the only witnesses to that life Social and economic life has its own momentum and its own continuity Its moral and spiritual aspects deserve historical study and impose new historical disciplines Crusades studies have become more interdisciplinary and less monolithic That new style of enquiry is fully reflected in the range and variety of the papers tightly focussed on Antioch printed in this volume **The British National Bibliography** Arthur James Wells,2002 *Pilgrim Journeys: The Creeds* Steven Croft,2021-01-04 Pilgrim Journeys The Creeds explores what Christians believe in 40 short daily reflections for Lent 2021 Whether you are new to faith or have been a Christian for many years this booklet will help deepen your understanding of Christian teaching and remind you afresh of who you are within God s story Each day provides you with a short reflection on a Bible reading an invitation to pray and a suggestion of how you might respond to the Creeds life giving and life saving statements The Pilgrim Journeys booklets are ideal daily companions for anyone seeking to grow in the Christian faith They are suitable for those preparing for baptism or confirmation including those using the Pilgrim discipleship course but can be used by anyone at any stage of their Christian journey **Jerusalem's Pilgrim, Or, A Journey from the Kingdom of Darkness to the New Jerusalem, Set Forth Under the Similitude of a Dream** Betsey P.
