A Biblical Response to Superstition, Will-Worship and the Christmas Holiday Daniel Cawdrey,2012-06-25 In this work Cawdrey exegetically and biblically demonstrates that worship to God is accomplished through God s prescription alone Anything less is man s invention which leads to superstition and will worship He ably defends the regulative principle of worship that God alone determines the manner in which sinners are to approach him and demonstrates that even the holiday of Christmas in the manner that people use it as a holy day is in fact filled with superstition and must be considered will worship This is a powerful and scholarly treatise on holding steadfastly to God s prescribed manner of worship and an exhortation to throw out all man made inventions that hinder communion with God This work is not a scan or facsimile and has been made easy to read with an active table of contents for electronic versions
