He also looks at the reasons parents give for choosing and changing their particular arrangements In this way he provides insights into a range of ideas which ordinary members of the public have about children's needs the rights and responsibilities of mothers and fathers and how children think and feel Marked differences are described in the social relationships of families and in notions about who is acceptable as a substitute carer for children in what circumstances and for what purpose Several of these contrasts are linked to attitudes and life conditions which are affected by social class The book identifies possible consequences for individual children's social adaptability resulting from these patterns of care It suggests that people working with the under fives could profit from adapting their activities and services to children's previous experiences of shared care and families differing expectations about groups for children

Crime, Inequality and Power Eileen B. Leonard, 2015-04-10 *Crime Inequality and Power* challenges the dominant definitions of crime and the criminal through its uniquely comparative approach In this book Eileen Leonard analyzes multiple forms of criminal behavior in the United States

including violence sexual assault theft and drug law violations whilst also asking readers to consider the parallels between crimes that are rarely thought comparable Leonard s juxtaposition of familiar street crimes such as car theft alongside large scale corporate theft vividly exposes profound inequalities in the way crime is defined and the treatment it receives within the criminal justice system Leonard s analysis also reveals the underlying inequalities of race class and gender which enable the perpetuation of such crimes as well as calling into question the reality of fundamental American ideals of fairness and equal justice Moreover the book questions whether current policies that punish street crime excessively while minimizing the crimes of the powerful fail to keep the public safe A broader consideration of crime and the inequalities that underlie it offers a fresh opportunity to rethink public policies and enduring issues of crime and criminal justice Challenging the many persistent inequalities in the perception of and response to crime this critique of American crime and punishment will be of interest to undergraduate and postgraduate students as well as scholars in the fields of criminology sociology and law

Child Safety Guide , Lost and Othered Children in Contemporary Cinema Debbie C. Olson,Andrew Scahill,2012-05-18 Children have been a part of the cinematic landscape since the silent film era yet children are rarely a part of the theoretical landscape of film analysis Lost and Othered Children in Contemporary Cinema edited by Debbie C Olson and Andrew Scahill seeks to remedy that oversight Throughout the over one hundred year history of cinema the image of the child has been inextricably bound to filmic storytelling and has been equally bound to notions of romantic innocence and purity This collection reveals however that there is a body of work that provides a counter note of darkness to the traditional portraits of sweetness and light Particularly since the mid twentieth century there are a growing number of cinematic works that depict childhood has as a site of knowingness despair sexuality death and madness Lost and Othered Children in Contemporary Cinema challenges notions of the innocent child through an exploration of the dark side of childhood in contemporary cinema The contributors to this multidisciplinary study offer a global perspective that explores the multiple conditions of marginalized childhood as cinematically imagined within political geographical sociological and cultural contexts **Encyclopedia of Murder and Violent Crime** Eric W. Hickey,2003-07-22 The Encyclopedia of Murder and Violent Crime is edited by a internationally recognized expert on serial killers covering both murder and violent crime in their variant forms Included will be biographies chronologies special interest inset boxes up to 100 photos comprehensive article bibliographies and appendices for things like famous unsolved cases celebrity murders assassinations original source documents and online sources for information **The City Boy and His Problems** Emory Stephen Bogardus,Rotary Club of Los Angeles,1926 **The Story of Childhood** Libby Brooks,2014-08-10 Childhood We ve all known it but do we remember what it was like Can we as adults relate to children or do we misunderstand them Do we hanker after an unrealistic ideal of innocence that probably never was To what extent has childhood become an adult imagined universe There is so much social anxiety surrounding their behaviour nutrition sexuality consumerism and educational achievement that children may well

have become the victims of inappropriate adult perceptions In today s ASBO afflicted Britain Libby Brooks suggests that there is much we don t understand about contemporary childhood The Story of Childhood explores this idea as Libby Brooks talks to nine very different children between the ages of four and sixteen growing up in Britain today The public schoolboy the young offender the teenage mum the country lad for example talk amusingly frankly and sometimes shockingly about their own lives conveying a sense of immediate experience that is thought provoking and illuminating Enriched by insights from literature sociology history and psychology this is a remarkable piece of writing Anyone who cares about the welfare of children should read this important book Therapeutic Activities for Children and Teens Coping with Health Issues Robyn Hart,Judy Rollins,2011-03-21 Winner of the American Journal of Nursing Book of the Year 2011 Category Maternal And Child Health Building on children s natural inclinations to pretend and reenact play therapy is widely used in the treatment of psychological problems in childhood This book is the only one of its kind with more than 200 therapeutic activities specifically designed for working with children and teenagers within the healthcare system It provides evidence based age appropriate activities for interventions that promote coping The activities target topics such as separation anxiety self esteem issues body image death isolation and pain Mental health practitioners will appreciate its cookbook format with quickly read and implemented activities **“An” Old Testament Commentary for English Readers: Jeremiah, Lamentations, Ezekiel, Daniel, Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi. 1897** Charles John Ellicott,1897 **The Encyclopedia of Adoption** Christine A.
