## **Everest Canada The Climb For Hope:**

**THE FIRST PILLAR OF LOVE** Erwin E. Sniedzins, 2023-07-12 Erwin Sniedzins a loving father and businessman in Canada is horrified and saddened when he discovers his wonderful one year old daughter Sarah normal at birth suddenly doesn't respond to the world around her Later Erwin reads about a condition called Rett Syndrome that affects only girls He thinks he has found the answer Dr Rett diagnoses Sarah with the genetic disorder he discovered called Rett Syndrome Erwin and his wife Marg first experience hope then great fear when they learn there is no cure Erwin's determination and passion for helping Sarah as well as girls like her and other families that suffer from the disease becomes his life mission He tenaciously seeks answers to his questions How to raise international awareness about Rett Syndrome How do we educate the Medical community to make them aware of the disease and enhance global research How to raise the funds necessary to unlock the nightmare of Rett Syndrome Erwin finds an answer and makes a courageous decision Climb the tallest and grandest mountain in the world Qhomolungma which in English is Mount Everest He quit his 18 year executive position at Xerox a global leader in photocopy machines and established the Canadian Rett Syndrome Association CRSA to raise national awareness and funds Along this complicated long arduous journey he becomes a charity leader who encounters opposition from the people he is trying to help resistance that sorely tests a father's resolve to reach Qhomolungma From Chinese hearts he finds much generosity to relieve the bitterness of fighting such fierce and counterproductive battles Despite sleepless nights and anxiety Erwin and his CRSA team plan to put on a high society fundraising gala charity called the Climb for Hope ball The Ball became another considerable challenge How do you organize a huge gala event It helped that he had attended many elaborate fundraising gala dinners Could he get 600 to 800 people to be present at the Climb for Hope Ball at 150 to 350 each to help raise funds for the expedition and parent support Who could help to make it successful The answer came from New Zealand

**Everest Canada** Peter Austen, 1992 Somehow the idea of charity balls and Mount Everest just don't fit together But neither does the idea of someone from backwoods BC organizing an Everest attempt which normally involves millions of dollars high profile sponsors even royal backing Prince George's Peter Austen proved that while all that might be nice it's not necessary Working from his living room he assembled a cohesive high spirited team whose Everest adventure takes them to such far flung places as Mount Communism in the former Soviet Union to Popocatepetl in Mexico to the red light district of Bangkok But the real adventure begins when they arrive in the fabled city of Kathmandu From there not even landslides and hostile border guards can keep them from Chomolungma the Mother Goddess of the World Rocky Horrors, Frozen Smiles Peter Austen, 2000 Avalanches lightning on mountaintops high altitude diseases grizzly bears the unpredictability of people under extreme stress hypothermia and even exploding volcanoes these are Peter's Rocky Horrors This book contains refreshingly unconventional stories combining climbing with travel culture and adventure Here the journey is at least as important as the objective The characters range from the anally retentive to the hilarious Peter Austen

has adventured in 60 countries over 40 years and returned intact from many famous peaks including Everest in Nepal Mount Communism in Russia Mont Blanc in France Mount Robson in Canada the Cascades of Washington state and Alpamayo in Peru He reveals the sometimes unavoidable and very human errors that occur and writes of his mishaps and amusements in a style that makes for fascinating reading Peter Austen's writing is for armchair mountaineers and serious climbers alike This is his second book following Everest Canada The Climb for Hope      **The Climb (Everest, Book 2)** Gordon Korman, 2013-09-24 A thrilling adventure trilogy from Gordon Korman that follows a group of young climbers to the top of Mt Everest The height of danger Everest The ultimate climb The greatest of risks Four kids are on a quest to reach the top and none of them are among the four anyone expected to be there when Summit Athletic started the contest to bring the youngest team of climbers to the peak Their ascent is not easy The weather is harsh and the competition is even harsher Then the unexpected happens and the climbing contest becomes a life or death rescue mission With thinning air and on thin ice no one is guaranteed to survive      Canadian Books in Print.
