than he should and if he doesn't stay alert he'll lose her in the same way he lost his wife It's All About the Woman Who Wears It Cristina Perez, 2010-03-02 Emmy Award winning Judge Cristina Perez of Cristina's Court imparts ten laws to empower women. With her quick wit, charm, and genuine compassion, Judge Perez has not only redefined the role of intimidating TV court judge but also gained the trust and respect from a new generation of young women. In It's All About the Woman Who Wears It, Judge Perez lends the same candid voice, humor, and understanding that she applies in Cristina's Court to ten impactful laws. Together, these laws can teach women that the real essence of being sexy comes from a strong sense of identity. They address the problems women commonly face that prevent them from realizing their full potential for happiness. Sharing personal experiences that have made her the confident woman she is today, as well as the many real-life lessons imparted from her cases, Judge Cristina's words will resound among this new generation of women who take a no-nonsense approach to life and above all else want to be true to themselves *A Companion to Simone de Beauvoir* Laura Hengehold, Nancy Bauer, 2017-10-02 Winner of the 2018 Choice award for Outstanding Academic Title. The work of Simone de Beauvoir has endured and flowered in the last two decades thanks primarily to the lasting influence of *The Second Sex* on the rise of academic discussions of gender, sexuality, and old age. Now in this new Companion dedicated to her life and writings, an international assembly of prominent scholars, essayists, and leading interpreters reflect upon the range of Beauvoir's contribution to philosophy as one of the great authors, thinkers, and public intellectuals of the twentieth century. The Companion examines Beauvoir's rich intellectual life from a variety of angles, including literary, historical, and anthropological perspectives, and situates her in relation to her forbears and contemporaries in the philosophical canon. Essays in each of four thematic sections reveal the breadth and acuity of her insight from the significance of *The Second Sex* and her work on the metaphysics of gender to her plentiful contributions in ethics and political philosophy. Later chapters trace the relationship between Beauvoir's philosophical and literary work and open up her scholarship to global issues, questions of race, and the legacy of colonialism and sexism. The volume concludes by considering her impact on contemporary feminist thought. Writ large and featuring pioneering work from a new generation of Beauvoir scholars, *Ambitious and Unprecedented* is in scope. *A Companion to Simone de Beauvoir* is an accessible and interdisciplinary resource for students, teachers, and researchers across the humanities and social sciences **A Thousand Steps to Parliament** Manduhai Buyandelger, 2022-11-15 *A Thousand Steps to Parliament* traces how the complicated, contradictory paths to political representation that women in Mongolia must walk mirror those the world over. Mongolia has often been deemed an island of democracy commended for its rapid adoption of free democratic elections in the wake of totalitarian socialism. The democratizing era, however, brought alongside it a phenomenon that Manduhai Buyandelger terms electionization: a restructuring of elections from time-grounded events into a continuous neoliberal force that governs everyday life beyond the electoral period. In this way, electoral campaigns have come to substitute for the functions of governing from social welfare to

the private sector requiring an accumulation of wealth and power beyond the reach of most women candidates In *A Thousand Steps to Parliament* Buyandelger shows how successful women candidates instead use strategies of self polishing to cultivate charisma and a reputation for being oyunlag or intellectual This carefully crafted identity can be called the electable self treating their bodies and minds as pliable and renewable women candidates draw from the same practices of neoliberalism that have unsustainably commercialized elections By tracing the complicated contradictory paths to representation that women in Mongolia must walk *A Thousand Steps to Parliament* holds a mirror up to democracies the world over revealing an urgent need to grapple with the encroaching effects of neoliberalism in our global political systems

A Tip for the Hangman Allison Epstein, 2024-12-03. A Tip for the Hangman is simultaneously moving, unsettling, hilarious, and tragic, a debut that will linger long after the last page is turned. Kate Quinn, New York Times bestselling author of The Alice Network. An impious charity scholar dreaming of becoming a playwright, Christopher Marlowe keeps well clear of politics. Between lingering looks at golden-haired Tom Watson and his own penchant for recklessness, he has enough distractions to threaten his studies already. Then the queen's spymaster arrives at Cambridge, enlisting Kit's help to take down a plot that threatens civil war. With little choice in the matter, Kit begins a secret career in codebreaking, deception, conspiracy, and death. He must deceive everyone around him, from queens to scullery maids, and gain the trust of people he will betray. The horrible fates of the guilty haunt him even as he delights in the thrill and challenge of the work. But as he risks his life for crown and country, Kit snatches victories for himself as well, writing scandalous dramas that make him the most celebrated playwright in London and chasing a daring happiness alongside Tom. But when a new threat rises, just as Kit and Tom are most vulnerable, Kit will be tested as never before. With high stakes, intrigue, and effortless immersion into the time period, Allison Epstein translates the story of one of early modern England's most compelling personalities into a novel bursting with humor, anguish, and heart. Praise for A Tip for the Hangman: Epstein presents Marlowe as supremely capable, something of a trickster, a consummate liar, a fiendish lover, and someone capable of murder. The suspense is palpable, as is the sense of doom as Marlowe finds himself in thrall to a devil's bargain. The New York Times Book Review. Thrilling and romantic. Epstein successfully evokes both the beauty and the brutality of 16th-century England. Historical Novel Society. This is easily one of 2021's best historical fiction books to date. The Michigan Daily. Stunning. With wit and humor, Epstein expertly weaves in authentic social, political, and religious details, creating a compelling and evocative story that soars. Fans of thrilling historical fiction will be highly engaged by this fast-paced read. Susanna Calkins, author of the award-winning Lucy Champion historical mysteries. Debut author Allison Epstein delivers an absolute tour de force. This masterfully researched, beautifully written novel takes the reader inside the spy networks, taverns, theatres, and halls of power of Tudor England, with the irreverent Christopher Marlowe as our guide. Epstein is a talent to watch. Alyssa Palombo, author of The Borgias Confessions. Allison Epstein's imaginative take on Christopher Marlowe is virtuoso on many levels. Her London is perfectly

rendered in all its pungence and pageantry But the double crossing the moral ambiguity and the bloodlust all give fresh legs to a literary mystery that has as much Philip as Kit Marlowe in it Lee Irby author of Unreliable Anyone who likes Elizabethan bad boys theater spies high intrigue suspense and sex is going to be delighted by A Tip for the Hangman Delia Sherman author of The Porcelain Dove The Christopher Marlowe book we ve been waiting for Here is the sexy witty self destructive genius who can t stay out of trouble blazing through an Elizabethan period that comes vividly to life in Epstein s well researched novel Ellen Kushner author of Swordpoint The Writings of Thomas Wentworth Higginson: Women and the alphabet, a series of essays Thomas Wentworth Higginson,1900 **Women and the alphabet** Thomas Wentworth Higginson,1900 **California Occident** ,1900 **Anger Management For Dummies** Gill Bloxham,W.
