Every Goose A Swan:

Every Goose a Swan Audrie Manley-Tucker, 1972-01-01 *Little Aliens* Myra Kelly, 2021-04-25 In *Little Aliens* Myra Kelly presents a vivid exploration of immigrant childhood experiences through a tapestry of humor and poignant realism. The narrative unfolds through the eyes of young children navigating the complexities of a new world marked by the fusion of cultural identity and the trials of assimilation. Kelly's literary style is characterized by its vibrant dialogue and rich characterization, crafting a deeply relatable portrait that highlights the joys and tribulations of these little aliens as they reconcile their heritage with the challenges posed by their environments. The work reflects the broader literary context of early 20th century American immigrant literature, emphasizing themes of belonging and alienation. Myra Kelly, born in the late 19th century, was herself a keen observer of urban life and the immigrant experience, having grown up amidst the bustling communities of New York City. Her background as a teacher and writer allowed her to connect deeply with children's perspectives, amplifying their voices within her narratives. Kelly's engagement with immigrant families and her efforts to illuminate their struggles played a significant role in shaping the themes of empathy and cultural identity in *Little Aliens*. This enchanting book is recommended for readers seeking to understand the multifaceted experiences of immigrant children, as well as those interested in early 20th century literature that addresses issues of identity and belonging. Kelly's sensitivity and insight will resonate with anyone who has grappled with the joys and challenges of growing up in a world that feels both familiar and foreign.

Some Threepenny Bits George William Erskine Russell, 1908 **Federal Junior Duck Stamp Conservation Program, K-12**, 1998 *Mary Poppins, She Wrote* Valerie Lawson, 2013-12-03 THE ONLY TRUE STORY BEHIND THE CREATOR OF MARY POPPINS The remarkable life of P L Travers, the creator of Mary Poppins, perfect for fans of the movie *Mary Poppins Returns* and the original Disney classic. An arresting life, Lawson is superb at excavating the details. *Library Journal* The spellbinding stories of Mary Poppins, the quintessentially English and utterly magical nanny, have been loved by generations. She flew into the lives of the unsuspecting Banks family in a children's book that was instantly hailed as a classic, then became a household name when Julie Andrews stepped into the title role in Walt Disney's hugely successful and equally classic film. But the Mary Poppins in the stories was not the cheery film character. She was tart and sharp, plain and vain. She was a remarkable character. The story of Mary Poppins' creator, as this definitive biography reveals, is equally remarkable. The fabulous English nanny was actually conceived by an Australian, Pamela Lyndon Travers, who came to London in 1924 from Queensland as a journalist. She became involved with Theosophy, traveled in the literary circles of W B Yeats and T S Eliot, and became a disciple of the famed spiritual guru Gurdjieff. She famously clashed with Walt Disney over the adaptation of the Mary Poppins books into film. Travers, whom Disney accused of vanity for thinking you know more about Mary Poppins than I do, was as tart and opinionated as Julie Andrews's big screen Mary Poppins was cheery. Yet it was a love of mysticism and magic that shaped Travers's life as well as the character of Mary Poppins. The clipped, strict and ultimately

mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years Valerie Lawson s illuminating biography provides the first full look whose personal journey is as intriguing as her beloved characters
