European Foreign Policy

Panos Koutrakos

European Foreign Policy:

European Foreign Policy Panos Koutrakos, 2011-01-01 Like early mariners politicians and officials trying to navigate European foreign policy find themselves in an environment of unpredictable hazards hidden institutional shoals and legal reefs that can tear the bottom out of a policy This insightful collection of contrasted studies shines the twin beams of political science and legal analysis into these opaque depths Practitioners as well as scholars will benefit from the illumination Nick Witney European Council on Foreign Relations and Former Chief Executive of the European Defence Agency UK This collection on EU foreign policy is an attractive one for several reasons it contains a very nice set of essays on a topic which has loomed large on the European Union agenda for some years namely the international role of the EU The chapters are written by a range of interesting and eminent scholars in the field Most importantly in terms of its distinctive contribution the book brings together perspectives from law and from political science This is done in part by including chapters by authors from different disciplines but also by choosing cross pillar themes and topics such as the European Neighbourhood Policy EU policy on Kosovo security and defence policy as well as more general cross cutting themes like the idea of coherence the position of the EU within international organizations and the approach of the EU to the international legal order Each of the individual chapters is well worth reading and the book as a whole is a useful and interesting contribution to the existing literature Gr inne de B rca Harvard Law School US Written by leading experts this book focuses on central issues of the foreign policy of the European Union The issues explored include how the EU s judges understand its relationship with the international order the coherence of the Union s external action the EU s approach to its neighbours the Common Security and Defence Policy and the EU s participation in international organisations By addressing each topic from a legal political science and international relations standpoint this relevant book highlights the different perspectives that these disciplines bring to the central issues of the EU s foreign affairs and starts a conversation between the respective communities Scholars and students in European and international law politics and international relations will find this book insightful It will also prove timely for policy makers in the EU and international organisations as well as think tanks and non governmental organisations specialising in European affairs

Paradoxes of European Foreign Policy Jan Zielonka, 1998-05-26 Addresses paradoxes in the EU s foreign policy and asks questions such as how can the European Union s power of attraction combined with its operational weakness be explained and can the EU remain a civilian power when coping with an uncivilized world

The Foreign Policy of the European Union Stephan Keukeleire, Tom Delreux, 2022-02-10 Keukeleire and Delreux demonstrate the scope and diversity of the European Union s foreign policy showing that EU foreign policy is broader than the Common Foreign and Security Policy and the Common Security and Defence Policy and that areas such as trade development environment and energy are inextricable elements of it This book offers a comprehensive and critical account of the EU s key foreign relations with its neighbourhood with the US China and Russia and with emerged powers and argues

that the EU's foreign policy needs to be understood not only as a response to crises and conflicts but also as a means of shaping international structures and influencing long term processes This third edition reflects recent changes and trends in EU foreign policy as well as the international context in which it operates addressing issues such as the increasingly contested international order the conflict in Ukraine the migration and refugee crisis Brexit and Covid 19 The book not only clarifies the formal procedures in EU foreign policy making but also elucidates how it works in practice The third edition includes new sections and boxes on strategic autonomy European arms exports the EU's external representation the Brussels Effect and decentring and gender approaches to EU foreign policy Up to date jargon free and supported by its own website eufp.eu this systematic and innovative appraisal of this key policy area is suitable for undergraduate and postgraduate students as well as practitioners

Foreign Policy in the European Union Ben Soetendorp, 2014-06-11 Ben Soetendorp examines the extent to which individual member states each with their own history special interests and styles of foreign policy making still dominate the common foreign policy making process within the European Union The first part of the book reviews the diverse foreign policy patterns of the individual member states towards European integration describes the various styles of foreign policy and examines the institutional arrangements for joint foreign policy making created by the member states at EU level The second part looks more closely at the reality of foreign policy making in a number of case studies focusing on the diplomatic military and economic dimensions of European Union's foreign policy This structure and approach enable the reader to understand the reality of European foreign policy making to comprehend the relationship between the foreign policies of the member states of the EU and the foreign policy of the EU as a whole and to make a judgement as to the likely scenarios for the future Foreign Policy in the European Union is an important and accessible addition to the textbook literature on European integration that will be essential reading for undergraduate and Masters level courses on European integration within politics international relations European Studies and history degrees

European Foreign Policy in an Evolving International System N. Casarini, C. Musu, 2007-08-09 European Foreign Policy in an Evolving International System provides the reader with an updated assessment of European Foreign Policy fifteen years after Maastricht The contributions analyze the level of policy convergence achieved by EU member states in crucial areas and regions of the world

