L'Heureux,2010   *Samuel Beckett's Legacies in American Fiction* James Baxter,2021-11-30 Samuel Beckett s Legacies in American Fiction provides an overdue investigation into Beckett s rich influences over American writing Through in depth readings of postmodern authors such as Robert Coover Donald Barthelme Thomas Pynchon Don DeLillo Paul Auster and Lydia Davis this book situates Beckett s post war writing of exhaustion and generation in relation to the emergence of an explosive American avant garde In turn this study provides a valuable insight into the practical realities of Beckett s dissemination in America following the author s long standing relationship with the countercultural magazine Evergreen Review and its dramatic role in redrawing the possibilities of American culture in the 1960s While Beckett would be largely removed from his American context this book follows his vigorous albeit sometimes awkward reception alongside the authors and institutions central to shaping his legacies in 20th and 21st century America   *Two Novels* Alain Robbe-Grillet,1965 Jealousy In a tropical jungle overlooking a banana plantation a jealous husband is obsessed by his suspicion of adultery between his wife and his neighbor Robbe Grillet s handling of the devastating effect on the tormented husband and his subsequent violence gives us one of the most disturbing treatment of jealousy in contemporary fiction Publisher description   *Evergreen* ,1996   The Golden Cup Belva Plain,2014-08-06 NEW YORK TIMES BESTSELLER The triumphant saga that began in Evergreen continues A woman of hidden desires Hennie De Rivera has none of the wealth enjoyed by her relatives the Werner banking dynasty But tall shy Hennie has grand dreams especially of daring activist Dan Roth who invites controversy by fighting for New York s poorest immigrants Breaking society s rules might have devastating consequences for this passionate woman and for her nephew Paul Werner who weds his debutante fianc e while still yearning for his mother s beautiful maid Anna Friedman And amid heartbreaking discoveries and the gathering clouds of World War I the stirring family saga begun in Evergreen continues with an unforgettable tale of forbidden passions intimate secrets and sweeping social change   **Criticism of Society in the English Novel Between the Wars** Hena Maes-Jelinek,2013-05-22 The main concern of this study is the artist s vision of society its major theme is the relation between the individual and society resulting from the impact of social and political upheavals on individual life By criticism of society I mean the novelist s awareness of the social reality and of the individual s response to it the writers I deal with all proved alive to the changes that were taking place in English society between the two World Wars Though the social attitudes of the inter war years as well as the writers response to them were shaped by lasting and complex influences such as trends in philosophy and science the two Wars stand out as determining factors in the

development of the novel the consequences of the First were explored by most writers in the Twenties whereas in the following decade the novelists felt compelled to voice the anxiety aroused by the threat of another conflict and to warn against its possible effects After the First World War many writers felt keenly the social disruption the old standards which were thought to have made this suicidal War possible were distrusted the code of behaviour and the moral values of the older generation were openly criticized for having led to bankruptcy Disparagement of authority increased the individual s sense of isolation his insecurity his disgust or fear Even the search for pleasure so widely satirized in the Twenties was the expression of a cynicism born of despair The ensuing disengagement of the individual from his environment became a major theme in the novel his isolation was at once a cause for resentment and the source of his fierce individualism *Chinese Fiction of the Cultural Revolution* Lan Yang,1998-07-01 The book covers the choice of subject matter authorship and readership of Cultural Revolution fiction It analyses the characterization of heroes promoted in the literary and artistic field during this period By comparing Cultural Revolution fiction with the fiction of the preceding period with Soviet fiction and with some traditional Chinese and Western fiction this analysis emphasizes the ideological and cultural significance of the characteristics shown in the heroes personal background and their physical temperamental and behavioural qualities etc This book will be of significant benefit to both students and scholars of Chinese literature language and society **The English Catalogue of Books [annual].** ,1910 Vols 1898 include a directory of publishers **Pursuit** John Calder,2018-01-01 Publish and be damned Wellington s famous adage runs like a leitmotiv through John Calder s memoirs He has been damned by a censorious press by politicians by other publishers and by organs of the state for publishing books on sensitive issues Damned also for publishing such authors as Henry Miller William Burroughs Alexander Trocchi and Hubert Selby Jr as well as for bringing to public notice the abuses of the armies and security forces of colonial countries He took on American authors who could not be published in the United States during the McCarthy witch hunt He exposed the atrocities of the Algerian and other African wars and produced many books on British political social and moral issues which only a totally independent publisher could have done Born into the most conservative of establishment families John Calder has always gone his own way seeking out literary genius and creating a greater awareness of the world we inhabit His publishing programme contained a large proportion of the leading writers of the twentieth century including Samuel Beckett Eugene Ionesco Luigi Pirandello Alain Robbe Grillet Marguerite Duras Heinrich Boell and such British authors as Howard Barker Edward Bond Steven Berkoff and Ann Quin Anecdotes abound in these memoirs about Bertrand Russell Alger Hiss Graham Greene J B Priestley Jo Grimond and dozens of others whom the author encountered in his activities both within and outside of publishing This book is too outspoken to make many friends but it will open eyes and upset apple carts Never a saint Calder is as frank about his own failings as of those of others **The Publishers Weekly** ,1972 *Garden & Home Builder* William Tyler Miller,1915 **The Garden Magazine** ,1907 **Garden Magazine and Home Builder** ,1915
