Every Woman's Fantasy:

Every Woman's Fantasy Vicki Lewis Thompson, Julie McBride, 2001 **Female Fantasy** Iman Hariri-Kia, 2025-10-14 All's fair in love and lore Joonie is living in a fantasy at least that's what people keep telling her A copywriter by day and fanfic auteur by night Joonie continues to date and dump disappointing men in search of a happily ever after But every potential suitor seems to have one flaw in common They can't hold a candle to her book boyfriend Ryke The protagonist of her favorite fantasy romance series and notably a sexy merman Ryke is a symbol for the life Joonie craves and the kind of relationship she deserves So with a book always in her back pocket why would she ever settle for less But when Joonie learns that Ryke's character is based on someone the author knows in real life she embarks on an epic quest to track him down meet him in person and determine once and for all if soulmates really do exist Unfortunately her brother's annoying best friend who doesn't believe in love or happy endings insists on hitching a ride And like any great hero's journey it doesn't take long for the trials and tribulations to begin As Joonie fights her way toward her love interest using the skills she acquired through reading she'll learn an important lesson You can pursue a fantasy but you can't always write your own plot As unhinged as it is brilliant *Female Fantasy* is both a self-aware dive into the concept of genre and a wild steamy romp Most of all though it's a heartfelt love letter to romance readers everywhere

The Meaning of Wife Anne Kingston,2006-03-21 One part The Beauty Myth and one part Backlash a provocative exploration of who and what a wife really is There is a wife crisis in North America a brewing storm of conflicting forces swirling around what it means to be a wife at the beginning of the 21st Century The word is so fraught with ambiguity that it has become a litmus test eliciting from women emotions ranging from longing to antipathy anxiety to derision This crisis is at the heart of Anne Kingston s The Meaning of Wife Delving into the complex troubling and sometimes humorous contradictions illusions and realities of contemporary wifehood Kingston takes the reader on a fascinating journey into the wedding industrial complex which elevates the bride to a potent consumer

icon through the recent romanticization of domesticity and across the conflicted terrain of wifely sexuality She looks at wife backlash and the new wave of neo traditionalism that urges women to marry before their best before dates expire explores the apotheosis of abused wives and the strange celebration of wives who kill and muses on the fact that Oprah Winfrey and Martha Stewart two of the world s wealthiest and most influential women are both non wives whose success has hinged on thier understanding of wives The result is an entertaining mix of social sexual historical and economic commentary that is bound to stir debate even as it reframes our view of both women and marriage *Kissing Her Scrooge* Kinley

Light Me Up Isabel Sharpe,2012-08-01 The moment he sees Melissa Weber photographer Jack Shea knows he wants her as a model And maybe a little more Stunning serene and very very sexy she s perfect But keeping his hands off Melissa is going to be way harder than he thought Once Melissa is in front of the camera she comes to life channeling a raw passion that the camera and Jack find irresistible But each time she bares her body and soul the intense sexual current between them grows stronger And the more they give in to temptation the more they both risk becoming exposed **Christina Rossetti**

Jan Marsh,2012-11-29 Jan Marsh s book is the best researched and fullest biography of Rossetti we have yet had Fiona MacCarthy New York Review of Books Although never formally part of the Pre Raphaelite poetic school which included her brother Gabriel William Morris and Algernon Swinburne Christina Rossetti has always been linked to it Jan Marsh gives full attention to both the individual and her unique variety of fantastic and devotional poetry Marsh delineates an appealing person while examining her adolescent nervous breakdown abortive engagement to a lapsed Catholic painter frustrated love for an absentminded scholar and relationships with her devout but hearty sister Maria and with her brothers The author s steady sympathetic course through Rossetti s divided life enables readers to delve into the intense and original self most fully expressed in her poetry Kirkus Review **Articulating Difference** Sophie Salvo,2024-10-08 Enriches contemporary

debates about gender and language by probing the histories of the philosophy and sciences of language Drawing on a wide range of texts from understudied ethnographic and scientific works to canonical literature and philosophy Sophie Salvo uncovers the prehistory of the inextricability of gender and language Taking German discourses on language as her focus she argues that we are not the inventors but rather the inheritors and adapters of the notion that gender and language are interrelated Particularly during the long nineteenth century ideas about sexual differences shaped how language was understood classified and analyzed As Salvo explains philosophers asserted the patriarchal origins of language linguists investigated women's languages and grammatical gender and literary Modernists imagined feminine sign systems and in doing so they not only deemed sex based divisions to be necessary categories of language but also produced a plethora of gendered tropes and fictions which they used both to support their claims and delimit their disciplines Articulating Difference charts new territory revealing how gendered conceptions of language make possible the misogynistic logic of exclusion that underlies arguments claiming for example that women cannot be great orators or writers While Salvo focuses on how male scholars aligned language study with masculinity she also uncovers how women responded highlighting the contributions of understudied nineteenth century works on language that women wrote even as they were excluded from academic opportunities