The Foreign Policy of the European Union Federiga Bindi, 2022-10-04 An all inclusive exhaustive evaluation of the foreign policy of the European Union Fourteen years ago the 2009 Lisbon Treaty put into place the legal and structural foundations for the European Union to play a role as a global actor In the decade since the EU itself has undergone intense political and economic stress from debt crises to the rise of nationalist parties and the strains of Brexit What effect have these changes had on the EU's foreign policy and its role in the world This new edition of The Foreign Policy of the European Union offers an up to date and comprehensive examination of that question The globe spanning contributions to the book include a look at relations between Brussels and its regional neighbors including Russia

the tensions that have arisen with the United States during the Trump administration and the burgeoning relationship with China How the EU is dealing with issues such as migration terrorism trade and security round out the volume

The Actors in Europe's Foreign Policy Christopher Hill, 2013-01-11 Five years ago observers might have doubted that national foreign policies would continue to be of importance it seemed inevitable that collective European positions were becoming ever more common and effective Now the pendulum has swung back with a vengeance The divided European responses to the prospect of war with Iraq in 1990 91 and to the war in the Balkans have made what happens in the national capitals seem divisive The Actors in Europe's Foreign Policy is a timely survey of the interplay between the European Union's Common Foreign and Security Policy and the long established national foreign policies of the Union's Member States The book contains a chapter on each country in the Union as well as a chapter on the United States in its role as the thirteenth seat at the table There is also a chapter on the European Commission whose role in the external relations of the Community steadily grew during the 1980's This book will be invaluable for students and scholars of the European Union and of international politics It will also be of great interest to practitioners in all countries concerned with Europe's role in international affairs

An Introduction to European Foreign Policy Fraser Cameron, 2012-02-22 This text is the best introduction to the history institutions actors processes and challenges of European Foreign Policy This 2nd edition has been fully revised and updated to reflect the substantial changes to European Foreign Policy as a result of the Lisbon Treaty and other significant changes in European and global politics New material for this edition includes detailed analysis of the changes brought about by the Lisbon treaty including the new High Representative of the Union for Foreign Affairs and Security Policy and the new EU External Action Service changing transatlantic relations since the election of President Obama expanded discussion of the European and Security Defence missions in Afghanistan Kosovo and elsewhere an assessment of the impact of the relations between the EU and its three strategic partners China India and Japan as well as ASEAN and the new FTA with Korea evaluation of the global financial crisis on the EU examining EU's external relations within the context of a rapidly changing global power structure With clearly illustrated up to date case studies covering major issues such as Egypt Libya Iraq and Iran each chapter includes key questions and suggestions for further reading As such An Introduction to European Foreign Policy continues to be essential reading for all students of European and international politics as well as those who wish to become involved in the external relations of the EU

European Foreign Policy Christopher Hill, Karen E. Smith, 2002-09-11 This book's unparalleled coverage makes it an essential resource for all those interested in European politics and International Relations

European Foreign Policy Dieter Mahncke, 2004 There is agreement in political and academic circles that the European Union needs a common foreign and security policy CFSP The question is how to move from recognised necessity to practical implementation from rhetoric to reality Many efforts have been made and indeed the creation of a European foreign policy is work in progress Bringing together a multinational team of both young researchers

and established academics this volume offers a comprehensive analysis of this process uniquely combining the examination of the foundations institutions procedures and obstacles of EU level foreign policy with an extensive range of case studies exploring European policy on the ground in key areas such as the Balkans Africa or the Middle East Of use and interest to students of European politics and the general reader alike it breaks through the Euro jargon to provide a clear accessible and up to date account of this unprecedented system of international relations with a particular focus placed on the questions of why EU member states participate in the CFSP and what impact it enables them to have in geopolitics

The SAGE Handbook of European Foreign Policy Knud Erik Jorgensen, Aasne Kalland Aarstad, Edith Drieskens, Katie Laatikainen, Ben Tonra, 2015-04-30 During the last two decades the study of European foreign policy has experienced remarkable growth presumably reflecting a more significant international role of the European Union The Union has significantly expanded its policy portfolio and though empty symbolic politics still exists the Union's international relations have become more substantial and its foreign policy more focused European foreign policy has become a dynamic policy area being adapted to changing challenges and environments such as the Arab Spring new emerging economies powers the crisis of multilateralism and much more The SAGE Handbook of European Foreign Policy Two Volume set is a major reference work for Foreign Policy Programmes around the world The Handbook is designed to be accessible to graduate and postgraduate students in a wide variety of disciplines across the humanities and social sciences Both volumes are structured to address areas of critical concern to scholars at the cutting edge of all major dimensions of foreign policy The volumes are composed of original chapters written specifically to the following themes Research traditions and historical experience Theoretical perspectives EU actors State actors Societal actors The politics of European foreign policy Bilateral relations Relations with multilateral institutions Individual policies Transnational challenges The Handbook will be an essential reference for both advanced students and scholars

