Los Angeles A long distance truck driver he says Driving the freeways and different kinds of roads such as farm areas and wilderness I was inspired by the rivers creeks and forest ambiance that created a perfect setting to get this book started It took me about five years to compile such a wonderful story that involves how people believe in the power of God Publisher s website [http SBPRA.com](http://SBPRA.com) PeterRed APCL. ,1974 **Storm and Flood of July 31-August 1, 1976, in the Big Thompson River and Cache la Poudre River Basins, Larimer and Weld Counties, Colorado** Geological Survey (U.S.),1979 NOAA Technical Report ERL. L. Vincent,2009-02 C L Vincent lives in the forests of northern Minnesota Although self described as a recluse constantly surrounded by his family Vincent has traveled extensively throughout the Middle East Africa Europe and New Zealand His wealth of knowledge and experience in both ancient and contemporary cultures creates in the *Lost Magik* trilogy a fantasy world before recorded history With the creative imagination of cinema and a literary style unique in the world of fantasy authors Vincent establishes in his trilogy an insightful contribution to the origin of human behavior which develops from the intersecting shadows of light and dark good and evil In his first venture into the publishing world with *Lost Magik* Vincent purposely steps out of the defined and popularly followed boundaries of the fantasy genre Like the forests in which he lives Vincent takes the reader through an adventure that is at first dense and slow going Clearings appear suddenly but the ensuing tangle of underbrush can trip up a reader who is unexpectedly looking for a cookie cutter style typical of fantasy series When asked for an extensive interview on the release of *Lost Magik* Vincent declined but offered this explanation When a work of art speaks to me in that moment the last thing I want is for the artist to stand next to me and tell me who he is and why he painted what he did When pushed to offer a few more details about himself Vincent reluctantly complied I both fish a lot and fix motorcycles My greatest success in life is to earn my living without a career My family and friends are not at all surprised by the *Lost Magik* trilogy but they are surprised to find in all of my characters so little of them and so much of me It is not easy to live in the real world where I want everything to be all about me Ah but in a fantasy world it is my stage where I get to play every role When asked why he did not publish a nonfictional account of the physical and cultural anthropology for any one of many ancient civilizations he laughed and gave a wizardly wink as he answered Maybe I did The other books that continue the story *Invisible Thread Where the Mountains Meet the Sea* **Project IM 0252-317, South I-25 Corridor and US 85 Corridor, Douglas County** ,2001 *Castle Rock* Vicki Selander,2009 Early travelers coming up the Cowlitz River saw a large rock

formation next to the river which they named Castle Rock It was here nestled between the Willapa Hills and the Cascade Mountains that William and Eliza Huntington made their homestead in 1852 Theirs and several other early land grants make up what is now the site of Castle Rock as well as nearby homes and farms Descendants of many early pioneer families continue to live in Castle Rock including Pyle Jackson Merrill Dougherty Whittle Studebaker and others The town and its people have survived a series of natural disasters in the 20th century including floods an earthquake a Pacific hurricane and the eruption of Mount St Helens each time picking up the pieces of their lives and rebuilding With the virtual collapse of the timber industry Castle Rock is now beginning to find its identity and ability to prosper in the 21st century **Castle Blair**
