Life and Death in Kolofata Ellen Einterz,2018-01-05 When Dr Ellen Einterz first arrives in the town of Kolofata in Cameroon the situation is dire patients are exploited by healthcare workers unsterilized needles are reused and only the wealthy can afford care In Life and Death in Kolofata An American Doctor in Africa Einterz tells her remarkable story of delivering healthcare for 24 years in one of the poorest countries in the world revealing both touching stories of those she is able to help and the terrible suffering

of people born in extreme poverty In one case a 6 year old burn victim suffers after an oil tanker tips and catches fire in another story Dr Einterz delivers a child in the front yard of her home In addition to struggling to cure diseases and injuries and combat malnutrition Einterz faced another kind of danger the terrorist organization Boko Haram had successively kidnapped politicians from Cameroon and foreigners and they had set their sights on Americans in particular It would only be a matter of time before they would come for her Tragic heartwarming and at times even humorous Life and Death in Kolofata illustrates daily life for the people of Cameroon and their doctor documenting both the incredible human suffering in the world and the difference that can be made by those willing to help **The Mailbox** ,2007 **Sierra Jensen Collection, Vol 3**

Robin Jones Gunn,2006-07-03 Happenstance or God's Great Plan She's the bold free spirited type She's cute she's fun and she's following God She's Sierra Jensen Christy Miller's good friend ready for her junior year of high school All twelve books in the popular Sierra Jensen series come together in four volumes to reveal the ups and downs of Sierra's incredible God led journey Volume Three An exciting trip to Europe challenges Sierra to Open Your Heart to loving others without expectations At the start of her senior year only Time Will Tell the truth about Sierra's friendships And in Now Picture This she wonders if her relationship with Paul is as picture perfect as she thinks Christy Miller knows a good friend when she meets her and so will you Sierra Jensen is at it again Open Your Heart What an adventure Having Christy Miller invite Sierra on an all expenses paid trip to Europe was amazing but that was just the beginning Sierra never imagined she'd meet someone like Alex a dark eyed Russian college student who's a Christian Or that they'd all come face to face with disaster Through it all one question haunts Sierra can she learn to love others without expecting anything in return Will she finally be able to open her heart to others and to God Time Will Tell Sierra's senior year of high school is here but after the great summer she just had how can it be anything but a letdown Sure enough the year tanks big time when the school issues her buddy Randy an ultimatum Stuck in the middle Sierra wonders what's right Her friend or the rules She longs to talk it over with Amy but Sierra's best friend still isn't talking to her What's worse she hasn't heard a word from Paul No doubt about it this school year is totally frustrating Will Sierra ever understand her friendships or God's plans for them Now Picture This Why can't everyone just leave Sierra alone All she wants to do is find a place to read the letter she just received from Paul to soak in every word and memorize the photo he sent her but Thanksgiving at the Jensen house means relatives everywhere Sierra hides out immersed in her ideas for Paul's birthday and Christmas gifts especially his requested gift a photo of her Sierra's determined the photo has to be spectacular But a small voice of doubt nags at her What does God think of her ignoring her family and friends this way Is her picture perfect relationship with Paul really all she thinks it is Story Behind the Book After writing the twelve book Christy Miller series for teens a new character showed up on the pages of the final novel Her name was Sierra Jensen and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices Our family had just moved to Portland at the time and I found it