Towards a European Foreign Policy Johan Karel de Vree, Peter Coffey, Richard H. Lauwaars, Alfred Pijpers, Edmond L. M. Völker, 1987-01-01 This book contains more than 360 documents relevant to the international legal position of the Yugoslav territories in the 19th century the creation of Yugoslavia as a common state of the Serbs Croats Slovenes 1918 its constitutional development the process of dissolution of Yugoslavia the creation of the new states of Slovenia Croatia Bosnia Herzegovina Macedonia the Federal Republic of Yugoslavia It includes documents from the beginning of the 19th century showing the international legal position of the Yugoslav territories under the Austro Hungarian Ottoman Empires the independence of Serbia Montenegro recognized by the Treaty of Berlin 1878 the major events in the history of the creation of Yugoslavia as a joint state of the Serbs Croats Slovenes in 1918 concerning both its international position its constitutional organization The process of the dissolution of the Socialist Federal Republic of Yugoslavia covering the period from 1990 to September 1 1993 is presented through reproduced documents of international organizations United Nations European Community Western European Union Organization of Islamic Conference etc of the different conferences

forums CSCE Group of Seven etc documents issued by Yugoslav organs the organs of new states of the former Yugoslavia The book also includes documents of a constitutional nature concerning the creation of the new states of Slovenia Croatia Macedonia the Federal Republic of Yugoslavia It provides researchers in the field of international law political science of history with documentary information involving international legal constitutional aspects relating to Yugoslavia

The Foreign Policies of European Union Member States Ian Manners, Richard Whitman, 2000 This comparative analysis of the foreign policies of European Union member states includes comprehensive coverage of the post Maastricht period and the three newest members of the EU In the only comparative study of its kind since 1976 the book analyzes the dual impact of the Maastricht Treaty on the European Union and the post Cold War environment on the foreign policy processes of the EU's member states The book argues for a new approach to the foreign policy analysis of EU states that recognizes the fundamental changes that membership brings after the Cold War but also acknowledges the diverse role of policies which states seek to retain or advance as being special

Understanding European Foreign Policy Brian White, 2017-03-14 A broad ranging introduction to European foreign policy looking at the extent to which a concerted approach is emerging at EU level the extent of Europeanization of National Foreign Policy and the theoretical issues posed for theories of foreign policy and international relations more generally

National and European Foreign Policy Reuben Wong, Christopher Hill, 2012-04-27 Examines how national foreign policies in the EU affect common EU positions in international politics

Towards a European Foreign Policy J.K. de Vree, Peter Coffey, R.H. Lauwaars, 2024-08-26

Contemporary European Foreign Policy Walter Carlsnaes, Helene Sjursen, Brian White, 2004 The contributors to this volume examine the latest developments in European foreign policy The text provides a complete overview of the ways in which the very nature of foreign policy in Europe has changed and advances new insights into contemporary European foreign policy analysis

Paradoxes of European Foreign Policy Jan Zielonka, 2023-09-29 The European Union's foreign policy is full of paradoxes The Union aspires to be a powerful international actor without becoming a super state It hopes to prevent and manage conflicts but refrains from acquiring the military means to do so It embarks on the project of widening its borders but continues its deepening project which makes the entrance hurdles for applicant countries ever higher It wishes to maintain strong transatlantic links but continues to build institutions that make the EU more independent from if not competitive with the United States In this stimulating book distinguished European and American intellectuals offer solutions to imperative but unanswered questions How can the Union's enormous normative power of attraction combined with its operational weakness be explained Can the Union remain a civilian power when coping with an uncivilized world Can a European foreign policy get off the ground without prior emergence of a European demos Are national policies within the Union increasingly convergent or divergent And how can the Union's international performance be assessed

East Central European Foreign Policy Identity in Perspective E. Tulmets, 2014-07-29 How have countries in the EU that were

previously under Communist rule influenced the creation of a European policy towards other Post Soviet nations This study explores countries including the Czech Republic and Poland and shows how they have helped develop a coherent policy based reconciling political and historical foreign policy identities

European Foreign Policy and the Challenges of Balkan Accession Gergana Noutcheva, 2012-07-26 The Balkan countries have responded differently to the EU's conditional offer of membership This book examines the diverging compliance patterns of the Balkan accession states and asks why some of them have complied substantially some only partially and others have defied the EU The book examines the compliance of the Balkan states with the EU accession conditionality arguing that the variation in the compliance behavior of Balkan governments hinges on three main factors the legitimacy of the EU conditions as seen domestically in the accession states the costs of compliance and the EU's ability and willingness to use its superior power resources to impose compliance when faced with domestic defiance Placing important events from the most recent political history of the Balkans in a broader historical perspective the author evaluates the successes and failures of the EU's state building policies in the Balkans a geographical area of the highest priority for the EU's foreign policy and a test case for the EU's capacity and willingness for foreign policy action Based on detailed empirical data **European Foreign Policy and the Challenges of Balkan Accession** will be of interest to scholars and students of EU and comparative politics and those focusing on policy impact in EU integration

Getting the books **European Foreign Policy** now is not type of inspiring means. You could not solitary going with ebook collection or library or borrowing from your connections to read them.
