Grid World KC Martin, 2019-08-08. It is the year 2091 and Grid World is now a paradise world under serious threat. Marc Wilson was one of the first people to be born in this digital paradise and he has now lived there for thirty years. With the help of those that had followed his father Paul and those since born here, Grid World was grown into a beautiful paradise world with no crime, disease or famine. Everyone does their part for the good of Grid World and everyone is treated on equal terms no matter their gender, colour or sexual preference. Sadly, life is still very different back in what is termed the real world. Continual global wars, devastation and starvation have continued to ravage the population and those few that still survive are now nothing more than slaves working for the two surviving Warlords and their murderous armies. Both warlords are very aware of the existence of Grid World and when one of them has gained total global dominance they will begin to cast their murderous attention towards the digital utopia that exists below his feet. In fact, it is very possible an attack of some form has already begun. Grid World is showing the first signs of instability. Can Grid World survive against an army that has over one million battle-hardened soldiers and an insane genocidal leader? Will they fall the way of the nations on the planet's surface or will Marc lead them to victory? Who, if any, will survive? **It's Not the End of the World** Judy Blume, 2024-11-05.

Karen couldn't tell Mrs. Singer why she had to take her Viking diorama out of the sixth grade showcase. She felt like yelling, "To keep my parents from getting divorced." But she couldn't say it and the whole class was looking at her anyway. Karen's world was ending. Her father had moved out of the house weeks before now; he was going to Las Vegas to get divorced and her mother was pleased. She had only a few days to get the two of them together in the same room. Maybe if she could they would just forget about the divorce. Then the Newman family could be its old self again, maybe. But Karen knew something she didn't know last winter: that sometimes people who shouldn't be apart are impossible together. *Loving the Silent Tears* The Supreme Master Ching Hai, 2015-01-01. *Loving the Silent Tears* is more than a musical.