easy to picture a sixteen year old like Sierra shopping at the local vintage clothing stores hanging out with friends at a garage band concert and serving at the homeless shelter on weekends Robin Jones Gunn **Leadership from the Ground Up** Michele A. Acker-Hocevar, Marta I. Cruz-Janzen, Cynthia L. Wilson, 2012-01-01 This book chronicles the journey of seven schools serving students of poverty English Language Learners ELLs and students of color which were able to sustain school improvement for a decade on either state and or national criteria that measure student performance outcomes The book shares stories of these seven schools and demonstrates that it takes an entire school working together with their communities adding to the social and cultural capital of their students and families to create and nurture what we call a Learning Partnership for sustainable school improvement The answers for how these schools sustained school improvement and are effective schools is evident from their school student metrics that validate the school s ability to meet and sustain external mandates of high performance over time The seven individual case stories illustrate that what matters most is what happens in the school itself It is the internal culture of caring and respecting each other and working from an additive perspective of valuing students for their unique gifts and abilities rather than exclusively focusing on increasing test scores that makes these school stories unique This is not about heroic leadership but leadership spread out and shared among professionals working together to achieve common goals around shared values and beliefs This book is about using resources in ways that value human capital as the greatest asset in the school to ensure that educators feel a sense of commitment connection and passion for their work together with students their families and their communities that enable them to excel together We offer readers seven cases that demonstrate there is no cookie cutter approach to having an effective school Rather there is a theory in practice that grounds the Learning Partnership depicted as a tree within a sustainable school improvement culture This sustainable culture connects shared leadership and accountability resourcefulness a humanistic philosophy additive schooling and results in an organization synergy that sustains organizational and collective efficacy for achieving results in these schools that other educators in schools with similar demographics are often unable to sustain or attain **First Comes Love, then Comes Malaria** Eve Brown-Waite, 2010-04-13 In this hilarious memoir a pampered city girl falls head over little black heels in love with a Peace Corps poster boy and follows him literally to the ends of the earth Eve Brown always thought she would join the Peace Corps someday although she secretly worried about life without sushi frothy coffee drinks and air conditioning But with college diploma in hand it was time to put up or shut up So with some ambivalence she arrived at the Peace Corps office sporting her best safari chic attire to casually look into the steps one might take to become a global humanitarian a la Angelina Jolie But when Eve meets John her dashing young Peace Corps recruiter all her ambivalence flies out the window She absolutely must join the Peace Corps and win John s heart in the process After spending a year in the jungle in Ecuador she runs back to the states vowing to stay within easy reach of a decaf cappuccino for the rest of her days Just as she s getting reacquainted with the joys of toilet paper John gets a job with CARE and Eve

must decide if she's up for life in another third world outpost Before you can say pass the malaria prophylaxis the couple heads off to Uganda and the fun really begins if you call having rats in your toilet fun Fortunately in Eve's case you certainly can because to her every experience is an adventure to embrace and the pages come alive with all of the poignant and uproarious details From intestinal parasites to getting caught in a civil war culture clashes to unexpected friendships First Comes Love then Comes Malaria is an honest and laugh out loud look at Eve's misadventures as an aspiring do gooder and her search for love and purpose which she finds in the last place she expected **New York Magazine** ,1988-09-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea My Rival, The Sky Margo Kurtz,2014-04-29 In a compelling memoir as timely and important today as it was when it was first published 70 years ago a spirited young girl takes to the skies with the love of her life and returns to earth a worldly wise and self determined woman Margo Rogers is a poetically inclined college student from a salt of the earth Midwestern family Frankie Kurtz is a wiry Olympic high diver who left home at ten and raised himself on the streets From its beginning their love story is a soaring adventure He teaches her to fly she teaches him to trust She becomes a wife he becomes a soldier As Japanese bombs rain down on Frank's position at Clark Air Force Base in the Philippines in the terrifying days that follow the attack on Pearl Harbor from her base in the American prairie Margo gathers enough strength of will to see them both through these dark days Blackout curtains fall and wartime censors stand between her and any peace she might find in hearing Frankie's voice But Margo sets a course for her own fight armed with imagination courage understanding and a quiet insistence that waiting must be turned into living lest separation become an abyss too deep to cross By turns hopeful and heart warming poignant and funny My Rival the Sky is a riveting personal history of Colonel Frank Kurtz the most decorated Army Air Corps pilot of World War II It is also a chronicle of The Swoose an unstoppable Flying Fortress said to be part swan part goose It is the story of Margo Kurtz the force of nature who kept them both from falling It is a story about the life we create when the world takes away the life we hope for a powerful message for every military family every spouse and parent held hostage by their love for brave men and women gone to war It speaks for all who from the home front wage those inner battles through which a peacetime home is once again made whole In the late 1940's the Smithsonian Institution accepted possession of The Swoose where it remained in storage until the National Museum of the United States Air Force acquired it in 2008 After a complete restoration The Swoose will be placed on display at the museum
