Miriam Clifford, 2009-08 The Author had entered into this life by rape of a woman without being asked to be born without having made any effort to get here A newborn does not know she is alive There is no realization factor for the infant is as if it was unconscious An irresistible instinct impels her as she becomes a woman her life takes a deep plunge felt by the indifferent blows of tragedy such as dying at a young age starvation physical and emotional abuse financial ruin automobile accident divorce and homelessness and the list goes through many situations Each predicament centers on the story of someone who came into her life e fabric of our lives is the sum total of all our experiences Thinking back to what shaped the Author provides a revealing perspective She did not write these thoughts from a palace Miriam wrote them while she was going through the roughest times in her life in journals on napkins and on cardboard on the streets of emptiness An Atheist meets her Maker Jesus again this time in the dark alley in New York City The journey of forgiveness redemption healing and restoration provides powerful insight why each person is obliged in spite of self to investigate on their journey that the human thought is related to the principle reason that nothing is without cause ere one discovers that their life is mapped out for a purpose an assignment leading into destiny Her life changes 360 degree as she starts reflecting on her life which propels her into a voyage of the true self discovery finding and then knowing the source of life is God Life is not about finding yourself it is about discovering who God created you to be *Francophone Women* Cybelle McFadden Wilkens, Cybelle H. McFadden, Sandrine F. Teixidor, 2010 *Francophone Women Between Visibility and Invisibility* underscores the writing of authors who foreground the female body and who write across geographical borders as part of a global literary movement that has the French language as its common denominator This edited collection exposes how female authors portray the tensions that exist between visibility and invisibility public and private presence and absence and excess and restraint when it is linked to femininity and the female body Book Jacket **Women Renaissance** Nitya Tiwari , 2022-07-27 Acerbity Look who's talking of women empowerment This patriarchal society Still entangled in the clutches of feminist and feminism averred Discriminated on the name of equality in the precedence of this dominated laddish quality Even today in jobs she is being paid less Domestic violence and incessant suppression Has made her life a mess Exploited in the name of ostensible laws She is a woman after all full of flaws But before you come forth just remember one thing She is a woman sir She's born with wings Gone are the days When man was considered to be a defender of women She needs to be protected she's frail in futility they chanted Her virtue of forgiveness was always taken for granted Past has taught her the resilience And now she is fierce Blood hardships and toil she now even appraises her tears Till the time woman needs to be empowered True empowerment won't come As yet you keep her rights and interests immured inside a slum The day when we don't need such words as women empowerment Congrats my dear That day our girls will be really empowered The Heroine's Journey
