Even As We Speak Avalon Romance:

Avalon's Love Casey Lindow, 2025-05-21 Avalon is a bold big hearted young woman who has built a new life for herself in the small mountain town of Forgotten Lake One fateful morning while down by the lake she meets a handsome vacationer who is just as inexplicably drawn to her as she is to him An almost unavoidable summer romance ensues and it isn't long before the two are entangled in a wildly intense roller coaster of a relationship Unable to escape her heightened feelings for her new lover the overly tenacious Avalon finds herself forced to learn exactly what it means to love an emotionally unavailable man

Felicity & Jason: The Boxed Set Tabeitha Pollard, 2020-06-16 This is a boxed set with the entire complete Felicity Jason series all in one Jason Miller is a man of plenty he has plenty money good lucks and can have any woman he wants but he's a one woman man That is until that one woman decided to leave him for another man Being hurt so bad Jason swore that he would never love another woman so deeply again Finessing women became his new second nature until one woman enters the picture and changes his life for good Felicity Brooks is what you would call a quadruple threat She can act sing dance and model and was on her way to stardom but when she got pregnant at fourteen she had to bow out of the limelight to raise her daughter and go to school With a nice chunk of money in her savings account she thought that she had enough to live comfortably for a while until she realized that her parents had spent it all With no money to her name and a daughter depending on her she relocated to Atlanta for an audition that led to much more than she bargained for when she meets Jason Miller The connection between Felicity and Jason was almost instant and had them both questioning everything they had said about love and relationships What started out as a casual encounter quickly grows into something that neither one of them expected What will happen when the masks come off and they are no longer able to hide their true feelings

Felicity and Jason 2 Tabeitha Pollard, 2019-10-22 Felicity is once again back in the headlines and it isn't all good After Dylan decided to kiss her in front of a fan looking for something juicy Jason is now questioning her loyalty to him She knows that she hasn't done anything wrong but Jason's trust issues may prove to be too much for her Will he be able to handle it when she tells him that Dylan wants to be a part of Avalon's life Jason thought that he had the perfect relationship That was until Dylan found a way to place doubt in his mind Jason knew that he had been burned before and he promised himself that he would never let another woman play him Will his jealous ways push the woman of his dreams away or will he wake up and realize that everything isn't what it seems Dylan is obsessed with getting Avalon and Felicity back He wants what he wants and no one is going to stop him He plans on stopping at nothing short of murder to get Felicity back in his bed and Avalon to call him Daddy Not even his parents or threats on his career will stop him Will he take it one step too far or will he succeed in his quest for love Raven is back and with a vengeance Seeing everyone going so hard for Felicity makes her blood boil She wants Felicity to be a vague memory in everyone's eyes and plans on using her new husband to do it She wants everyone to suffer and she knows that Felicity's disappearance will cause everyone pain A plot to kidnap the singer
