HARRIOTT,2014-04 As a youth born and raised in Jamaica and through some African history we were taught in school we acquired very little knowledge of the history of black nations I also learned and accepted a Christ like way of life which up to this present time remains the major force in my life on this planet and has also given me a great feeling of passion for all people We were financially poor but always had plenty of food and drink As a country boy when I left school I had no real concept of time but was acutely aware of day and night We did not know anything about slavery but one of the homes in which I was brought up was one of many slavery camps Some of the chains that were used to bind young children to their parents whilst they were working on the plantations later became our childhood toys The manner in which many of us were chastised was an indication of the upbringing that our parents were handing down to us because they knew of no other way *The Truth About Animals* Lucy Cooke,2018-04-17 Mary Roach meets Bill Bryson in this surefire summer winner Janet Maslin New York Times an uproarious tour of the basest instincts and biggest mysteries of the animal world Humans have gone to the Moon and discovered the Higgs boson but when it comes to understanding animals we ve still got a long way to go Whether we re seeing a viral video of romping baby pandas or a picture of penguins holding hands it s hard for us not to project our own values innocence fidelity temperance hard work onto animals So you ve probably never considered if moose get drunk penguins cheat on their mates or worker ants lay about They do and that s just for starters In *The Truth About Animals* Lucy Cooke takes us on a worldwide journey to meet everyone from a Colombian hippo castrator to a Chinese panda porn peddler all to lay bare the secret and often hilarious habits of the animal kingdom Charming and at times downright weird this modern bestiary is perfect for anyone who has ever suspected that virtue might be unnatural *Truth Considered and Applied* Stewart E. Kelly,2011-07-05 A classroom text for philosophy and theology students learning to defend Christianity with love and truth in the context of history and against the challenges of postmodernist thought *Focusing on Truth* Lawrence E. Johnson,2006-10-19 This book offers an introductory account of the central theories of truth A wide range of theories from those of correspondence and coherence to Tarski s semantic conception of truth are presented and assessed in order to profit from that which is of value in them The authot proposes a new account which it is asserted is adequate to meet the legitimate demands made on the theory of truth **Poetry in the Key of Truth** Howard R. Logan, Jr.,2010-04-05 This book was five years in writing and includes over ten years of notes written when I was drowning in the incredibly painful and complicated morass of drug and alcohol addiction Some of the most powerful emotions that I as a human being have ever felt were recorded on whatever paper that was around at the time I swore to God that if I survived and didn t totally lose my mind like so many around me did that I would tell anyone who would listen what it s like to lose yourself completely to the

demon of nothingness as I call it because it has the ability to transform all that you possess into nothing nada zilch so fast that your mind can't process it There were times so depressing and painful when the thought of living through another day was a bad option I wrote when I went into rehab and about what it took to find myself again I wrote about the joy of recovery and the fight to have it and to keep it I also write about hypocrisy as I see it While living on the other side of society I was constantly exposed to bullshit of every kind You name it I've heard it seen it and probably done it I've seen and played all the games So now I'm allergic and when I encounter the bullshit and game out here I write about it try to expose it Though I'm not the best Christian in this world I do believe in God and the church In my deepest despair I not only wanted to die I wanted my very soul to die too I wrote about these things too I've tried to include the outlook of live and let live in my poetry Some things are whimsical some about love some are political some dead serious All of it my music Howard R Logan Jr
